DESCRIPTION OF AMENDMENTS TO ARTICLES OF ORGANIZATION

ARTICLE II is hereby amended by deleting all language contained therein, and inserting in place thereof, the following:

To engage in any lawful activity for which corporations may be organized under the Massachusetts Business Corporation Law, including, but not limited to, the manufacture of various juvenile products, ready-to-assemble furniture, and home furnishings.

ARTICLE VI is hereby amended by deleting all language contained therein, and inserting in place thereof, the following:

1. Rights to Indemnification and Advancement of Expenses.

(a) The Corporation shall indemnify as a matter of right every person made a party to a proceeding because such person is or was

- (i) a member of the Board of Directors of the Corporation,
- (ii) an officer of the Corporation, or
- (iii) while a director or officer of the Corporation, serving at the Corporation's request as a director, officer, partner, member, manager, trustee, employee, or agent of another foreign or domestic corporation, partnership, limited liability company, joint venture, trust, employee benefit plan, or other enterprise, whether for profit or not,

(each an "Indemnitee") against all liability incurred by such person in connection with the proceeding; provided that it is determined in the specific case that indemnification of such person is permissible in the circumstances because such person has met the standard of conduct for indemnification specified in the Massachusetts Business Corporation Law ("BCL"). The Corporation shall pay for or reimburse the reasonable expenses incurred by an Indemnitee in connection with any such proceeding in advance of final disposition thereof in accordance with the procedures and subject to the conditions specified in the BCL. The Corporation shall indemnify as a matter of right an Indemnitee who is wholly successful, on the merits or otherwise, in the defense of any such proceeding, against reasonable expenses incurred by the Indemnitee in connection with the proceeding without the requirement of a determination as set forth in the first sentence of this paragraph.

(b) Upon demand by a person for indemnification or advancement of expenses, as the case may be, the Corporation shall expeditiously determine whether the person is entitled thereto in accordance with this Article VI and the procedures specified in the BCL.

(c) The indemnification provided under this Article VI shall apply to any proceeding arising from acts or omissions occurring before or after the adoption of this Article VI.

2. Other Rights Not Affected. Nothing contained in this Article VI shall limit or preclude the exercise or be deemed exclusive of any right under the law, by contract or otherwise, relating to indemnification of or advancement of expenses to any individual who is or was a director, officer, employee or agent of the Corporation, or the ability of the Corporation to otherwise indemnify or advance expenses to any such individual. It is the intent of this Article VI to provide indemnification to directors and officers to the fullest extent now or hereafter permitted by law consistent with the terms and conditions of this Article VI. Therefore, indemnification shall be provided in accordance with this Article VI irrespective of the nature of the legal or equitable theory upon which a claim is made, including without limitation negligence, breach of duty, mismanagement, corporate waste, breach of contract, breach of warranty, strict liability, violation of federal or state securities laws, violation of the Employee Retirement Income Security Act of 1974, as amended, or violation of any other state or federal laws, subject to the conditions specified in the BCL.
