TRADEMARK ASSIGNMENT

WHEREAS, GENERAL FLAVORS, INC., a Texas corporation ("Assignor") desires to convey on this day, August 30, 2002, the registered trademark attached hereto in Schedule A to ADAMS EXTRACT & SPICE, LLC ("Assignee").

WHEREAS, Assignor has adopted and used, or owns and has a bona fide intent to use, the trademarks and service marks identified in Schedule A attached hereto and incorporated by reference herein (the "Mark") in association with the sale of its goods and/or services, certain of which Mark Assignor either has applied to federally register or for which Mark it owns the registrations on the Principal Register of the United States Patent and Trademark Office as identified and listed in Schedule A for the goods and/or services identified therein;

WHEREAS, Assignee desires to acquire the Mark, including the applications and registrations listed in Schedule A and the associated goodwill appurtenant thereto that Assignee may own; and

WHEREAS, Assignee is the successor of the ongoing and existing business, or portion thereof, of Assignor to which the certain Mark pertains, and is desirous of acquiring such Mark and any pending intent-to-use applications therefor.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby assign to Assignee, *nunc pro tunc*, effective as of August 30, 2002, any and all of Assignor's rights, title and interest in and to the Mark together with the goodwill of the business symbolized thereby and appurtenant thereto, as well as any pending applications or issued registrations thereof as listed in Schedule A. This assignment includes the right to sue and recover damages for past and future infringements of Assignor's rights in the Mark and to bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country for cancellation or opposition or other proceeding in connection with said Mark. The right, title, and interest is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

Assignor further agrees to promptly execute, verify, acknowledge, and deliver to all such further papers, including any instruments of transfer and recordable assignments, and perform such other acts as Assignee lawfully may request from time to time, to perfect and vest title in the Mark in Assignee, or Assignee's successors or assigns.

IN WITNESS WHEREOF, the parties have duly executed this Assignment on this 30th day of August, 2002.
