Public burden reporting for this sample cover sheet is estimated to average about 30 minutes per document to be recorded, including time for reviewing the document and gathering the data needed, and completing and reviewing the sample cover sheet. Send comments regarding this burden estimate to the U.S. Patent and Trademark Office, Office of Information Systems, PK2-1000C, Washington, D.C. 20231, and to the Office of Management and Budget, Paperwork Reduction Project, (0651-0011), Washington, D.C. 20503.

ASSIGNMENT OF TRADEMARKS AND SERVICEMARKS

This Assignment of Trademarks and Servicemarks is made as of October 15, 2002 by Advanced Composites Technologies, L.L.C., a Kansas limited liability company ("Assignor"), to Elk Composite Building Products, Inc., a Delaware corporation ("Assignee").

PRELIMINARY STATEMENT

A. As of October 15, 2002, Assignee and Assignor entered into an Asset Purchase Agreement (the "Agreement") pursuant to which Assignor has agreed to sell to Assignee and Assignee has agreed to buy from Assignor the Acquired Assets (as defined in the Agreement), including trademarks, servicemarks, trade names and similar intellectual property of Assignor. Pursuant to the Agreement, Assignor has agreed to execute such instruments of assignment as Assignee may reasonably request. Capitalized terms used in this Agreement without definition shall have the respective meanings given to them in the Purchase Agreement.

B. Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under Assignor's name, Assignor's registered and unregistered domestic and foreign trademarks, trade names and servicemarks, all associated registrations and applications therefor and any renewals and extensions thereof, and any assumed fictional business names, including those properties listed on Schedule A, attached (all of the foregoing being referred to herein as the "Marks").

AGREEMENT

Assignor, for and in acknowledgement of receipt of the consideration set forth in the Agreement, hereby transfers and assigns to Assignee, and Assignee hereby accepts the transfer and assignment of, all of Assignor's worldwide right, title and interest in, to and under the Marks, together with the goodwill of the business associated therewith and which is symbolized thereby, and all causes of action, rights of recovery and claims for damages and other relief referring or pertaining to the Marks, including claims for past and future infringement, that may hereafter be secured under the laws now or hereafter in effect in the United States of America and Canada, the same to be held and enjoyed by Assignee, its successors and assigns as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

Except to the extent that federal law preempts state law with respect to the matters covered by this Assignment, it will be governed by and construed under the laws of Delaware without regard to conflicts of laws principles that would require the application of any other law.

Assignor has executed and delivered this Assignment as of the date indicated in the first sentence of this Assignment.
