TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (“ASSIGNMENT”) is made and entered into as of this 5th day of October, 2001, by and between Pryor Resources, Inc., a Kansas corporation with its principal offices at 9757 Metcalf Ave., Overland Park, Kansas 66212 (“Assignor”) and FPS Acquisition Corp., a Kansas corporation having its principal office at 9757 Metcalf Ave., Overland Park, Kansas 66212 (“Assignee”).

WHEREAS, Assignor owns, has adopted, and used the marks identified on Schedule A attached hereto (the “Marks”), and is the owner of all worldwide right, title and interest in and to the registrations and applications for registration for the Marks, including, but not limited to, the good will of the business associated with said Marks (collectively the “Trademark Assets”); and

WHEREAS, Assignor filed a voluntary Chapter 11 Petition under the bankruptcy laws of the United States, 11 U.S.C. §§ 101 et. seq., in the United States Bankruptcy Court for the District of Delaware, Case No. 01-2500(JJF) (the “Bankruptcy Case”); and

WHEREAS, the Court in the Bankruptcy Case has approved the Asset Purchase Agreement providing for the sale and transfer of substantially all of the assets of the business to which the Marks pertain, including, *inter alia*, the Trademark Assets from Assignor to Assignee as set forth in the Order Pursuant to Sections 105(a), 363, and 1146(c) of the Bankruptcy Code (i) Authorizing the Sale of Certain of the Debtor’s Assets Free and Clear of Liens, Claims, Encumbrances and Interests; and (ii) Approving Asset Purchase Agreement of September 28, 2001 (the “Asset Sale Order”).

NOW, THEREFORE, in consideration of the payments to be made under the Asset Purchase Agreement and the Asset Sale Order, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

Assignor does hereby sell, assign, and transfer to Assignee, its successors and assigns, all of its worldwide right, title, and interest, in and to any trademarks heretofore used and adopted by Assignor, including without limitation the Trademark Assets including the Marks listed in Schedule A, together with any and all of the goodwill of the business symbolized by and associated therewith, and all of the registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee’s own use and enjoyment, and for the use and enjoyment of Assignee’s successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of September 28, 2001, or thereafter, including, without limitation, all claims damages by reason of past, present or future infringement or other unauthorized use of Assignor’s trademarks including, without limitation, the Marks listed in Schedule A, with the right to sue for, and collect the same for Assignee’s own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

Assignor hereby requests the Commissioner of Patents and Trademarks, and the corresponding entity or agency in any applicable foreign country, to record Assignee as the assignee and owner of the Marks.

Assignor shall, at Assignee’s expense, take all further actions, and provide to Assignee,

Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens, assignments, powers of attorney, or other documentation), reasonably requested by Assignee to more fully and effectively effectuate the purposes of this Assignment, including, without limitations with respect thereto, the following: (1) the preparation and prosecution of any application for registration, or any application for renewal of a registration, relating to any of the rights assigned herein; (2) the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein, including, without limitation, testifying as to any facts relating to the use, registration, transfer and/or assignment of the Marks and this Assignment; (3) obtaining any additional trademark protection relating to rights assigned herein that Assignee reasonably may deem appropriate that may be secured under the laws now or hereinafter in effect in the United States or any foreign country; and (4) in the implementation or perfection of this Assignment in all applicable jurisdictions throughout the world.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment to be executed by their duly authorized representatives as of the date set forth above.
