(h) It has the right and power to enter into this Agreement and perform its terms.

ARTICLE IV. COVENANTS

Section 4.1 Covenants. Each Grantor covenants and agrees as follows:

(a) No Grantor will, either by itself or through any agent, employee, licensee or designee, file an application for the registration of any Patent and Trademark Collateral material to the conduct of the Loan Parties' business with the United States Patent and Trademark Office unless, within 30 days thereafter, it files with any such office or agency, (i) an amendment to this Agreement adding a description of such Patent and Trademark Collateral to Schedule I(a) or Schedule II(a) and (ii) any other agreements, instruments, documents and papers as Secured Party may reasonably request to evidence Secured Party's security interest in such Patent and Trademark Collateral.

(b) Subject to subsection 4.1(a) and except to the extent that (i) Secured Party may otherwise agree or (ii) it reasonably determines that certain of the Patent and Trademark Collateral is no longer of material value to the Loan Parties' business, it shall take all necessary actions to maintain and pursue each application, to obtain the relevant registration, and to maintain the registration of all of the Patent and Trademark Collateral with the United States Patent and Trademark Office or other appropriate filing office or agency in which registration is necessary to protect its rights therein, including the filing of applications for renewal, affidavits of use, affidavits of incontestability and opposition and cancellation proceedings.

(c) In the event that any Grantor's rights under any Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business are infringed,

misappropriated or diluted by a third party, such Grantor (i) shall notify Secured Party promptly after it learns thereof if such infringement, misappropriation or dilution could reasonably be expected to have a Material Adverse Effect and (ii) shall take such actions as such Grantor shall reasonably deem appropriate under the circumstances to protect such Patent and Trademark Collateral.

(d) The applicable Grantor shall promptly notify Secured Party, in writing, of any suit, action or proceeding brought against it relating to, concerned with or affecting the Patent and Trademark Collateral or infringement of or interference with another trademark which could reasonably be expected to have a Material Adverse Effect. Such Grantor shall promptly, upon request by Secured Party, deliver to Secured Party a copy of all pleadings, papers, orders or decrees theretofore or thereafter filed in any such suit, action or proceeding, and upon request by Secured Party shall promptly keep Secured Party fully advised and informed of the progress of any such suit, action or proceeding.

(e) The applicable Grantor shall promptly notify Secured Party if such Grantor knows (i) that any application or registration relating to any Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business may become abandoned or dedicated, (ii) that there has been or could reasonably be expected to be an adverse determination or development (including the institution or any adverse determination or development in, any proceeding in the United States Patent and Trademark Office or any court) regarding (A) its ownership of any Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business, (B) its right to register such Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business or (C) its right to keep and maintain such Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business or (iii) of any other event that materially adversely affects the value of any Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business.

(f) Subject to subsection 4.1(b), upon the written request of Secured Party, the applicable Grantor shall promptly and duly execute and deliver any and all additional documents, including UCC-1 financing statements or amendments thereto, and take such further action as Secured Party may deem necessary to obtain the full benefit of this Agreement, all at the sole expense of such Grantor.

(g) Without Secured Party's prior written consent, no Grantor shall (i) enter into any agreement that would materially impair or conflict with any Grantor's obligations hereunder nor (ii) permit the inclusion in any material contract to which it becomes a party of any provisions that could or might in any way prevent the creation of a security interest in any Grantor's rights and interests in any property included within the definition of Patent and Trademark Collateral that is material to the conduct of the Loan Parties' business acquired under such contracts.

(h) Each Grantor shall maintain the security interests created in favor of the Secured Party in the Patent and Trademark Collateral pursuant to this Agreement as valid and duly perfected first priority security interests and shall defend such security

interests against claims and demands of all Persons whomever. At any time and from time to time, upon the written request of the Secured Party, and at the sole expense of Grantors, each Grantor shall promptly and duly execute and deliver such further instruments and documents and take such further actions as the Secured Party may request for the purposes of obtaining or preserving all of the benefits, rights and powers granted by each Grantor to the Secured Party pursuant to this Agreement.

ARTICLE V. POWER OF ATTORNEY

Each Grantor hereby irrevocably constitutes and appoints Secured Party, its assignees and any officer, agent or nominee of Secured Party, its assignees, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority, in the name of each Grantor or in its own name, to take any and all actions and to execute and deliver any and all agreements, documents, notices, instruments and writings that Secured Party or Lenders may determine to be necessary or desirable for Secured Party, without notice to or assent by any Grantor, to do any or all of the following if and whenever any Grantor is in default under the Credit Agreement: (a) to use the Patent and Trademark Collateral, (b) to grant or issue to any third party a license or, to the extent permitted by an applicable U.S. Patent License or U.S. Trademark License, a sublicense, whether general, specific or otherwise and whether on an exclusive or non-exclusive basis, of any Patent and Trademark Collateral throughout the world on such terms and conditions and in such manner as Secured Party shall, in its sole discretion, determine, or (c) to assign, pledge, convey or otherwise transfer title in or dispose of the Patent and Trademark Collateral to any third person. Each Grantor hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the indefeasible payment in full of the Obligations.

ARTICLE VI. PATENT AND TRADEMARK COLLATERAL

Section 6.1 Grant of License to Use Intellectual Property Collateral. Each Grantor hereby grants to Secured Party for the benefit of itself and the Lenders an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to any Grantor), to do any or all of the following if and whenever an Event of Default has occurred and is continuing under the Credit Agreement: (a) to use, license or sublicense any of the Patent and Trademark Collateral now owned or hereafter acquired by any Grantor and wherever the same may be located and (b) to have access to all media in which any of the licensed items may be recorded or stored and all computer and automatic machinery software and programs used for the compilation or printout thereof. Each Grantor hereby agrees that the permitted use by the Secured Party or any Lender of the Patent and Trademark Collateral shall be worldwide without any liability for royalties or other related charges from the Secured Party or the Lenders.

Section 6.2 Use and Protection of Patent and Trademark Collateral. Notwithstanding anything to the contrary contained herein, unless an Event of Default has occurred and is continuing, Grantors may continue to use, exploit, license, enjoy and protect the Patent and Trademark Collateral in the ordinary course of business, and Secured Party shall from

time to time, execute and deliver, upon the reasonable written request of Grantors, any and all instruments, certificates or other documents, in the form so requested, that in the reasonable judgment of Grantors are necessary or appropriate to permit Grantors to continue to do so.

ARTICLE VII. MISCELLANEOUS PROVISIONS

Section 7.1 Notices. All notices, approvals, consents or other communications required or desired to be given hereunder shall be in the form and manner, and delivered to each of the parties hereto at their respective addresses, set forth in the Credit Agreement.

Section 7.2 Headings. The headings in this Agreement are for purposes of reference only and shall not affect the meaning or construction of any provision of this Agreement.

Section 7.3 Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid, illegal or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect in that jurisdiction only such clause or provision, or part thereof, and shall not in any manner affect such clause or provision in any other jurisdiction or any other clause or provision of this Agreement in any jurisdiction.

Section 7.4 Amendments, Waivers and Consents. Any amendment or waiver of any provision of this Agreement and any consent to any departure by any Grantor from any provision of this Agreement shall not be effective unless the same shall be in writing and signed by the Secured Party and then such amendment or waiver shall be effective only in the specific instance and for the specific purposes for which given.

Section 7.5 Interpretation of Agreement. Time is of the essence in each provision of this Agreement of which time is an element. All terms not defined herein or in the Credit Agreement shall have the meaning set forth in the UCC, except where the context otherwise requires. To the extent a term or provision of this Agreement conflicts with the Credit Agreement and is not dealt with herein with more specificity, the Credit Agreement shall control with respect to the subject matter of such term or provision. Acceptance of or acquiescence in a course of performance rendered under this Agreement shall not be relevant in determining the meaning of this Agreement even though the accepting or acquiescing party had knowledge of the nature of the performance and opportunity for objection.

Section 7.6 Continuing Security Interest; Transfer of Notes and Secured Obligations. This Agreement shall create a continuing security interest in the Patent and Trademark Collateral and shall (i) remain in full force and effect until full and final payment and performance (including after the Termination Date) of the Secured Obligations and termination of any commitments to extend further credit to Grantors, (ii) be binding upon each Grantor, its successors, transferees and assigns, and (iii) inure, together with the rights and remedies of the Secured Party, to the benefit of itself and the Lenders, and the Secured Party's and the Lenders' successors, transferees and assigns. Without limiting the generality of clause (iii), above, the Secured Party and any Lender may assign or otherwise transfer any Term Loan Note or Secured

Obligation held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to the Secured Party and the Lenders herein.

Section 7.7 Reinstatement. To the maximum extent permitted by law, this Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by the Secured Party in respect of the Obligations is rescinded or must otherwise be restored or returned by the Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Grantor or any other Person or upon the appointment of any receiver, intervenor, conservator, trustee or similar official for any Grantor or any other Person or any substantial part of its assets, or otherwise, all as though such payments had not been made.

Section 7.8 Survival of Provisions. All representations, warranties and covenants of contained herein shall survive the execution, delivery and acceptance thereof by the parties of this Agreement, and shall terminate only upon the full and final payment and performance by each Grantor of the Obligations.

Section 7.9 Setoff. The Secured Party and the Lenders shall have the rights of setoff set forth in the Credit Agreement.

Section 7.10 Authority of the Secured Party and the Lenders. The Secured Party and the Lenders shall have and be entitled to exercise all powers hereunder which are specifically granted to the Secured Party and the Lenders by the terms hereof, together with such powers as are reasonably incident thereto. The Secured Party and the Lenders may perform any of its duties hereunder or in connection with the Patent and Trademark Collateral by or through agents or employees and shall be entitled to retain counsel and to act in reliance upon the advice of counsel concerning all such matters. The Secured Party and the Lenders and their directors, officers, employees, attorneys and agents shall be entitled to rely on any communication, instrument or document reasonably believed by it or them to be genuine and correct and to have been signed or sent by the proper person or persons.

Section 7.11 Release; Termination of Agreement. Subject to the provisions of Sections 7.7 and 7.8 hereof, this Agreement shall terminate upon full and final payment and performance of all the Obligations and termination of all commitments to extend further credit to Grantors. At such time, the Secured Party shall, at the request and expense of Grantors, reassign and redeliver to Grantors all of the Patent and Trademark Collateral hereunder which has not been sold, disposed of, retained or applied by the Secured Party in accordance with the terms hereof. Such reassignment and redelivery shall be without warranty by or recourse to the Secured Party or the Lenders, except as to the absence of any prior assignments by the Secured Party of its interest in the Patent and Trademark Collateral, and shall be at the expense of Grantors.

Section 7.12 Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which, when so executed and delivered, shall be deemed an original but all of which shall together constitute one and the same agreement.

Section 7.13 Governing Law; Choice of Forum; Service of Process; Jury Trial Waiver.

FLEETWOOD, EACH GRANTOR, THE SECURED PARTY AND THE LENDERS EACH AGREE THAT ANY SUCH CLAIM OR CAUSE OF ACTION SHALL BE TRIED BY A COURT TRIAL WITHOUT A JURY. WITHOUT LIMITING THE FOREGOING, THE PARTIES FURTHER AGREE THAT THEIR RESPECTIVE RIGHT TO A TRIAL BY JURY IS WAIVED BY OPERATION OF THIS SECTION AS TO ANY ACTION, COUNTERCLAIM OR OTHER PROCEEDING WHICH SEEKS, IN WHOLE OR IN PART, TO CHALLENGE THE VALIDITY OR ENFORCEABILITY OF THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS OR ANY PROVISION HEREOF OR THEREOF.
