

MESSAGE: Re: Attached Recordation of a Release of Security Interest in Trademarks

The attached Notice of Recordation contains two major errors:

1. You will note that the Recordation Cover Sheet requested that the Release of Security Interest be recorded against trademark application No. 75/799,306 and other additional numbers. The words: **“See attached list of trademarks on Separate Sheet”** appear in bold in the space for indicating the application or registration numbers of trademarks covered by the recordation. The Notice of Recordation includes the first of those trademarks but does not include the others from the attached list. Please add the other three listed trademarks to the Notice of Recordation.
2. The Notice of Recordation indicates on page 2 that this Release of Security Interest was recorded for the mark, ARCADE SKATEBOARDS, Reg. No. 2,366,316. This mark does not appear anywhere in the assignment documents sent with the Recordation Cover Sheet on July 19, 2002. Please remove this mark from the Notice of Recordation as it was not included in the recorded transaction.

Please make these corrections and forward us a new Notice of Recordation.

Thank you very much
