WHEREAS, pursuant to the Deed of Hypothec, Grantor has granted security in the Trademark Collateral to Security Agent, on behalf of Bondholders, and wishes, for purposes of registration in certain registers, to further state same by granting herein Security Agent, on behalf of Bondholders, a hypothec and a first priority security interest in the Trademark Collateral;

WHEREAS Article 2892 of the C.C.Q. permits a legal person to grant a hypothec securing payment of bonds and other titles of indebtedness in favour of the person authorized to do so on behalf of the creditors (the person holding the power of attorney (*fonds de pouvoir*) of the creditors);

WHEREAS the Deed of Hypothec appoints the Security Agent as *fonds de pouvoir* of the Bondholders with the authority to enter into a deed of hypothec under Article 2892 of the C.C.Q. on behalf of and for the benefit of the Bondholders;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in Annex A to the Credit Agreement.

2. (A) GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. As general and continuing collateral security for the performance by the Grantor of the Bond Obligations, as such term is defined in the Deed of Hypothec (including, without limiting the generality of the foregoing, interest on all overdue interest, as well as the costs and expenses incurred in order to preserve its security or realize upon the hypothec created under the terms hereof and all other costs and expenses related to the Bond Obligations), Grantor hereby hypothecates to the extent of the sum of three hundred million dollars (\$300,000,000), with interest thereon at the rate of 25% per annum, in favour of Security Agent, on behalf of Bondholders, and grants to the Security Agent, on behalf of Bondholders, a first priority continuing security interest in, all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;

(b) all renewals and applications to extend wares or services or the foregoing;

(c) all goodwill of the business associated with each Trademark and each Trademark License; and

(d) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

3. COVENANTS. Grantor covenants and agrees that from and after the date of this Trademark Property Security Agreement:

(a) Grantor shall notify Agent and Security Agent immediately if it knows or has reason to know that any application or registration relating to any Trademark (now or hereafter existing) may become abandoned or dedicated, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the Canadian Trade-Marks Office, the U.S. Patent and Trademark Office or any court) regarding Grantor's ownership of any Trademark, its right to register the same, or to keep and maintain the same.

(b) In no event shall Grantor, either directly or through any agent, employee, licensee or designee, file an application for the registration of any Trademark with the Canadian Trade-Marks Office, the U.S. Patent and Trademark Office or any similar office or agency without giving Agent and Security Agent prior written notice thereof, and, upon request of Agent, Grantor shall execute and deliver a supplement hereto (in form and substance satisfactory to Agent) to evidence Security Agent's Lien on such Trademark and the Intangibles of Grantor relating thereto or represented thereby.

(c) Grantor shall take all actions necessary or requested by Agent to maintain and pursue each application, to obtain the relevant registration and to maintain the registration of each of the Trademarks (now or hereafter existing), including the filing of applications for renewal, affidavits of use, affidavits of non-contestability and opposition and interference and cancellation proceedings.

(d) In the event that any of the Trademark Collateral is infringed upon, or misappropriated or diluted by a third party, Grantor shall notify Agent and Security Agent promptly after Grantor learns thereof. Grantor shall, unless it shall reasonably determine that such Trademark Collateral is in no way material to the conduct of its business or operations, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and shall take such other actions as Agent

shall deem appropriate under the circumstances to protect such Trademark Collateral.

4. SECURITY AGREEMENT. The security granted pursuant to this Trademark Security Agreement is granted in conjunction with, in addition to and not in substitution of the security granted to Security Agent pursuant to the Credit Agreement and/or Deed of Hypothec and any other security held by Security Agent and/or Agent for the fulfillment of the Bond Obligations and shall not operate as novation of any obligation of Grantor towards Bondholders, the persons holding the Notes, Lenders, Security Agent and/or Agent. Grantor hereby acknowledges and affirms that the rights and remedies of Security Agent with respect to the security in the Trademark Collateral made and granted hereby are more fully set forth in the Credit Agreement and/or Deed of Hypothec and shall not operate as novation of any obligation of Grantor towards Bondholders, the persons holding the Notes, Lenders, Security Agent and/or Agent, the terms and provisions of the Credit Agreement and/or Deed of Hypothec being incorporated by reference herein as if fully set forth herein.

5. REINSTATEMENT. This Trademark Security Agreement shall remain in full force and effect and continue to be effective should any petition be filed by or against Grantor for liquidation or reorganization, should Grantor become insolvent or make an assignment for the benefit of any creditor or creditors or should a receiver or trustee be appointed for all or any significant part of Grantor's assets, and shall continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Bond Obligations, or any part thereof, is, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Bond Obligations, whether as a "voidable preference," "fraudulent conveyance," or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Bond Obligations shall be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

6. NOTICES. Whenever it is provided herein that any notice, demand, request, consent, approval, declaration or other communication shall or may be given to or served upon any of the parties by any other party, or whenever any of the parties desires to give and serve upon any other party any communication with respect to this Trademark Security Agreement, each such notice, demand, request, consent, approval, declaration or other communication shall be in writing and shall be given in the manner, and deemed received, as provided for in the Credit Agreement.

7. GOVERNING LAW. This Trademark Security Agreement and the interpretation and enforcement thereof shall be governed by and in accordance with the laws of the Province of Quebec and the federal laws of Canada applicable therein.

8. CONFLICT. To the extent that any conflict exists between any provision of this Trademark Security Agreement and any provision of the Credit Agreement or the Deed of Hypothec, the Credit Agreement and the Deed of Hypothec shall prevail and this Trademark Security Agreement shall be deemed to be amended to the extent necessary to eliminate such conflict or inconsistency.
