ASSIGNMENT

In2M.com, L.L.C., (Assignor) a limited liability company of the State of Utah, having a principal place of business at 859 West South Jordan Parkway, Suite 105, South Jordan, Utah 84095, by and through its members Transcend Holdings, LLC, a limited liability company of the State of Utah, and Nicholas A. Thomas, an individual residing in the State of Utah; is the owner of certain United States Patents and Trademarks as outlined on attached Exhibit "A."

In2M Corporation (Assignee), a corporation of the State of Utah, having a principal place of business at 859 West South Jordan Parkway, Suite 105, South Jordan, Utah 84095, desires to secure the entire right, title and interest in and to said Intellectual Property.

In consideration of One Dollar (\$1.00) and other good and valuable consideration paid to Assignor by the Assignee, the receipt and sufficiency of which is hereby acknowledged, Assignor
HEREBY ASSIGNS TO THE ASSIGNEE:

The entire right, title and interest in the patent and trademark applications and registrations attached as Exhibit "A" and in all divisionals, continuations and continuations-in-part of said applications, or reissues or extensions of Letters Patents granted thereon, and in all corresponding applications filed in countries foreign to the United States, and in all patents issuing thereon in the United States and Foreign countries.

The right to file foreign patent applications on said inventions in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

Assignor hereby authorizes and requests the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their patent laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and behalf of the said Assignee, its successors, assigns and legal representatives.

Assignor conveys the goodwill associated with the trademarks and service marks in Exhibit "A."

Assignor hereby agrees, without further consideration and without expense to Assignee to sign all lawful papers and to perform all other lawful acts which the Assignee may request of Assignor to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said inventions, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of my ability in the execution of all lawful documents, the production of evidence, nullification, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon my heirs and legal representatives.

Dated this 28th day of September, 2000.
