C. Previous hereto, in order to induce Pledgee to make the Loan, Pledgor has also agreed to assign certain intangible property to Pledgee for purposes of securing the obligations of Pledgor to Pledgee, pursuant to that certain Collateral Assignment, Patent Mortgage and Security Agreement dated as of October 1, 1997 and certified as of April 22, 1998 (the "Original Security Agreement").

G. A true and correct copy of the Original Security Agreement, together with **Exhibits A, B and C**, is attached as **Exhibit D** hereto.

**AGREEMENT**

**NOW, THEREFORE**, for good and valuable consideration, receipt of which is hereby acknowledged, the parties hereto agree as set forth below:

1. **Incorporation by Reference.** The foregoing Recitals, the Original Security Agreement, and the documents referred to therein, are incorporated herein by this reference.

2. Additional Collateral. In addition to the Collateral, as defined in the Original Security Agreement, as additional collateral security for the prompt and complete payment and performance of all of Pledgor's present or future indebtedness, obligation and liabilities to Pledgee, Pledgor hereby assigns, transfers, conveys and grants a mortgage to Pledgee, as security, Pledgor's entire right, title and interest in, to and under the following (all of which shall, together with the Collateral as defined in the Original Security Agreement, collectively be called the "*Collateral*"):

(a) Any and all copyright rights, copyright application, copyright registrations and like protections in each work or authorship and derivative work thereof, whether published or unpublished and whether or not the same also constitutes a trade secret, now or hereafter existing, created, acquired or held, including without limitation those set forth on **Exhibit A** attached hereto (collectively, the "*Copyrights*");

(b) Any and all trade secrets, and any and all intellectual property rights in computer software and computer software products now or hereafter existing, created, or acquired or held;

(c) Any and all design rights which may be available to Pledgor now or hereafter existing, created, acquired or held;

(d) All patents, patent applications and like protections including, without limitation, improvements, divisions, continuations, renewals, reissues, extensions and continuations-in-part of the same, including without limitation the patents and patent applications set forth on **Exhibit B** attached hereto (collectively, the "*Patents*");

(e) Any trademark and service mark rights, whether registered or not, applications to register and registrations of the same and like protections, and the entire goodwill of the business of Pledgor connected with and symbolized by such trademarks, including without limitation those set forth on **Exhibit C** attached hereto (collectively, the "*Trademarks*");

(f) Any and all claims for damages by way of past, present and future infringement of any of the rights included above, with the right, but not the obligation, to sue for and collect such damages for said use or infringement of the intellectual property rights identified above;

(g) All licenses or other rights to use any of the Copyrights, Patents or Trademarks, and all license fees and royalties arising from such use; and

(h) All proceeds and products of the foregoing, including without limitation all payments under insurance or any indemnity or warranty payable in respect of any of the foregoing.

**THE INTEREST IN THE COLLATERAL BEING ASSIGNED HEREUNDER SHALL NOT BE CONSTRUED AS A CURRENT ASSIGNMENT, BUT AS A CONTINGENT ASSIGNMENT TO SECURE PLEDGOR'S OBLIGATIONS TO PLEDGEE UNDER THE LOAN DOCUMENTS.**

3. Authorization and Request. Pledgor authorizes and requests that the Register of Copyrights and the Commissioner of Patents and Trademarks record this Supplement.

4. Covenants and Warranties. Pledgor represents, warrants, covenants and agrees as follows:

(a) Pledgor is now the sole owner of the Collateral, except for non-exclusive licenses granted by Pledgor to its customers in the ordinary course of business and except for liens, encumbrances or security interests described in **Exhibit E** attached hereto;

(b) Performance of this Supplement does not conflict with or result in a breach of any agreement to which Pledgor is a party or by which Pledgor is bound;

(c) During the term of this Supplement, Pledgor will not transfer or otherwise encumber any interest in the Collateral, except for non-exclusive licenses granted by Pledgor;

(d) Each of the Patents is valid and enforceable, and no part of the Collateral has been judged invalid or unenforceable, in whole or in part, and no claim has been made that any part of the Collateral violates the rights of any third party;

(e) Pledgor shall promptly advise Pledgee of any material change in the composition of the Collateral, including but not limited to any subsequent ownership right of the Pledgor in or to any Trademark, Patent or Copyright not specified in this Supplement;

(f) Pledgor shall (i) protect, defend and maintain the validity and enforceability of the Trademarks, Patents and Copyrights; (ii) use its best efforts to detect infringements of the Trademarks, Patents and Copyrights and promptly advise Pledgee in writing of material infringements detected; and (iii) not allow any Trademarks, Patents or Copyrights to be abandoned, forfeited or dedicated to the public without the written consent of Pledgee, which consent shall not be unreasonably withheld;

(g) At the request of Pledgee, Pledgor shall promptly (and in any event within thirty (30) days of the request of Pledgee) register the most recent version of any of Pledgor's copyrights, if not so already registered, and shall, from time to time upon the request of Pledgee and subject to the time requirements set forth in the first line of this clause (g), execute and file such other instruments, and take such further actions as Pledgee may request from time to time to perfect or continue the perfection of Pledgee's interest in the Collateral;

(h) This Supplement creates, and in the case of after acquired Collateral, this Supplement will create at the time Pledgor first has rights in such after acquired Collateral, in favor of Pledgee a valid and perfected first priority security interest in the Collateral in the United States securing the payment and performance of the obligations evidenced by the Loan Documents upon making the filings referred to in clause (i) below, and a search to be ordered by Pledgee upon execution hereof shall so reflect. If for any reason such search reflects any liens or encumbrances other than that of Pledgee, Pledgor shall take all steps necessary to have such liens released or assigned to Pledgee, as Pledgee may direct;

(i) Except for, and upon, the filing with the United States Patent and Trademark Office with respect to the Patents necessary to perfect the security interests and assignment for collateral purposes only created hereunder, and, except as has been already made or obtained, no authorization, approval or other action by, and no notice to or filing with, any governmental authority or regulatory body is required either (i) for the grant by Pledgor of the security interest granted hereby or for the execution, delivery or performance of this Supplement by Pledgor; or (ii) for the perfection in the United States or the exercise by Pledgee of its rights and remedies hereunder;

(j) All information heretofore, herein or hereafter supplied to Pledgee by or on behalf of Pledgor with respect to the Collateral is accurate and complete in all material respects;

(k) Pledgor shall not enter into any agreement that would materially impair or conflict with Pledgor's obligations hereunder without Pledgee's prior written consent. Pledgor shall not permit the inclusion in any contract to which it becomes a party of any provisions that could or might in any way impair or prevent the creation of a security interest in Pledgor's rights and interests in any property included within the definition of the Collateral acquired under such contracts; and

(l) Upon any officer of Pledgor obtaining knowledge thereof, Pledgor will promptly notify Pledgee in writing of any event that materially adversely affects the value of any of the Collateral, the ability of Pledgor or Pledgee to dispose of any of the Collateral or the rights and remedies of Pledgee in relation thereto, including the levy of any legal process against any of the Collateral.

5. Pledgee's Rights. Pledgee shall have the right, but not the obligation, to take, at Pledgor's sole expense, any actions that Pledgor is required under this Supplement to take but which Pledgor fails to take, after five (5 ) days' telephonic or written notice to Pledgor. Pledgor shall reimburse and indemnify Pledgee for all costs and expenses (including, without limitation, attorneys' fees and costs) incurred in the reasonable exercise of its rights under this Section 4.

6. Inspection Rights. Pledgor hereby grants to Pledgee and its employees, representatives and agents the right to visit, during reasonable hours upon prior reasonable notice to Pledgor, and any of Pledgor's and its subcontractors' plants and facilities that manufacture, install or store products (or that have done so during the prior six-month period) that are sold under any of the Collateral, and to inspect the products and quality control records relating thereto upon reasonable notice to Pledgor and as often as may be reasonably requested; provided, however, nothing herein shall entitle Pledgee to access to Pledgor's trade secrets and other proprietary information.

7. Further Assurances: Attorney in Fact.

(a) On a continuing basis, Pledgor will, subject to any prior licenses, encumbrances and restrictions and prospective licenses, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such

instruments, including, appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademark Office, and take all such action as may reasonably be deemed necessary or advisable, or as requested by Pledgee to carry out the intent and purposes of this Supplement, or for assuring and confirming to Pledgee the grant or perfection of a security interest in all Patents.

(b) Pledgor hereby irrevocably appoints Pledgee as Pledgor's attorney-in-fact, with full authority in the place and stead of Pledgor and in the name of Pledgor, Pledgee or otherwise, from time to time in Pledgee's discretion, to take any action and to execute any instrument which Pledgee may deem necessary or advisable to accomplish the purposes of this Supplement, including:

(i) To modify in its sole discretion this Supplement without first obtaining Pledgor's approval of or signature to such modification by amending **Exhibit A**, **Exhibit B** and **Exhibit C** hereof, to include reference to any right, title or interest in any copyright, patents, or trademarks acquired by Pledgor after the execution hereof or to delete any reference to any right, title, interest in any copyrights, patents, or trademarks in which Pledgor no longer has or claims any right, title or interest; and

(ii) To file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral without the signature of Pledgor where permitted by law.

8. **Events of Default.** The occurrence of any of the following shall constitute an Event of Default under this Supplement:

(a) An Event of Default occurs under the Loan Documents or any other agreement between Pledgee and Pledgor; or

(b) Pledgor breaches any warranty or agreement made by Pledgor in this Supplement.

9. **Remedies.** Upon the occurrence of an Event of Default, Pledgee shall have the right to exercise all the remedies of a secured party under the California Uniform Commercial Code, including without limitation the right to require Pledgor to assemble the Collateral and to make it available to Pledgee at a place designated by Pledgee. Pledgor will pay any expenses (including attorneys' fees) incurred by Pledgee in connection with the exercise of any of Pledgee's rights hereunder, including without limitation any expense incurred in disposing of the Collateral. All of Pledgee's rights and remedies with respect to the Collateral shall be cumulative.

10. **Indemnity.** Pledgor agrees to defend, indemnify and hold harmless Pledgee and its officers, employees, and agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party in connection with the transactions contemplated by this Supplement, and (b) all losses or expenses in any way suffered, incurred, or paid by Pledgee as a result of or in any way arising out of, following or consequential to transactions between Pledgee and Pledgor, whether under this Supplement or otherwise

(including without limitation attorneys fees and expenses), except for losses arising from or out of Pledgee's gross negligence or willful misconduct.

11. Reassignment. At such time as Pledgor shall completely satisfy all of the obligations secured hereunder, Pledgee shall execute and deliver to Pledgor all deeds, assignments and other instruments as may be necessary or proper to revest in Pledgor full title to the property assigned hereunder, subject to any disposition thereof which may have been made by Pledgee pursuant hereto.

12. Course of Dealing. No course of dealing, nor any failure to exercise, nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof.

13. Attorneys' Fees and Legal Costs. If any action relating to this Supplement is brought by either party hereto against the other party, the prevailing party shall be entitled to recover reasonable attorneys' fees, legal costs and disbursements.

14. Amendments. This Supplement may be amended only by a written instrument signed by both parties hereto.

15. Counterparts. This Supplement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

16. California Law and Jurisdiction. This Supplement shall be governed by the laws of the State of California, without regard for choice of law provisions. Pledgor and Pledgee consent to the non-exclusive jurisdiction of any state or federal court located in Santa Clara County, California.
