U.S. DEPARTMENT OF COMMERCE U.S. Patent and Trademark Office

102311549

To the Honorable Commissioner of Patents and Trademarks: Please record the attached original documents or copy thereof.

1. Name of conveying party(ies):

The Griffin Group, Inc.

- Individual(s) Association General Partnership Limited Partnership Corporation-State Other a Nevada corporation

Additional name(s) of conveying party(ies) attached? Yes No

2. Name and address of receiving party(ies)

Name: Cardinal Health Technologies, LLC

Internal Address: Suite 260

Street Address: 2030 East Flamingo Road

City: Paradise Valley State: NV Zip: 89119

- Individual(s) citizenship Association General Partnership Limited Partnership Corporation-State Other a Nevada limited liability company

If assignee is not domiciled in the United States, a domestic representative designation is attached: Yes No (Designations must be a separate document from assignment) Additional name(s) & address(es) attached? Yes No

3. Nature of conveyance:

- Assignment Merger Security Agreement Change of Name Other

Execution Date: 11/11/02

4. Application number(s) or registration number(s):

A. Trademark Application No.(s)

B. Trademark Registration No.(s) 2,249,206; 2,308,398; and 2,255,186

Additional number(s) attached Yes No

5. Name and address of party to whom correspondence concerning document should be mailed:

Name: Michael D. Steffensmeier

Internal Address: Cardinal Health, Inc.

Street Address: 7000 Cardinal Place

City: Dublin State: OH Zip: 43017

6. Total number of applications and registrations involved:

3

7. Total fee (37 CFR 3.41): \$ 90.00

- Enclosed Authorized to be charged to deposit account

8. Deposit account number:

ASSIGNMENT

This assignment is made effective this 25th day of June, 2002, The Griffin Group, Inc., a Nevada corporation with its principal place of business at 2030 East Flamingo Road, Suite 260, Paradise Valley, Nevada 89119 ("Assignor"), to Cardinal health Technologies, LLC., a Nevada limited liability company with its principal place of business at 2030 East Flamingo Road, Suite 260, Paradise Valley, Nevada 89119 ("Assignee").

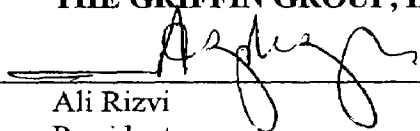

"Intellectual Property" means inventions, discoveries, improvements, ideas, works of authorship (including original/master computer software, related original/master manuals and documentation) and all works derivative therefrom, trade secrets, processes, know-how, patents, patent applications, trademarks, trademark applications, service marks, service mark applications, the goodwill associated with the trademarks and service marks, copyrights, copyright registrations, logos, tradenames, designs, original plans, and other learned or acquired information that are part of or cover the items in attached Schedule A, which is attached hereto and made a part hereof .

For good and valuable consideration, the receipt of which is hereby acknowledged, Assignor does hereby sell, assign and transfer to Assignee the entire right, title and interest that Assignor may have in the Intellectual Property, all claims for past infringement, all causes of action with respect to or arising out of the Intellectual Property, all rights to initiate litigation, and all rights to collect income, royalties, payments and damages for the Intellectual Property.

Assignor hereby authorizes Assignee to make applications for, to prosecute such applications, and to receive patents and registrations for the Intellectual Property anywhere in the world in Assignee's name. Assignor hereby promises and agrees that Assignor will execute or procure any further necessary assurance of title to the Intellectual Property and any patents and registrations which may issue on the Intellectual Property. Assignor will, at any time, upon the request and without further consideration, but at the expense of Assignee, its successors, assigns, or other legal representatives, deliver any testimony in any legal proceedings and execute all papers and do all other things that may be necessary or desirable to perfect the title or procure or enforce any rights in the Intellectual Property in the name of Assignee, its successors, assigns, or other legal representatives.

THE GRIFFIN GROUP, INC., Assignor

Date: 11/11/02

By: 
Ali Rizvi
President

STATE OF NEVADA
COUNTY OF CLARK ss:

Before me personally appeared Ali Rizvi, known to me to be the President of The Griffin Group, Inc., who acknowledged that this document was executed the same of his own free will and for the purposes set forth herein on behalf of said corporation.

Sworn to before me and subscribed in my presence this 11 day of NOVEMBER 2002.

Notary Public

**APPENDIX A:
DETAILED LIST OF COVERED INTANGIBLE ASSETS AND
RELATED TECHNOLOGIES**

This appendix lists the main intangible assets and related technologies that are included in the portfolio of covered intangible assets. The groupings within this appendix reflect the functional areas in which the covered intangible assets and related technologies are primarily used. In addition, the third column of each table within this appendix matches each asset and related technology to one or more of the categories described in Section IV.D of the report. Appendix B provides a detailed discussion of several examples from this portfolio.

Scriptline Quick References	This is a web-based application used by Cardinal's pharmaceutical to access business information/reports on demand.	Know-how and expertise Technology and related documentation
TouchTone Documents - TouchTone Order and Stock Status User Manual	Pertains to the telephone system used by customers to order in-stock items or perform stock checks on items prior to placing order.	Know-how and expertise
TouchTone Documents - TouchTone QR	Pertains to the telephone system used by customers to order in-stock items or perform stock checks on items prior to placing order.	Know-how and expertise Technology and related documentation

SECURITY		
Intangible Asset / Related Technology	Abstract	Category
Data generated by or collected through security procedures and processes		Data
Alarm System Procedures	DEA Compliance Manual: Physical and Procedural Security	Procedures and methodologies
Access Control- General Warehouse	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise Procedures and methodologies
Structural Security- Schedule III, IV, and V Controlled Substance Storage	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise Procedures and methodologies
Structural Security- Schedule II Controlled Substance Storage	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise Procedures and methodologies
Access Control- Controlled Substance Areas	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise Procedures and methodologies
P-PDMA4 Pre-Employment Screening Policy	All prospective employees consent to a physical examination, including a drug test and background investigation.	Know-how and expertise Procedures and methodologies
P-PDMA2 Warehouse Security	Limit access to the general warehouse.	Know-how and expertise Procedures and methodologies

SECURITY - (continued)

Intangible Asset / Related Technology	Abstract	Category
P-PDMA1 Visitor Security	All non-employees	Know-how and expertise Procedures and methodologies
P-PDMA3 Controlled Substance Cage and Narcotics Vault Security	Limit access to controlled substance cage and narcotics vault.	Know-how and expertise Procedures and methodologies
P-PDMA7 Property Conservation	Loss prevention and property.	Know-how and expertise Procedures and methodologies

SHIPPING AND TRANSPORT

Intangible Asset / Related Technology	Abstract	Category
Data generated by or collected through shipping and transport activities		Data
Physical Security - Shipping	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise Procedures and methodologies
Procedural Security - Delivery	Customer signature on manifests and manifests returned.	Know-how and expertise Procedures and methodologies
Procedural Security - Shipping	Prepared manifests for shipping.	Know-how and expertise Procedures and methodologies
DOT Cardinal Health Drug and Alcohol Testing Program		Know-how and expertise Procedures and methodologies
DOT Cardinal Health Fleet Safety Program		Know-how and expertise Procedures and methodologies
DOT HAZMAT Requirements Employee Guide		Know-how and expertise Procedures and methodologies
DOT HAZMAT Program Development		Know-how and expertise Procedures and methodologies

SHIPPING AND TRANSPORT - (continued)

Intangible Asset / Related Technology	Abstract	Category
Shipping - Carrier Scan	Uses WHARF technology; electronically transfers custody of inventory to shipper.	Procedures and methodologies Technology and related documentation
Shipping - Shipscan	Tracks all totes; reconcile 100% of totes to trucks.	Procedures and methodologies Technology and related documentation

TRAINING		
Intangible Asset / Related Technology	Abstract	Category
Data generated by or collected through training		Data
Training Manual for Distribution Center Employees Handling Controlled Substances	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise
Physical Security	DEA Compliance Manual: Physical and Procedural Security	Know-how and expertise Procedures and methodologies
DOT HM-126F Training Guide		Know-how and expertise Procedures and methodologies
SDMA Employee Guide		Know-how and expertise Procedures and methodologies
Corporate Compliance Manager Orientation Package	Corporate Compliance Internal Manual	Know-how and expertise Procedures and methodologies

WAREHOUSING AND INVENTORY

Intangible Asset / Related Technology	Abstract	Category
Data generated by or collected through warehousing and inventory operations		Data
P-PDMA5 Prescription Drug Storage Policy	Require that all prescription drugs be stored at appropriate temperatures and conditions in accordance with requirements.	Know-how and expertise Procedures and methodologies
PDMA-2 Replenishing and Restocking Static Shelves		Know-how and expertise Procedures and methodologies
PDMA-3 Replenishing and Restocking Flow Racks		Know-how and expertise Procedures and methodologies
Procedural Security- Stocking	Verify all products and quantities against paperwork. Date and sign each PO.	Know-how and expertise Procedures and methodologies
Inventory records and reports	DEA Compliance Manual: Records and Reports	Data Know-how and expertise Procedures and methodologies
Procedural Security - Breakage	Documentation of breakage in the vault, cage, or during delivery.	Know-how and expertise Procedures and methodologies
MCA Dosage Limit Report	DEA Forms and Exhibits	Know-how and expertise Procedures and methodologies

WAREHOUSING AND INVENTORY – (continued)

Intangible Asset / Related Technology	Abstract	Category
Ingredient Limit Report	DEA Forms and Exhibits Entitled: Suspicious Order Monitoring ARCOS Report	Know-how and expertise Procedures and methodologies
Inventory Report Form	DEA Forms and Exhibits	Know-how and expertise Procedures and methodologies
Procedural Security - Inventory Adjustments	Documentation must be kept on file to support adjustments.	Know-how and expertise Procedures and methodologies
Procedural Security - Physical Verification of Controlled Substances	Includes a selected item audit report.	Know-how and expertise Procedures and methodologies
Selected Item Audit Report	DEA Forms and Exhibits	Know-how and expertise Procedures and methodologies
PDMA-9 Processing Damaged and/or Outdated Merchandise	Steps that must be performed upon receipt of damaged or outdated merchandise from the warehouse shelves.	Know-how and expertise Procedures and methodologies
PDMA-10 Damaged and Outdated Inventory Adjustments		Know-how and expertise Procedures and methodologies
