In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Loan Agreement shall control and govern; provided, however, that the inclusion herein of additional obligations on the part of any Debtor and supplemental rights and remedies in favor of Secured Party for the benefit of the Lender Group (whether under federal law or

applicable New York law), in each case in respect of the Trademark Collateral, shall not be deemed a conflict in the Loan Agreement.

2. Security Interest.

(a) Assignment and Grant of Security in respect of the Secured Obligations. To secure the prompt payment and performance of the Secured Obligations, each Debtor hereby grants, assigns, transfers and conveys to Secured Party, for the benefit of the Lender Group, a continuing security interest in all of such Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(i) all state (including common law) and federal trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by such Debtor, and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the PTO, any State of the United States (but excluding each application to register any trademark, service mark, or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark or service mark) and all extensions or renewals thereof, including without limitation any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in the name of the applicable Debtor or in the name of Secured Party or in the name of Secured Party for the benefit of the Lender Group for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Debtors' business symbolized by the Trademarks or associated therewith; and

(iv) all Proceeds of any and all of the foregoing.

(b) Continuing Security Interest. Each Debtor hereby agrees that this Agreement shall create a continuing security interest in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 18.

(c) Incorporation into Loan Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(d) Licenses. Anything in the Loan Agreement or this Agreement to the contrary notwithstanding, each Debtor may grant non-exclusive licenses of the Trademark Collateral (subject to the security interest of Secured Party therein) in the ordinary course of business consistent with past practice.

3. Further Assurances; Appointment of Secured Party as Attorney-in-Fact. Each Debtor at its expense shall execute and deliver, or cause to be executed and delivered, to Secured Party for the benefit of the Lender Group any and all documents and instruments, in form and substance reasonably satisfactory to Secured Party, and take any and all action, which Secured Party, in the exercise of its Permitted Discretion, may request from time to time, to perfect and continue the perfection or to maintain the priority of, or provide notice of the security interest in the Trademark Collateral held by Secured Party for the benefit of the Lender Group and to accomplish the purposes of this Agreement. If any Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party in accordance with the foregoing, Secured Party shall have the right, in the name of such Debtor, or in the name of Secured Party or otherwise, without notice to or assent by such Debtor, and each such Debtor hereby irrevocably constitutes and appoints Secured Party (and any of Secured Party's officers or employees or agents designated by Secured Party) as such Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of such Debtor on all or any of such documents or instruments and perform all other acts that Secured Party in the exercise of its Permitted Discretion deems necessary or advisable in order to perfect or continue the perfection of, maintain the priority or enforceability of or provide notice of the security interest in the Trademark Collateral held by Secured Party for the benefit of the Lender Group, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of such Debtor, which Secured Party, in the exercise of its Permitted Discretion, may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) after the occurrence and during the continuance of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) upon the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Secured Party to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 18.

4. Representations and Warranties. Each Debtor represents and warrants to each member of the Lender Group, in each case to the best of its knowledge, information, and belief, as follows:

(a) No Other Trademarks. Schedule A sets forth a true and correct list of all of the existing Trademarks that are registered, or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by such Debtor.

(b) Trademarks Subsisting. Each of the Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of such Debtor's knowledge, each of the Trademarks set forth on Schedule A is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) such Debtor has rights in and good and defensible title to the existing Trademark Collateral, (ii) with respect to the Trademark Collateral shown on Schedule A hereto as owned by it, such Debtor is the sole and exclusive owner thereof, free and clear of any Liens and rights of others (other than the security interest created hereunder and other than Permitted Liens), including licenses, registered user agreements and covenants by such Debtor not to sue third persons, and (iii) with respect to any Trademarks for which such Debtor is either a licensor or a licensee pursuant to a license or licensing agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, such Debtor is not in default of any of its obligations thereunder and, (i) other than the parties to such licenses or licensing agreements, or (ii) in the case of any non-exclusive license or license agreement entered into by such Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by such Debtor or any such licensor with any other Person, no other Person has any rights in or to any of the Trademark Collateral. To the best of each Debtor's knowledge, the past, present and contemplated future use of the Trademark Collateral by such Debtor has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person.

(d) No Infringement. To such Debtor's knowledge, no (i) material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) the past, present, and contemplated future use of the Trademark Collateral by such Debtor has not, does not and will not infringe upon or violate any right, privilege, or license agreement of or with any other Person.

(e) Powers. Each such Debtor has the unqualified right, power and authority to pledge and to grant to Secured Party a security interest in all of the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. Each Debtor covenants that so long as this Agreement shall be in effect, each such Debtor shall:

(a) Compliance with Law. Comply, in all material respects, with all applicable statutory and regulatory requirements in connection with any and all of the Trademark Collateral and give such notice of trademark, prosecute such material claims, and do all other acts and take all other measures which, in such Debtor's reasonable business judgment, may be necessary or desirable to preserve, protect and maintain such Trademark Collateral and all of such Debtor's rights therein, including diligently prosecute any material trademark application pending as of the date of this Agreement or thereafter, other than statutory and regulatory requirements the non-compliance with which, individually or in the aggregate, would not result in a Material Adverse Change;

(b) Compliance with Agreement. Comply with each of the terms and provisions of this Agreement, the Loan Agreement, and the other Loan Documents, and not enter into any agreement (for example, a license agreement) which is inconsistent with the obligations of such Debtor under this Agreement without Secured Party's prior written consent; and

(c) Lien Protection. Not permit the inclusion in any contract to which such Debtor becomes a party of any provision that could impair or prevent the creation of security interests in favor of Secured Party, for the benefit of the Lender Group, in such Debtor's rights and interest in the Trademark and the Trademark Collateral, and each such Debtor will promptly give Secured Party written notice of the occurrence of any event that could have a material adverse effect on any of the Trademark or the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which such Debtor is a licensee.

6. Future Rights. For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until Secured Party shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when any Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and the applicable Debtor shall give to Secured Party prompt notice thereof. Each Debtor shall do all things reasonably deemed necessary or advisable by Secured Party in the exercise of its Permitted Discretion to ensure the validity, perfection, priority and enforceability of the security interests of Secured Party in such future acquired Trademark Collateral. If any Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Secured Party in connection herewith, each Debtor hereby authorizes Secured Party to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on such Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Duties of Secured Party and the Lender Group. Notwithstanding any provision contained in this Agreement, neither Secured Party nor any other member of the Lender Group shall have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to the Debtors or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Secured Party or any other member of the Lender Group hereunder or in connection herewith, neither Secured Party nor any member of the Lender Group shall have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of any "Event of Default" under the Loan Agreement shall constitute an Event of Default hereunder.

9. Remedies. From and after the occurrence and during the continuation of an Event of Default, Secured Party shall have all rights and remedies available to it under the Loan Agreement, any other Loan Documents and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral or any other Collateral. Each Debtor hereby agrees that such rights and remedies include the right of Secured

Party as a secured party to sell or otherwise dispose of the Trademark Collateral after default, pursuant to UCC Section 9-504. Each Debtor hereby agrees that Secured Party shall at all times have such royalty-free licenses, to the extent permitted by law and the Loan Documents, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Secured Party's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of such Debtor in which Secured Party has a security interest, including Secured Party's rights to sell inventory, tooling or packaging which is acquired by such Debtor (or its successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Secured Party shall have the right but shall in no way be obligated to bring suit, or to take such other action as Secured Party deems necessary or advisable, in the name of any Debtor or Secured Party, to enforce or protect any of the Trademark Collateral, in which event any such Debtor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement. To the extent that Secured Party shall elect not to bring suit to enforce such Trademark Collateral after the occurrence and during the continuation of an Event of Default, the applicable Debtor agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violations thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by each of the Debtors and Secured Party for the benefit of the Lender Group and their respective successors and assigns.

11. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the federal laws of the United States of America and the laws of the State of New York.

13. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules hereto and thereto, contain the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties as provided in the Loan Agreement. Notwithstanding the foregoing, Secured Party may reexecute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

15. Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement.

16. Loan Agreement. Each Debtor acknowledges that the rights and remedies of Secured Party held for the benefit of the Lender Group with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and all such rights and remedies are cumulative.

17. No Inconsistent Requirements. In the event of a direct conflict between the terms and provisions contained in this Agreement and the terms and provisions contained in the Loan Agreement, it is the intention of the parties hereto that such terms and provisions in such documents shall be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Loan Agreement shall control and govern.

18. Termination. Upon the payment and performance in full in cash of the Secured Obligations, including the cash collateralization, expiration, or cancellation of all Secured Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Secured Party shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtors and at Debtors' expense, as shall be reasonably necessary to evidence termination of the security interests granted by Debtors to Secured Party for the benefit of the Lender Group hereunder.
