RELEASE AND REASSIGNMENT

FINOVA Capital Corporation ("Lender"), a Delaware corporation, hereby releases in full its security interest arising under that Trademark and Patent Security Agreement (the "Security Agreement") executed by Cadi Acquisition Corporation, a Colorado corporation and Practiceworks Systems, LLC, a Georgia corporation (collectively, the "Debtor"), which Security Agreement is of record in the United States Patent and Trademark Office.

In addition, by this Release and Reassignment, and for the sole purpose of further evidencing the release of Lender's security interest, Lender hereby reassigns and transfers to Debtor, without any representation or warranty, all of Lender's interest in the trademark registrations listed of Exhibit A hereto:

This document may be filed in the United States Patent and Trademark Office and in any other appropriate public offices, all at Debtor's expense.

TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this "Agreement"), dated as of March 5, 2001, is among **CADI ACQUISITION CORPORATION**, a Colorado corporation ("CADI"), **PRACTICEWORKS SYSTEMS, LLC**, a Georgia limited liability company ("PracticeWorks Systems") (CADI and PracticeWorks Systems sometimes hereinafter are referred to individually as a "Debtor" and collectively as "Debtors"), and **FINOVA CAPITAL CORPORATION**, a Delaware corporation ("Secured Party").

RECITALS:

A. PracticeWorks, Inc., a Delaware corporation ("Borrower"), and Secured Party have entered into that certain Loan Agreement of even date herewith (as the same maybe be amended, modified, supplemented or restated from time to time, the "Loan Agreement"), pursuant to which Secured Party has agreed to make loans and other financial accommodations (collectively, the "Loans") to Borrower, subject to the terms and conditions set forth in the Loan Agreement.

B. To induce Secured Party to enter into the Loan Agreement and to make the Loans under the Loan Agreement, Debtors have agreed (i) to guaranty, jointly and severally, Borrower's Obligations pursuant to that certain Subsidiary Guaranty of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Guaranty") by Debtors to and for the benefit of Secured Party and (ii) to enter into that certain Subsidiary Security Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement") with Secured Party to secure the payment, performance and observance of their joint and several liabilities and obligations under the Guaranty (collectively, "Guarantors' Obligations") and Borrower's Obligations.

C. As further inducement to Secured Party to make the Loans, each Debtor has agreed to enter into this Agreement to further secure the payment, performance and observance of Guarantors' Obligations and Borrower's Obligations by granting to Secured Party a continuing security interest in all of the "Trademark Collateral" (as defined below) of such Debtor to secure Guarantors' Obligations and Borrower's Obligations.

D. Each Debtor has duly authorized the execution, delivery and performance of this Agreement.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, and in order to induce Secured Party to make the Loans to Borrower pursuant to the Loan Agreement, each Debtor agrees, for the benefit of Secured Party, as follows:

1. **Definitions.** Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement.

2. **Grant of Security Interest.** For good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, to secure Guarantors' Obligations and Borrower's Obligations, each Debtor does hereby grant to Secured Party a continuing security interest in all of the following Property of such Debtor (collectively, the "Trademark Collateral"), whether now owned or existing and hereafter acquired or arising:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade dress, service marks, certification marks, collective marks, logos, other sources of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (each of the foregoing items in this clause (a) being called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, including those referred to in Item A of Attachment 1 hereto;

(b) all Trademark licenses, including each Trademark license referred to in Item B of Attachment 1 hereto;

(c) all reissues, extensions or renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in clauses (a) and (b); and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by such Debtor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration, or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in Item A and Item B of Attachment 1 hereto, or for any injury to the goodwill associated with the use of any Trademark or for breach or enforcement of any Trademark license.

3. **Security Agreement.** This Agreement has been executed and delivered by each Debtor for the purpose of registering the security interest of Secured Party in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

4. **Release of Security Interest.** Upon payment and performance in full of Guarantors' Obligations and Borrower's Obligations and the termination of the Commitments, Secured Party shall, at Debtors' expense, execute and deliver to Debtors all instruments and documents as may be necessary or proper to release the Lien on and security interest in the Trademark Collateral which has been granted hereunder.

5. **Acknowledgment.** Each Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

6. **Loan Document, Etc.** This Agreement is a Loan Document executed pursuant to the Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Loan Agreement.

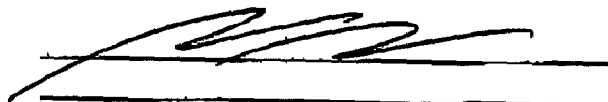

7. **Counterparts.** This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

[Signature Page Follows.]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
