ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

THIS ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS ("Agreement"), dated and effective as of October 1, 2002, is made by and between Lee Enterprises, Incorporated, a Delaware corporation ("LEE"), and Lee Procurement Solutions Co., an Iowa corporation ("LPS").

RECITALS

In order to achieve certain operational goals of LEE including, without limitation, (i) to consolidate the ownership of LEE's intellectual property more particularly described in **Schedule 1** attached hereto (collectively, the "Intellectual Property") into a separate legal entity, and (ii) to enhance the management and use of and analyze the performance and value of Intellectual Property, LEE desires to assign the Intellectual Property to LPS, according to the terms and conditions of this Agreement and the Asset Contribution Agreement of even date between the parties hereto (the "Contribution Agreement").

In consideration of the recitals and the mutual promises, covenants and agreements contained herein and in the Contribution Agreement, and such other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. **Assignment.** LEE does hereby assign and transfer unto LPS all of its right, title and interest in and to the Intellectual Property, and all rights to sue for and receive all damages occurring from past infringements of the Intellectual Property.

2. **Cooperation and Protection.** LEE hereby agrees to cooperate in any and all efforts of LPS necessary to register with any governmental authorities the Intellectual Property or otherwise evidence the proprietary rights of LPS in the Intellectual Property conferred hereby. LEE further agrees to cooperate in any and all efforts of LPS necessary to effectuate the transfer of the Intellectual Property to LPS, including but not limited to, execution and delivery of additional instruments required to effectively consummate the transactions contemplated by this Assignment, and to cooperate with LPS in the protection and defense of LPS' proprietary interest in the Intellectual Property conferred hereby.

3. **No Other Assignment.** LEE represents and warrants that LEE has not sold, assigned, transferred, conveyed or licensed the Intellectual Property to any third party.

4. **No Amendment.** Nothing herein contained shall modify, amend or otherwise effect the duties, obligations, liabilities, warranties, or representations of LPS and LEE set forth in the Contribution Agreement.

5. **Binding Effect.** This Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

6. **Counterparts.** This Assignment may be executed in one or more counterparts and shall be effective upon its execution by all parties to this Assignment.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment of Intellectual Property Rights on the date first written above.
