CONVERTIBLE NOTE

THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED. IT MAY NOT BE SOLD, OFFERED FOR SALE, PLEDGED OR HYPOTHECATED IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT AS TO THE SECURITIES UNDER SAID ACT OR AN EXEMPTION FROM SUCH REGISTRATION.

CONVERTIBLE SECURED PROMISSORY NOTE

\$10,000.00
Chicago, Illinois

Dated as of March 14, 2002

FOR VALUE RECEIVED, GlobalView Software, Inc. (the "Company"), hereby promises to pay to Chris L. Hodgson ("Payee"), on March 14, 2003, or such earlier date as provided for herein (the "Maturity Date"), the aggregate principal sum of Ten Thousand Dollars and No Cents (\$10,000.00), or, if less, the aggregate unpaid principal amount of this Convertible Promissory Note (this "Note"), with interest on the principal sum hereof, as set forth below. The Company may extend the Maturity Date for one additional six-month period (the last day of such extended period is referred to herein as the "Extended Maturity Date") upon written notice delivered to Payee at least ten (10) business days prior to the Maturity Date provided, however that in the event the Company elects to extend the Maturity Date, then the Company shall issue to Payee a warrant to purchase 500 shares of the Company's Series B Convertible Preferred Stock, par value \$0.001 per share (the "Series B Preferred") in the form attached hereto as Exhibit A.

Section 1. Payment of Interest; Repayment of Principal.

This Note will bear interest, which interest shall accrue on a daily basis on the outstanding principal and unpaid interest hereon, at the rate of fourteen percent (14%) per annum (compounded annually), commencing on the date hereof. Accrued and unpaid interest will be payable on the Maturity Date (or the Extended Maturity Date) or any earlier payment of all principal in full. Unless otherwise specified herein, no payments of principal or interest on this Note are required to be made prior to the Maturity Date or the Extended Maturity Date.

The Company may prepay all, but not less than all, of the principal and interest of this Note without the prior written consent of Payee and without penalty; provided, however, in the event the Company intends to make any prepayment of the Note, the Company shall give Payee at least 10 days advance written notice of such intent and Payee may elect (in lieu of such prepayment by the Company) to immediately convert the principal amount hereof plus all accrued and unpaid interest hereon into shares of Election Stock (as such term is defined below) in accordance with the provisions of Section 2(b) below as if the date of such election by Payee were the Maturity Date for purposes of Section 2(b) below.

Section 2. Conversion.

(a) Mandatory Conversion Upon Subsequent Equity Financing. In the event that the Company at any time after the date hereof issues any equity securities (or security convertible into equity securities) of the Company for cash or cancellation of

indebtedness in an equity financing in which the aggregate gross consideration received by the Company exceeds \$2,000,000; provided, however, that such amounts shall not include equity securities issued in connection with the conversion of Convertible Secured Promissory Notes issued pursuant to or in connection with any Convertible Note Purchase Agreements executed by the Company dated as of December 31, 2001 (a "Qualified Equity Financing"), then, concurrently with such Qualified Equity Financing, the principal amount hereof and any accrued and unpaid interest hereon shall convert into shares of Election Stock (as defined below) on the basis of that number of shares of Election Stock as shall be obtained by dividing the aggregate amount to be converted by the Adjusted Conversion Price (as defined below), as such number of shares is proportionately adjusted for subsequent stock splits, stock combinations, stock dividends and recapitalizations and similar events affecting the Series B Preferred.

As used herein, "Adjusted Conversion Price" shall mean (i) upon the occurrence of a Qualified Equity Financing, an amount equal to the per share sale price for the Series B Preferred in such Qualified Equity Financing but in no event in excess of \$5.00 per share or (ii) prior to a Qualified Equity Financing, \$2.00 per share.

As used herein, "Election Stock" shall mean, at the election of the holder of this Note, either (i) shares of the Series B Preferred or (ii) shares of the equity security issued in the Qualified Equity Financing (the "Future Financing Security"). If the holder of this Note elects to convert this Note into shares of the Future Financing Security, the terms of the issuance of the Future Financing Security to the holder of this Note shall be identical to the most favorable terms received by any of the other investors in the Qualified Equity Financing.

(b) Optional Conversion Upon Maturity. In the event that the Company has not concluded a Qualified Equity Financing by the original Maturity Date of this Note (without giving effect to any extension thereof), at Payee's sole election, Payee may, on the Maturity Date, convert all or part of the principal amount hereof and any accrued and unpaid interest hereon into shares of Series B Preferred on the basis of that number of shares of Series B Preferred as shall be obtained by dividing the aggregate amount to be converted by the Adjusted Conversion Price, as such number of shares is proportionately adjusted for subsequent stock splits, stock combinations, stock dividends and recapitalizations and similar events affecting the Series B Preferred.

(c) Conversion Procedure. Upon written notice of Payee's election to convert all or a part of the principal amount hereof and any accrued and unpaid interest hereon, the Company shall, as soon as practicable after receipt of such notice, at its expense, take all necessary steps to accommodate such conversion, including, without limitation, causing its charter to be amended to authorize sufficient shares of the capital stock into which this Note is to be converted pursuant to subsection (a) or (b) above (the "Conversion Stock"), if necessary, and will cause to be issued in the name of and delivered to the holder of this Note, a certificate or certificates for the number of fully paid and nonassessable shares of Conversion Stock to which the holder shall be entitled upon such conversion. No fractional shares will be issued on conversion of this Note. If on conversion of this Note, a fraction of a share results, the Company will pay the cash

value of that fractional share, calculated on the basis of the issue price of the Conversion Stock.

(d) In the event that there have been no sales of Series B Preferred on or prior to the original Maturity Date the Payee shall have the right to demand that the Company authorize the issuance of Series B Preferred Stock, which Series B Preferred Stock shall have the same terms, rights and preferences as those of the Company's Series A Convertible Preferred Stock, par value \$0.001 per share, except for the liquidation value and exercise price of the Series B Preferred Stock. Upon the authorization of such Series B Preferred, the Payee shall be entitled to convert all or a portion of the principal amount hereof, and any interest payable thereon, in accordance with the terms of Section 2(b) hereof.

(e) Notwithstanding anything to the contrary in this Note, in the event that the Company issues Series B Preferred Stock in a transaction or series of transactions, taken as a whole, that do not constitute a Qualified Equity Financing, then the rights of the Series B Preferred Stock, issuable upon conversion of this Note, upon liquidation or dissolution of the Company, shall be prior to and take preference over the rights upon liquidation or dissolution of the shares of the Company's Series A Convertible Preferred Stock.

Section 3. Security.
