ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

WHEREAS, Altarus Corporation, a Virginia corporation, whose last address was 8470 Tyco Road, Vienna, VA 22182 ("COMPANY"), is the owner of certain intellectual property, including all copyrights, mask works, trade secrets, know-how, computer software, all assignable licenses, discoveries, inventions (whether or not patentable), processes, products, apparatus, formulas, drawings, data, notebooks, records, reports, designs, shop rights, trademarks, service marks, manufacturing or engineering instructions and other technical information and the like, used by COMPANY in connection its business, and all registrations and applications for any of the foregoing (the "Intellectual Property").

AND, WHEREAS, D. Graham, L.C., a Virginia limited liability company, the collateral agent designated as the entity to hold the Intellectual Property for the benefit of D. Graham, L.C., M&M Chandler, L.C., Rock, L.C., Ken Crocker, Sidney Phillips, George Blocker and Trantech, Inc., (hereinafter "ASSIGNEE"), is desirous of acquiring all of the right title and interest to the Intellectual Property.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) or the equivalent thereof, and other good and valuable consideration, receipt of which is hereby acknowledged, COMPANY does hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, its entire right, title and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto in and to said Intellectual Property, including without limitation:

(i) each and every provisional application and United States applications, including provisional, divisional, renewal, substitute, continuation, reexamination and reissue applications, based in whole or in part on any of the Intellectual Property and any of the following applications, any foreign applications, including international and regional applications, based in whole or in part on any of the Intellectual Property and any of the following applications, and in and to any and all letters patent, including extensions thereof, of any country which have been or may be granted based in whole or in part on any of the Intellectual Property and any of the following applications:

	Application Number	Description of Invention
1	60346304	System, method and computer program product for providing accelerated and secure wireless data transmission over Internet

2	60231802	System, method and computer program product for providing accelerated and secure wireless data transmission over Internet
3	60275154	System, method and computer program product for providing accelerated and secure wireless data transmission over Internet

(ii) each and every registered and unregistered trademark, service mark, name, logo or design mark, together with the good will of the business symbolized by the foregoing, based in whole or in part on the Intellectual Property and any of the following applications or registrations:

	Serial Number	Reg. Number	Description of Mark
1	76215106	2708475	ALTARUS

(iii) each and every copyrightable work based in whole or in part on the Intellectual Property and the following applications and registrations, including the right to reproduce, the right to prepare derivative works, the right to distribute copies and the right to display publicly and all other such rights as exist under copyright law in the United States and throughout the world:

(iv) all other right, title and interest to the Intellectual Property.

AND the COMPANY does hereby authorize, Wiley Rein & Fielding LLP, whose address is 1776 K Street, NW, Washington, D.C., 20006, to insert hereon any identification necessary or desirable for recordation of this document;

AND the COMPANY does hereby agree for itself and its successors and assigns, to execute without further consideration any further documents and instruments which may be necessary, lawful and proper in the prosecution of said above-referenced applications or in the preparation or prosecution of any continuing, substitute, divisional, renewal, reexamination or reissue application or in any amendments, extensions or interference proceedings, that may be

necessary to secure to ASSIGNEE its interest and title in and to said Intellectual Property or any parts thereof, and in and to said several patents or any of them;

AND the COMPANY does hereby covenant for itself, and agree with said ASSIGNEE, its successors and assigns, that it has granted no right, title or interest in or to the Intellectual Property to anyone except said ASSIGNEE, that prior to the execution of this deed, COMPANY's right, title and interest in said invention has not been otherwise encumbered, and that COMPANY has not and will not execute any instrument in conflict therewith;

AND I do hereby authorize and request the United States Commissioner for Patents to issue any and all letters patent, which may be granted upon said United States applications, or upon said invention or any parts thereof when granted, to said ASSIGNEE.

IN WITNESS WHEREOF, the COMPANY has hereunto set its hand and seal.
