TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT

THIS TRADEMARK COLLATERAL ASSIGNMENT AND SECURITY AGREEMENT (this "**Agreement**"), dated as of October 3, 2002, is by and between DIXON TICONDEROGA COMPANY, a Delaware corporation (the "**Debtor**"), with its chief executive office at 195 International Parkway, Heathrow, Florida 32746 and STATE STREET BANK AND TRUST COMPANY, a Massachusetts trust company, having an office at 225 Asylum Street, 23rd Floor, Hartford, Connecticut 06103, in its capacity as collateral agent (the "**Collateral Agent**") for its own benefit and the benefit of the Noteholders under a certain Amended and Restated Note and Warrant Purchase Agreement, dated as of October 3, 2002 (the "**Restated Note Agreement**"), among the Debtor and the Noteholders. Terms used herein and not defined shall have the respective meanings ascribed to them in the Restated Note Agreement.

WITNESSETH:

WHEREAS, the Debtor has adopted, used and is using, and is the owner of the entire right, title, and interest in and to the trademarks, trade names, terms, designs and applications therefor described in Exhibit A hereto and made a part hereof; and

WHEREAS, the Debtor has entered into the Restated Note Agreement with the Noteholders pursuant to which the Debtor is justly indebted to the Noteholders (i) in the principal amount of Sixteen Million Five Hundred Thousand Dollars (\$16,500,000) which amount is evidenced by certain Restated Notes and (ii) in the principal amount of Five Hundred Seventy-One Thousand Four Hundred Sixty-Six and 00/100 Dollars (\$571,446.00) which amount is evidenced by certain PIK Notes; and

WHEREAS, it is a condition precedent to the Noteholders entering into the Restated Note Agreement and exchanging the Existing Notes for the Restated Notes and accepting the PIK Notes that the Debtor execute and deliver to the Collateral Agent, for the benefit of the Noteholders and the Collateral Agent, an agreement in substantially the form hereof to secure the Obligations (as hereinafter defined); and

WHEREAS, the obligations (the "**Obligations**") secured by this Agreement shall be any and all Indebtedness and all other obligations and liabilities of the Debtor to the Collateral Agent or the Noteholders, individually or collectively, whether direct or indirect, joint or several, absolute or contingent, due or to become due, now existing or hereafter arising under or in respect of the Restated Note Agreement, the Restated Notes, the PIK Notes, this Agreement, or any other document evidencing or securing the Restated Notes or any of the Debtor's other Obligations (collectively, the "**Financing Documents**"); and

WHEREAS, the Debtor desires to grant a security interest in favor of the Collateral Agent, for the benefit of the Noteholders and the Collateral Agent, as herein provided.

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby agrees as follows:

1. GRANT OF SECURITY INTEREST

As collateral security for the prompt performance, observance and indefeasible payment in full of all of the Obligations, the Debtor hereby grants to the Collateral Agent, for the benefit of the Noteholders and the Collateral Agent, a continuing security interest in and a general lien upon, and a conditional assignment of, the following (being collectively referred to herein as the "**Collateral**"): (a) all of the Debtor's now existing or hereafter acquired right, title, and interest in and to: (i) all of the Debtor's trademarks, tradenames, trade dress and service marks and all applications, registrations and recordings relating to the foregoing as may at any time be filed in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof, any political subdivision thereof or in any other country, including, without limitation, the trademarks, terms, designs and applications described in Exhibit A hereto (collectively, the "Trademarks") and in Exhibit B hereto (collectively, the "Exhibit B Collateral"), together with all rights and privileges arising under applicable law with respect to the Debtor's use of any trademarks, tradenames, trade dress and service marks, and all reissues, extensions, continuation and renewals thereof; and (ii) all prints and labels on which such trademarks, tradenames, tradestyles and service marks appear, have appeared or will appear, and all designs and general intangibles of a like nature; (b) the goodwill of the business symbolized by each of the Trademarks, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks; (c) all income, fees, royalties and other payments at any time due or payable with respect thereto, including, without limitation, payments under all licenses at any time entered into in connection therewith; (d) the right to sue for past, present and future infringements thereof; (e) all rights corresponding thereto throughout the world; and (f) any and all other proceeds of any of the foregoing, including, without limitation, damages and payments or claims by the Debtor against third parties for past or future infringement of the Trademarks.

2. OBLIGATIONS SECURED

The security interest, lien and other interests granted to the Collateral Agent pursuant to this Agreement shall secure the prompt performance, observance and payment in full of any and all of the Obligations. As long as the Debtor is not in default under the Financing Documents, the Collateral Agent hereby grants to the Debtor a fully paid-up exclusive license under all Trademarks, all prints and labels on which such Trademarks appear, have appeared or will appear, and all designs and general intangibles of a like nature identified as Collateral herein, and notwithstanding the above paragraph, such exclusive license includes: (a) the goodwill of the business symbolized by each Trademark, including, without limitation, all customer lists and other records relating to the distribution of products or services bearing the Trademarks, (b) the right to all income, fees, royalties, and other payments or proceeds at any time due or payable with respect thereto, (c) the right to sue for past, present and future infringement of the Trademarks, and (d) any and all other proceeds of any of the foregoing, including without limitation, damages and payments or claims by the Debtor against third parties for past or future infringement of the Trademarks.

3. REPRESENTATIONS, WARRANTIES AND COVENANTS

The Debtor hereby represents, warrants and covenants with and to the Collateral Agent the following (all of such representations, warranties and covenants being continuing so long as any of the Obligations are outstanding):

(a) The Debtor shall pay and perform all of the Obligations according to their terms.

(b) All of the existing Trademarks are in full force and effect, and the Debtor owns the sole, full and clear title thereto, and the right and power to grant the security interest and conditional assignment granted hereunder. The Debtor shall, at the Debtor's expense, perform all acts and execute all documents necessary to maintain the existence of the Trademarks, including, without limitation, the filing of any renewal affidavits and applications with respect to registered trademarks. The Trademarks and Exhibit B Collateral are not subject to any valid liens, claims, mortgages, assignments, licenses, security interests or encumbrances of any nature whatsoever, except: (i) the security interests granted pursuant to the Senior Credit Documents, (ii) hereunder and pursuant to the Financing Documents, (iii) the security interests permitted under the Restated Note Agreement, and (iv) the licenses permitted under Section 3(e) below.

(c) The Debtor shall not assign, sell, mortgage, lease, transfer, pledge, hypothecate, grant a security interest in or lien upon, encumber, grant an exclusive or non-exclusive license relating to the Trademarks or Exhibit B Collateral, or otherwise dispose of any of the Trademarks, in each case without the prior written consent of the Collateral Agent, except as otherwise permitted herein or in the Restated Note Agreement. Nothing in this Agreement shall be deemed a consent by the Collateral Agent to any such action, except as such action is expressly permitted hereunder.

(d) The Debtor shall, at the Debtor's expense, promptly perform all acts and execute all documents requested at any time by the Collateral Agent to evidence, perfect, maintain, record or enforce the security interest in and conditional assignment of the Trademarks and Exhibit B Collateral granted hereunder or to otherwise further the provisions of this Agreement. The Debtor hereby authorizes the Collateral Agent to execute and file one or more financing statements (or similar documents) with respect to the Trademarks and Exhibit B Collateral, signed only by the Collateral Agent or as otherwise determined by the Collateral Agent. The Debtor further authorizes the Collateral Agent to have this Agreement or any other similar security agreement filed with the Commissioner of Patents and Trademarks or any other appropriate federal, state or government office.

(e) As of the date hereof, the Debtor does not have any Trademarks registered, or subject to pending applications, in the United States Patent and Trademark Office or any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, other than those described in Exhibit A hereto and has not granted any licenses with respect thereto other than to Debtor's subsidiaries.

(f) The Debtor shall, concurrently with the execution and delivery of this Agreement, execute and deliver to the Collateral Agent five (5) originals of a Special Power of Attorney in the form of Exhibit C annexed hereto for the implementation of the assignment, sale or other disposition of the Collateral pursuant to the Collateral Agent's exercise of the rights and remedies granted to the Collateral Agent hereunder.

(g) The Collateral Agent may, in its discretion, pay any amount or do any act which the Debtor fails to pay or do as required hereunder or as requested by the Collateral Agent to preserve, defend, protect, maintain, record or enforce the Obligations, the Collateral, or the security interest and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, attorneys' fees and legal expenses. The Debtor shall be liable to the Collateral Agent for any such payment, which payment shall be deemed an advance by the Collateral Agent to the Debtor, shall be payable on demand together with interest at the rate then applicable to the Obligations set forth in the Restated Note Agreement and shall be part of the Obligations secured hereby.

(h) The Debtor shall not file any application for the registration of a Trademark with the United States Patent and Trademark Office or any similar office or agency in the United States, unless the Debtor has given the Collateral Agent thirty (30) days prior written notice of such action. If the Debtor deems it necessary to file such a registration prior to receiving approval from the Collateral Agent, the Debtor is allowed to do so upon written notice to the Collateral Agent and subject to the Collateral Agent's right to instruct the Debtor to withdraw such an application. If, after the date hereof, the Debtor (i) obtains any registered trademark or tradename, or apply for any such registration in the United States Patent and Trademark Office or in any similar office or agency in the United States, any State thereof, any political subdivision thereof or in any other country, or (ii) becomes the owner of any trademark registrations or applications for trademark registration used in the United States or any State thereof, political subdivision thereof or in any other country, the provisions of this Agreement shall automatically apply thereto. Upon the request of the Collateral Agent, the Debtor shall promptly execute and deliver to the Collateral Agent any and all assignments, agreements, instruments, documents and such other papers as may be requested by the Collateral Agent to evidence the security interest in and conditional assignment of such Trademark in favor of the Collateral Agent.

(i) The Debtor has not abandoned any of the Trademarks and the Debtor will not do any act, nor omit to do any act, whereby the Trademarks may become abandoned, invalidated, unenforceable, avoided, or avoidable without written approval by the Collateral Agent. the Debtor shall notify the Collateral Agent immediately if it knows or has reason to know of any reason why any application, registration, or recording with respect to the Trademarks may become abandoned, canceled, invalidated, avoided, or avoidable.

(j) The Debtor shall render any assistance, as the Collateral Agent shall determine is necessary, to Secured Parry in any proceeding before the United States Patent and Trademark Office, any federal or state court, or any similar office or agency in

the United States, any State thereof, any political subdivision thereof or in any other country, to maintain such application and registration of the Trademarks as the Debtor's exclusive property and to protect the Collateral Agent's interest therein, including, without limitation, filing of renewals, affidavits of use, affidavits of incontestability and opposition, interference, and cancellation proceedings.

(k) No material infringement or unauthorized use presently is being made of any of the Trademarks that would adversely affect in any material respect the fair market value of the Trademarks or the benefits of this Agreement granted to the Collateral Agent, including, without limitation, the validity, priority or perfection of the security interest granted herein or the remedies of the Collateral Agent hereunder. the Debtor shall promptly notify the Collateral Agent if the Debtor (or any affiliate or subsidiary thereof) learns of any use by any person of any term or design which infringes on any Trademark or is likely to cause confusion with any Trademark. If requested by the Collateral Agent, the Debtor, at the Debtor's expense, shall join with the Collateral Agent in such action as the Collateral Agent, in the Collateral Agent's discretion, may deem advisable for the protection of the Collateral Agent's interest in and to the Trademarks.

(l) The Debtor assumes all responsibility and liability arising from the use of the Trademarks and the Debtor hereby indemnifies and holds the Collateral Agent harmless from and against any claim, suit, loss, damage, or expense (including attorneys' fees and legal expenses) arising out of any alleged defect in any product manufactured, promoted, or sold by the Debtor (or any affiliate or subsidiary thereof) in connection with any Trademark or out of the manufacture, promotion, labeling, sale or advertisement of any such product by the Debtor (or any affiliate or subsidiary thereof). The foregoing indemnity shall survive the payment of the Obligations, the termination of this Agreement and the termination or non-renewal of the Restated Note Agreement.

(m) The Debtor shall promptly pay the Collateral Agent for any and all expenditures made by the Collateral Agent pursuant to the provisions of this Agreement or for the defense, protection or enforcement of the Obligations, the Collateral, or the security interests and conditional assignment granted hereunder, including, but not limited to, all filing or recording fees, court costs, collection charges, travel expenses, and attorneys' fees and legal expenses. Such expenditures shall be payable on demand, together with interest at the rate then applicable to the Obligations set forth in the Restated Note Agreement and shall be part of the Obligations secured hereby.

(n) Except as set forth above, Debtor makes no representations or warranties with respect to the Exhibit B Collateral except that (i) Debtor does not now use any of the Exhibit B Collateral, (ii) Debtor does not believe that any of the Exhibit B Collateral has more than nominal value, (iii) Debtor and its subsidiaries have no inventory bearing or utilizing any trademarks or rights arising from the Exhibit B Collateral and (iv) Debtor agrees that it will not use any of the Exhibit B Collateral in the future without the advance written consent of the Secured Party.

4. EVENTS OF DEFAULT

All Obligations shall become immediately due and payable, without notice or demand, at the option of the Collateral Agent, upon the occurrence of any Event of Default, as such term is defined in the Restated Note Agreement (each an "**Event of Default**" hereunder).

5. RIGHTS AND REMEDIES

At any time an Event of Default exists or has occurred and is continuing, in addition to all other rights and remedies of the Collateral Agent, whether provided under this Agreement, the Restated Note Agreement, the other Financing Documents, applicable law or otherwise, the Collateral Agent shall have the following rights and remedies which may be exercised without notice to, or consent by, the Debtor unless specifically required in this Agreement, the Restated Note Agreement or non-waivable under applicable law:

(a) The Collateral Agent may make use of any Trademarks for the sale of goods, completion of work-in-process or rendering of services in connection with enforcing any other security interest granted to the Collateral Agent by the Debtor or any subsidiary or affiliate of the Debtor or for such other reason as the Collateral Agent may determine after the occurrence of an Event of Default.

(b) The Collateral Agent may grant such license or licenses relating to the Collateral for such term or terms, on such conditions, and in such manner, as the Collateral Agent shall in its discretion deem appropriate after the occurrence of an Event of Default. Such license or licenses may be general, special or otherwise, and may be granted on an exclusive or non-exclusive basis throughout all or any part of the United States of America, its territories and possessions, and all foreign countries.

(c) The Collateral Agent may assign, sell or otherwise dispose of the Collateral or any part thereof, either with or without special conditions or stipulations except that if notice to the Debtor of intended disposition of Collateral is required by law, the giving of five (5) days prior written notice to the Debtor of any proposed disposition shall be deemed reasonable notice thereof and the Debtor waives any other notice with respect thereto. The Collateral Agent shall have the power to buy the Collateral or any part thereof, and the Collateral Agent shall also have the power to execute assurances and perform all other acts which the Collateral Agent may, in its discretion, deem appropriate or proper to complete such assignment, sale, or disposition. In any such event, the Debtor shall be liable for any deficiency.

(d) In addition to the foregoing, in order to implement the assignment, sale, or other disposition of any of the Collateral pursuant to the terms hereof, the Collateral Agent may at any time execute and deliver on behalf of the Debtor, pursuant to the authority granted in the Powers of Attorney described in Section 3(f) hereof, one or more instruments of assignment of the Trademarks (or any application, registration, or recording relating thereto), in form suitable for filing, recording, or registration. The Debtor agrees to pay the Collateral Agent on demand all costs incurred in any such transfer of the Collateral, including, but not limited to, any taxes, fees, and attorneys' fees

and legal expenses. the Debtor agrees that the Collateral Agent has no obligation to preserve rights to the Trademarks against any other parties.

(e) The Collateral Agent may first apply the proceeds actually received from any such license, assignment, sale or other disposition of any of the Collateral to the costs and expenses thereof, including, without limitation, attorneys' fees and all legal, travel and other expenses which may be incurred by the Collateral Agent. Thereafter, the Collateral Agent may apply any remaining proceeds to such of the Obligations as the Collateral Agent may in its discretion determine. The Debtor shall remain liable to the Collateral Agent for any of the Obligations remaining unpaid after the application of such proceeds, and the Debtor shall pay the Collateral Agent on demand any such unpaid amount, together with interest at the rate then applicable to the Obligations set forth in the Restated Note Agreement.

(f) The Debtor shall supply to the Collateral Agent or to the Collateral Agent's designee, the Debtor's knowledge and expertise relating to the manufacture and sale of the products and services bearing the Trademarks and the Debtor's customer lists and other records relating to the Trademarks and the distribution thereof.

(g) Nothing contained herein shall be construed as requiring the Collateral Agent to take any such action at any time. All of the Collateral Agent's rights and remedies, whether provided under this Agreement, the other Financing Documents, applicable law, or otherwise, shall be cumulative and none is exclusive. Such rights and remedies may be enforced alternatively, successively, or concurrently.

6. **JURY TRIAL WAIVER; OTHER WAIVERS AND CONSENTS; GOVERNING LAW**

(a) The validity, interpretation and enforcement of this Agreement and the other Financing Documents and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of New York but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of New York.

(b) The Debtor and the Collateral Agent irrevocably consent and submit to the non-exclusive jurisdiction of the Supreme Court of the State of New York for New York County and the United States District Court for the Southern District of New York, whichever Lender may elect, and waive any objection based on venue or forum non conveniens with respect to any action instituted therein arising under this Agreement or any of the other Financing Documents or in any way connected or related or incidental to the dealings of the Debtor and the Collateral Agent in respect of this Agreement or the other Financing Documents or the transactions related hereto or thereto, in each case whether now existing or thereafter arising, and whether in contract, tort, equity or otherwise, and agree that any dispute with respect to any such matters shall be heard only in the courts described above (except that the Collateral Agent shall have the right to bring any action or proceeding against the Debtor or its property in the courts of any

other jurisdiction having personal jurisdiction over the Debtor, or, in the case of an in rem action, over the property of the Debtor, which the Collateral Agent deems necessary or appropriate in order to realize on the Collateral or to otherwise enforce its rights against the Debtor or its property).

(c) The Debtor acknowledges and agrees that notice sent by the Collateral Agent in connection with the exercise of enforcement rights against the Collateral under the provisions of the Code shall be deemed sent when deposited in the mail or personally delivered, or, where permitted by law, transmitted by telefacsimile or any other method set forth herein.
