This Agreement and each other transaction document to which it is a party will be duly executed and delivered by Trendmasters, and this Agreement and each other transaction document to which it is a party, when so executed and delivered, will be, a legally valid and binding obligation of Trendmasters, enforceable against it in accordance with their respective terms. The execution and delivery of this Agreement and each other transaction document to which it is a party, and the transfer of the Purchased Assets to the Seller will not, violate any applicable Law or any provision of Trendmasters' Certificate of Incorporation or Bylaws, and do not and will not conflict with or result in any breach of any condition or provision of, or constitute a default under, or create or give rise to any adverse right of termination or cancellation by, or excuse the performance of, any other Person under, any Material Contract except as disclosed in Schedule 2.12, or result in the creation or imposition of any Lien upon any of the Purchased Assets, other than any violation, conflict, breach, default, right of termination or cancellation, excuse of performance or Lien that, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect and except as set forth in Schedule 2.2.

None of Trendmasters or any Subsidiary is in default in respect of any Order, which default would reasonably be expected to have a Material Adverse Effect, nor is there any Order enjoining Trendmasters in respect of, or the effect of which is to prohibit or restrict Trendmasters' execution and delivery of this Agreement or the consummation of the transfer and sale of the Purchased Assets.

Adverse Effect, and other than a breach or default arising by reason of any failure to obtain any required consent to the transfer of the Purchased Assets. Schedule 1.12 contains a non-exhaustive list of Contracts which Trendmasters has compiled for Buyer (which includes all Material Contracts). A breach of a Material Contract shall not result in a breach of the representation and warranty under this Section 2.11 unless and until it results in a Material Adverse Effect.

2.12 *Inventory.* Except as set forth on Schedule 2.12, inventory included in the Purchased Assets consists solely of merchandise usable or saleable in the ordinary course of business. There has been no material change in the inventory reflected in Trendmasters' unaudited consolidated balance sheet at October 31, 2002, except in the ordinary course of business.

All such Permits and Consents are in full force and effect and no cancellation or suspension of any thereof is pending or, to Trendmasters' Knowledge, threatened. Except as set forth on Schedule 2.13, and subject to obtaining any applicable Consents, the applicability and validity of each such Permit or Consent will not be adversely affected by the consummation of the Transfer and sale of the Purchased Assets. To Trendmasters' Knowledge, Trendmasters and each Subsidiary is in compliance with each Law applicable to it and the Business, except for such noncompliance which would not, in the aggregate, reasonably be expected to have a Material Adverse Effect on the Purchased Assets, and none of them has received any written Notice alleging or asserting any material violation of or noncompliance with any such Law.

2.14 *Intellectual Property Rights.* Schedule 2.14 includes a brief description (including, if applicable, date of application, filing or registration, as the case may be, and the registration and application number) of each patent or registered trademark, trade name, service mark or copyright or any currently pending application therefor, in which Trendmasters or a Subsidiary has any right or interest, and all of which are included in the Purchased Assets except for those Intellectual Property Rights that are Excluded Assets. Except as otherwise listed on Schedule 2.14, none of Trendmasters or any Subsidiary is a licensor or a licensee in respect of any such Intellectual Property asset. Except as otherwise set forth on Schedule 2.14, to Trendmasters' Knowledge, no Intellectual Property asset of Trendmasters or a Subsidiary relating to the Business conflicts with or infringes on, and there has been no misappropriation or unauthorized use by Trendmasters or a Subsidiary of, any Intellectual Property right of any other Person, and, to Trendmasters' Knowledge, no Intellectual Property asset of any other Person conflicts with or infringes on, and there has been no misappropriation or unauthorized use by any other Person of, any Intellectual Property right of Trendmasters or a Subsidiary.

No insurer has disputed any claim made under any policy which would have a Material Adverse Effect and, to Trendmasters' Knowledge, no event has occurred and no circumstance exists which would excuse the performance by any insurer of any of its obligations under any such policy with respect to such claim.

2.20 Brokers. Except as set forth on Schedule 2.20, (a) none of Trendmasters or any Subsidiary, or any Affiliate thereof, has employed or engaged any Person to act as a broker, finder or other intermediary in connection with the transactions contemplated as

2.23 No Omissions. To the Knowledge of Trendmasters, no representation or warranty described herein contains or will as at the Closing contain any untrue statement of a material fact or omits to state a material fact necessary to make the statements contained herein or therein, in the light of the circumstances under which they ere made, not misleading.

For a period of ninety (90) days following the Closing, Buyer shall provide Trendmasters with access in St. Louis, Missouri to the computer equipment, reasonable furniture and equipment and local network access acquired by Buyer as part of the Asset Purchase Agreement for purposes of reviewing electronically any books, records and files relating to the Purchased Assets, to the extent they pertain to the Purchased Assets prior to the Closing Date, and to the extent necessary for Trendmasters to wind down its business operations.

3.2 Non-Disclosure of Confidential Information. In executing the Trendmasters Consent, Trendmasters, on behalf of itself and all of its Affiliates, covenants and agrees that:

(a) Trendmasters shall not at any time following the Closing, directly or indirectly, disclose to any Person other than the parties to the Asset Purchase Agreement or use (other than as is required by law, in which case Trendmasters shall give Buyer prior written notice of such required disclosure or use, or with Buyer's prior written consent) in any way, any Confidential Information existing as of the Closing Date and relating to Buyer or the Purchased Assets. For purposes of this Section 3.2,

Notwithstanding the foregoing, Trendmasters by executing the Trendmasters Consent shall agree that Trendmasters shall not consent, without the prior written consent of Buyer, which prior written consent shall not be unreasonably withheld, to any change in the treatment of any item which would, in any manner whatsoever, affect the Tax liability of Buyer for a period subsequent to the Closing Date.

5. **Survival; Indemnification.** Trendmasters agrees to the following:

5.1 The several representations and warranties contained in Article 2 (or in any document delivered in connection herewith) shall be deemed to have been made on the date of this Agreement, shall be deemed to be material and to have been relied upon by Buyer, Buyer's Affiliates or Seller as the case may be, notwithstanding any investigation

made by Buyer, Buyer's Affiliates or Seller, shall survive the Closing Date and, except as otherwise specifically provided in this offer, shall remain operative and in full force and effect for a period of three years following the Closing Date, except as to any matters with respect to which a bona fide written claim has been made or an action at law or in equity shall have commenced before such date, in which event survival shall continue (but only with respect to, and to the extent of such claim) until the final resolution of such claim or action, including all applicable periods for appeal; provided, however, that (i) the representations and warranties contained in Section 2.21 shall continue without any time limitation; and (ii) the representations and warranties relating to Taxes set forth in Section 2.15 thereof shall survive until the later of (A) six months after the expiration date of the applicable statute of limitations with respect thereto (giving effect to any extension thereof by waiver or otherwise), or (B) the date which is six (6) months following the ultimate disposition of any claim relating to Taxes with respect to which Trendmasters's indemnification obligations hereunder apply.

5.2 Trendmasters shall indemnify and hold Buyer and Buyer's Affiliates harmless from and against (i) any and all loss, cost, liability, damage and expenses (including legal and other expenses incident thereto) (each a "Loss" and collectively, "Losses") arising out of or resulting from any inaccuracy, misrepresentation or breach of any representation, warrant, covenant or agreement of Trendmasters under Article 2, (ii) any and all liabilities of Trendmasters (including any accounts payable that arise after the Closing Date but relate to periods prior to Closing)(other than the Assumed Obligations), and (iii) any and all Losses arising out of or in connection with the ownership or operation of the Purchased Assets on or before the Closing Date.

5.3 The indemnity agreements in this Article 5 shall be in addition to any other indemnity obligations any party may have to another party as a matter of law and shall not foreclose any other rights or remedies any party may have to enforce the provisions of this Consent and Undertaking.

5.4 *Indemnification Procedure.*

(a) If at any time a party entitled to indemnity hereunder (the "Indemnatee") shall receive notice of any state of facts that may result in a Loss or Losses of the type described in Article 4 or Section 5.2, the Indemnatee shall promptly give written notice (a "Notice of Claim") to the party obligated to provide indemnity hereunder (the "Indemnitor").

(b) A Notice of Claim shall set forth (a) a brief description of the nature of the potential or actual Loss and (b) the total amount of Loss anticipated to the extent that feasible (including any costs or expenses which have been or may be reasonably incurred in connection therewith). Payment of the amount of Loss due the Indemnatee as set forth in a Notice of Claim shall be made by the Indemnitor no later than the thirtieth (30th) day after the date of the Notice of Claim (or such later date as the Indemnitor receives written notice that an actual Loss has occurred) unless the provisions of Section 5.4(b) or Section 5.4 (c) are applicable thereto. The Indemnatee's failure to give prompt notice or to provide copies of documents or to furnish relevant data shall not

constitute a defense (in whole or in part) to any claim by the Indemnitee against the Indemnitor for indemnification, except and only to the extent that such failure shall have caused or increased such liability or materially affected the ability of the Indemnitor to defend against or reduce its liability.

(c) If the Indemnitor shall reject any Loss as to which a Notice of Claim is sent by the Indemnitee, the Indemnitor shall give written notice of such rejection to the Indemnitee within thirty (30) days after the date of receipt of the Notice of Claim. Upon such rejection, the parties shall attempt in good faith to resolve any disagreement, and payment of the amount of Loss shall be made by the Indemnitor within five days of mutual resolution of any disagreement. If any such disagreement remains unresolved as of the forty-fifth (45th) day after receipt of the Notice of Claim, the dispute shall be resolved by binding arbitration conducted under and governed by the Commercial Rules of the American Arbitration Association, as in effect from time to time. All arbitration hearings with respect to the dispute shall be conducted in New York, New York and there shall be only one arbitrator who shall be a licensed attorney. If the Notice of Claim is determined by such third party to be proper, payment of the amount of Loss due the Indemnitee as set forth in a Notice of Claim shall be made by the Indemnitor no later than the fifth day after such determination is rendered.

(d) If any Notice of Claim relates to any claim made against an Indemnitee by a third person, the Notice of Claim shall state the nature, basis and amount of such claim. The Indemnitor shall have the right, at its election, by written notice given to the Indemnitee to assume the defense of the claim as to which such notice has been given. Except as provided in the next sentence, if the Indemnitor so elects to assume such defense, it shall diligently and in good faith defend such claim and shall keep the Indemnitee reasonably informed of the status of such defense, and the Indemnitee shall cooperate fully with the Indemnitor in the defense of such claim, provided that in the case of any settlement providing for remedies other than monetary damages for which indemnification is provided, the Indemnitee shall have the right to approve the settlement, which approval shall not be unreasonably withheld or delayed. Trendmasters expects to be unable to continue to pay the costs of defending litigation described in Schedule 2.5 hereof and therefore believes it is highly likely that default judgments will be entered against Trendmasters in the pending lawsuits. It is also likely that default judgments will be entered against Trendmasters in any litigation that is commenced in the future. This may result in a judgement or Order stating that one or more of the Purchased Assets infringes upon or results in an unauthorized use of other parties' intellectual property rights.

ARTICLE 6 ADDITIONAL COVENANTS

6.01 UCC Terminations. Within 10 days of Closing, Seller shall provide Buyer either with copies of all filed UCC-3 partial release or termination statements which reflect the release by Seller of its security interest in the Purchased Assets suitable for filing in each filing office in which financing statements are on file covering any of the Purchased Assets and naming Seller as Secured Party and Trendmasters as debtor or with an agreement authorizing Buyer to prepare and so file such termination statements.

6.02 Further Assurances. From time to time following the Closing, and for a period of one year after the Closing Date, Seller, without in any manner being required to expand to any extent or otherwise alter to its detriment its obligations hereunder, shall execute, acknowledge and deliver such additional documents, instruments or conveyance, transfer and assignment or assurances and take such other action as Buyer reasonably may request in order to more effectively assign, convey and transfer to Buyer and fully

vest (to the extent possible) title to the Purchased Assets in Buyer in accordance with this Agreement.

6.03 Publicity. The parties shall consult with each other and shall mutually agree (the agreement of each party not to be unreasonably withheld or delayed) upon the consent and timing of any press release or other public statements with respect to the transactions contemplated by this Agreement and shall not issue any such press release or make any such public statement prior to such consultation and agreement, except as may be required by applicable law or by the rules of any stock market; provided, however, that each party shall give prior notice to the other parties of the content and timing of any such press release or other public statement required by applicable law or by the rules of any stock market.

6.04 Receipt of Payments. If at any time after the Effective Time Buyer receives any payment with respect to any accounts receivable included in the Excluded Assets, Buyer promptly shall deliver such payment to Seller in accordance with the Accounts Receivable Assistance Agreement attached and marked Exhibit D. If at any time after the Closing, Seller, Trendmasters or the Guarantors receives any payment with respect to any of the Purchased Assets of Buyer which arise after the Closing Date, Seller shall promptly deliver such payment to Buyer.

6.05 Non-Compete. Seller disclaims any property interest in the Licensed IP and accordingly, covenants not to use any of the Licensed IP to compete against Buyer or any of Buyer's affiliates.

6.06 Notice. To the extent that Seller is joined as a party in any proceeding relating to any of the Purchased Assets, it will promptly give Buyer written notice thereof.

ARTICLE 7 INDEMNIFICATION

7.01 Survival. The representations, warranties, covenants and agreements of the parties set forth in this Agreement and in any agreement or certificate delivered pursuant hereto shall survive the Closing and any investigation made by any party to this Agreement.

7.02 Indemnification by Seller. From and after the Effective Time, Seller shall indemnify, defend and hold Buyer and each of its officers, employees, agents (including accountants and attorneys), directors, shareholders, subsidiaries or other affiliates (collectively, "Buyer's Affiliates"), harmless from and against all Losses of any character whatsoever (including, without limitation, reasonable attorneys' fees) imposed upon or incurred by any of them which arise out of: (i) any misrepresentation or inaccuracy of a representation or warranty made by Seller in Article 3 of this Agreement, (ii) any nonfulfillment of a covenant or any other agreement on the part of Seller set forth in this Agreement, and (iii) all actions, suits, proceedings and judgments incident to any of the foregoing. All of the foregoing actions described in clauses (i)-(iii) of this Section 7.02

are each referred to herein as a "Buyer Indemnifiable Claim" and collectively, as the "Buyer Indemnifiable Claims"

7.03 Indemnification by Buyer. From and after the Effective Time, Buyer shall indemnify, defend and hold Seller and each of its officers, employees, agents (including accountants and attorneys), directors, shareholders, subsidiaries or other affiliates, (collectively, "Seller's Affiliates") harmless from and against all Losses of any character whatsoever (including, without limitation, reasonable attorneys' fees) imposed upon or incurred by any of them which arise out of: (i) any misrepresentation or inaccuracy of a representation or warranty made by Buyer in Article 4 of this Agreement, (ii) any nonfulfillment of a covenant or any other agreement on the part of Buyer set forth in this Agreement, and (iii) all actions, suits, proceedings and judgments incident to any of the foregoing. All of the foregoing actions described in claims (i)-(iii) of this Section 7.03 are each referred to herein as a "Seller Indemnifiable Claim" and collectively, as the "Seller Indemnifiable Claims"

7.04 Termination of Indemnity. The obligations of Seller under Section 7.02 hereof and of Buyer under Section 7.03 hereof automatically shall terminate on the date that follows the expiration of the applicable statute of limitations where, during such period, no action (an "Indemnity Action") seeking to impose Losses upon Buyer or Buyer's Affiliates, or upon Seller or Seller's Affiliates (as the case may be), relating to an Indemnifiable Claim has been commenced or, if any Indemnity Action had been so commenced, such Indemnity Action subsequently was dismissed with prejudice or without prejudice and not reinstated during such period (unless any statute of limitations was tolled in connection with any such dismissal). Except solely as provided in the preceding sentence, the obligations of Seller under Section 7.02 hereof and of Buyer under Section 7.03 hereof shall not terminate under any circumstances.

7.05 Notice of Indemnifiable Claims. As soon as reasonably practicable after becoming aware of an Indemnifiable Claim or the commencement of any Indemnity Action, Buyer, on behalf of itself or Buyer's Affiliates, or Seller, on behalf of itself or Seller's Affiliates (as the case may be), seeking such indemnification, shall deliver written notice (the "Notice") to Seller or Buyer (as the case may be), describing in reasonable detail the basis of such Indemnifiable Claim; provided, however, that the failure to give such Notice or to provide copies of documents or to furnish relevant data shall not constitute a defense (in whole or part) to any claim by Buyer or Buyer's Affiliates against Seller or to any claims by Seller or Seller's Affiliates against Buyer (as the case may be) for indemnification hereunder, except and only to the extent that such failure shall have caused or increased such liability or materially adversely affected Seller's or Buyer's (as the case may be) ability to defend against or reduce its liability.

7.06 Notice of Third Party Claims; Assumption of Defense. Upon receipt of an initial Notice, Seller or Buyer (as the case may be) may, at its own expense, (i) participate in the defense of any such claim, suit, action or other proceeding and (ii) upon written notice to Buyer or Seller (as the case may be) and the delivery to Buyer or Seller (as the case may be) of a written agreement acknowledging that Buyer or Seller (as the case may be) is entitled to indemnification pursuant to this Agreement for Losses arising out of

such claim, suit, action or proceeding, at any time during the course of any such claim, suit, action or proceeding, assume the defense thereof; provided that Buyer or Seller (as the case may be) shall have the right (but not the duty) to participate in the defense thereof and to employ separate counsel from the counsel employed by Seller or Buyer (as the case may be) at Buyer's or Seller's (as the case may be) own expense. Whether or not Seller or Buyer (as the case may be) should choose to defend or prosecute any such claim, suit, action or proceeding, all of the parties hereto shall cooperate in the defense or prosecution thereof; provided, however, that where Seller or Buyer (as the case may be) has not assumed defense of any Indemnity Action pursuant to the provisions hereof, Buyer or Seller (as the case may be), after good faith consultation with Seller or Buyer (as the case may be) that is appropriate under the circumstances, shall have ultimate control over the prosecution or defense thereof.

7.07 Settlement or Compromise. Any settlement or compromise made or caused to be made pursuant to the provisions of Section 7.06 hereof by Buyer or Seller, as the case may be, of any Indemnity Action being defended by Buyer or Seller, as the case may be, shall be binding upon the other individual or entity, in the same manner as if a final judgment or decree had been entered by a court of competent jurisdiction in the amount of such settlement or compromise. Notwithstanding the foregoing, (i) no obligation, restriction or expense shall be imposed on any Buyer or Buyer's Affiliate in the case of any Buyer Indemnifiable Claim or on Seller or Seller's Affiliate in the case of any Seller Indemnifiable Claim as a result of such settlement without its prior written consent, and (ii) Buyer and Seller will give each other 30 days' notice of any proposed settlement or compromise of any claim, suit, action or proceeding it is defending, during which time the other may reject such proposed settlement or compromise; provided, however, that from and after the date of such rejection, the other shall be obligated to assume all aspects of the defense of such Indemnity Action and any and all Losses relating to an Indemnifiable Claim in connection therewith.

7.08 Obligations of Buyer and Seller. Buyer and Seller shall fully cooperate with one another, including, as may be reasonably requested by the other party, making available all relevant records, documents and files with respect to any such claim, suit, action or proceeding, providing access to counsel and any applicable employees, if applicable, whether as witnesses or for information purposes.

7.09 Continuing Indemnity. Consistent with, but not in limitation of, the foregoing, the obligations of Seller under Section 7.02 hereof and of Buyer under Section 7.03 hereof are continuing (except solely as provided in Section 7.04 hereof), irrevocable, absolute and unconditional and will remain in full force and effect.

ARTICLE 8 TAX MATTERS

8.01 Purchase Price Allocation. Buyer shall, within 120 days after the Closing Date, prepare a schedule allocating the Purchase Price among the Purchased Assets in accordance with Treasury Regulation 1.1060-1T (or any comparable provisions of state or local tax law) or any successor provision. Buyer shall report and file all tax returns

(including amended Tax Returns and claims for refunds) consistent with the allocation set forth on such schedule, and shall take no position contrary thereto or inconsistent therewith (including, without limitation, in any audits or examinations by any taxing authority or any other proceedings). Buyer shall cooperate in the filing of any forms (including Form 8594) with respect to such allocation.

8.02 Filing Tax Returns; Cooperation. Seller and Buyer (and Buyer in respect to Trendmasters and Guarantors) reasonably shall cooperate, and shall cause their respective affiliates, officers, employees, agents, auditors and representatives reasonably to cooperate, in preparing and filing Tax Returns (including amended Tax Returns and claims for refund) including, without limitation, the issuance of a power of attorney, if necessary and maintaining and making available to each other all records relating to the Purchased Assets necessary in connection with Taxes and in resolving all disputes and audits with respect to all taxable periods relating to Taxes. Consistent with, but not in limitation of, the foregoing, Buyer and Seller shall retain all financial records and other information relating to the Purchased Assets for a period of four years after the Closing Date and shall afford each other (at its option) and Trendmasters and Guarantors upon reasonable advance notice access to (and permit any copying of) such records and similar information so that they can prepare any required tax refunds or respond to any questions relating to any tax returns or address any other matters relating to any tax returns or similar financial or tax matters.

ARTICLE 9 MISCELLANEOUS

9.01 Waiver. Either Buyer on the one hand, or Seller on the other (but only with the consent of LaSalle), may, by written notice to the other: (a) extend the time for performance of any of the obligations or other actions of such other party under this Agreement, (b) waive any inaccuracies in the representations or warranties of such other party contained in this Agreement or in any document delivered pursuant to this Agreement, (c) waive compliance with any of the conditions or covenants of such other party contained in this Agreement, or (d) waive or modify performance of any of the obligations of such other party under this Agreement. Except as provided in the preceding sentence, no action taken pursuant to this Agreement, including, without limitation, any investigation by or on behalf of either party shall be deemed to constitute a waiver by the party taking such action of compliance with any of the representations, warranties, covenants, conditions, or agreements contained in this Agreement. The waiver by any party hereto of a breach of this Agreement shall not operate or be construed as a waiver of any subsequent breach.

9.02 Entire Agreement; Amendment. This Agreement, including the exhibits and schedules and the documents (including the Supplemental Agreement) referred to herein (which exhibits, schedules and documents are incorporated herein by this reference), shall constitute the complete and entire agreement between the parties hereto with respect to the subject matter hereof and shall supersede all previous oral and written negotiations and commitments and any other writings with respect to such subject matter. This

Agreement can be modified or amended only by a writing duly executed by Buyer and Seller (but only with the consent of LaSalle).

9.03 Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of Missouri, as applicable to agreements executed and entirely performed in such state, without regard to conflicts of law principles.

9.04 Interpretation. The headings contained in this Agreement are for convenience of reference only and shall in no way affect the meaning or interpretation of this Agreement. Unless the context of this Agreement expressly otherwise indicates, any singular term in this Agreement will include the plural, and any plural term will include the singular. The language used in this Agreement shall be deemed to be the language chosen by the parties hereto to express their mutual intent, and no rule of strict construction shall be applied against either party.

9.05 Notices. All notices, requests, demands and other communications pursuant to this Agreement shall be in writing, shall be deemed to have been effectively given: (i) when delivered personally, (ii) when transmitted by facsimile transmission, if the sending facsimile machine receives and prints a confirmation of receipt by the receiving facsimile machine, (iii) three business days after deposit in the United States mail, registered or certified and with proper postage prepaid, or (iv) the next business day, if sent by a recognized commercial carrier (unless the records of the delivery service indicates otherwise), addressed as follows:

Any party or other recipient may from time to time change its address and facsimile number for purposes of this Agreement by giving notice of such change as provided herein.

9.06 Counterparts. This Agreement may be executed in any number of counterparts, each of which will be deemed to be an original but all of which together will constitute but one agreement.

9.07 Parties in Interest; Assignment. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their respective successors and permitted assigns, but shall not be assignable or delegable by any party without the prior written consent of the other party; provided, however, that upon notice to Seller, Buyer may assign or delegate any or all of its rights or obligations under this Agreement to any affiliate of Buyer but such assignment or delegation shall not relieve Buyer of any obligation hereunder.

9.08 No Third Party Beneficiaries. Except solely for the access and cooperation to be extended by Buyer to Trendmasters and Guarantors as set forth in Section 8.02 hereof, this Agreement is for the sole benefit of the parties hereto and their permitted assigns, and nothing herein expressed or implied shall give or be construed to give to any person, other than the parties hereto and their successors and permitted assigns, any legal or equitable rights hereunder.

9.09 Severability. If any provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other terms and provisions of this Agreement will nevertheless remain in full force and effect so long as, and only so long as, the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party hereto. Upon any determination that any provision is invalid, illegal or incapable of being enforced and does not adversely affect the substance of these transactions in a material way, the parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in any acceptable manner to the end that the transactions contemplated by this Agreement are consummated to the fullest extent possible.

9.10 Interpretation. The use of the masculine, feminine or neuter gender or the singular or plural form of words herein shall not limit any provision of this Agreement. The use of the terms "including" or "include" shall in all cases herein mean "including, without limitation" or "include, without limitation," respectively. Reference to any person or entity includes such person's or entity's successors and assigns to the extent such successors and assigns are permitted by the terms of this Agreement, and reference to a person or entity in a particular capacity excludes such person or entity in any other capacity or individually. Reference to any agreement (including this Agreement), document or instrument means such agreement, document or instrument as amended or modified and in effect from time to time in accordance with the terms thereof and, if applicable, the terms hereof. Reference to any law means such law as amended, modified, codified, replaced or re-enacted, in whole or in part, and in effect on the date hereof, including rules, regulations, enforcement procedures and any interpretations promulgated thereunder. Underscored references to Sections, clauses, Exhibits or Schedules shall refer to those portions of this Agreement, and any underscored references to a clause shall, unless otherwise identified, refer to the appropriate clause within the

same Section in which such reference occurs. The use of the terms "hereunder", "hereof", "hereto" and words of similar import shall refer to this Agreement as a whole and not to any particular Section or clause of or Exhibit or Schedule to this Agreement. The Schedules and Exhibits attached hereto are a part of this Agreement and, as such, are subject to the terms and conditions thereto, including, without limitation, the disclaimer of any representation or warranty set forth in Section 3.01 hereof, except solely in the case of the Supplemental Agreement and even in that sole instance, only to the extent set forth in the Supplemental Agreement. All terms defined in this Agreement shall have the above-defined meanings when used in any certificate, report or other document made or delivered pursuant to this Agreement, unless the context therein shall clearly otherwise require. In the computation of periods of time in this Agreement from a specified date to a later specified date, the word "from" means "from and including" and the words "to" and "until" each means "to and through". This Agreement and the other documents relating to this Agreement are the result of negotiations among and have been reviewed by counsel to the Buyer and the Seller, and are the products of all parties. Accordingly, they shall not be construed against any party merely because of such party's involvement in their preparation.

9.11 Costs and Expenses. Each of the Buyer and Seller shall pay its own costs in connection with the negotiation, preparation, execution and delivery of this Agreement and the related documentation.

9.12 Confidentiality. Each of the Buyer and Seller and by its execution of its consent, LaSalle, Trendmasters and each Guarantor agrees to maintain the confidentiality of all the provisions of this Agreement and the documents delivered with respect thereto, provided, however, that each of the Buyer, Seller, Trendmasters, LaSalle and each Guarantor may disclose such information (A) at the request or pursuant to any requirement of any governmental authority to which it is subject or in connection with an examination of it by such authority; (B) pursuant to subpoena or other court process; and (C) to its independent auditors and other professional advisors. In addition to the disclosures permitted in the prior sentence, each of the Buyer, Seller, Trendmasters, LaSalle and each Guarantor may disclose the general terms of this Asset Purchase Agreement (but not any of the related documents), to the extent agreed to by the Buyer and Seller.

9.13 Waiver of Jury Trial. **BUYER AND SELLER HEREBY AGREE TO WAIVE THEIR RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT.** The scope of this waiver is intended to be all-encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this transaction, including, without limitation, contract claims, tort claims, breach of duty claims, and all other common law and statutory claims. Seller and Buyer warrant and represent that each has reviewed this waiver with its legal counsel, and that each knowingly and voluntarily waives its jury trial rights following consultation with legal counsel. **THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING, AND TO THE MAXIMUM**

EXTENT PERMITTED BY APPLICABLE LAW, THE WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS TO THIS AGREEMENT. In the event of litigation, this Agreement may be filed as a written consent to a trial by the court.
