WITNESSETH:

WHEREAS, pursuant to a Credit Agreement, dated as of February 4, 2003 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Warnaco Inc. (the "Borrower"), The Warnaco Group, Inc. ("Group") the Lenders and Issuers party thereto, CNAI, as agent for the Lenders and Issuers, and JPMorgan Chase Bank, as syndication agent for the Lenders and Issuers, the Lenders and the Issuers have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantors other than the Borrower are party to a Guaranty pursuant to which they have guaranteed the Obligations of the Borrower under the Credit Agreement; and

WHEREAS, all the Grantors are party to a Pledge and Security Agreement of even date herewith in favor of the Administrative Agent (the "Security Agreement") pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Issuers and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders and the Issuers to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms

Unless otherwise defined herein, terms defined in the Credit Agreement or in the Security Agreement and used herein have the meaning given to them in the Credit Agreement or the Security Agreement.

1. all of its Trademarks, including, without limitation, those referred to on *Schedule I* hereto;
2. all renewals and extensions of the foregoing;
3. all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and

4. all Proceeds of the foregoing, including, without limitation, all rights to income, royalties, proceeds and damages now or hereafter due and/or payable under any Trademark and with respect thereto, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof.

Section 3. Security Agreement

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Section 4. Governing Law

This Agreement and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the law of the State of New York.
