If requested by the Purchaser to do so, the Company shall have taken all action necessary to cause the termination of the Company's participation in the medical plan of Mansfield Oil Co. of Gainesville, Inc. and the Mansfield Oil Company 401(k) Plan and, except as may be reflected on the Closing Balance Sheet, the Company shall have no further liability with respect thereto.

9.13 Arrangements with Seller's Father. All contracts, consulting agreements and other arrangements between the Company and Seller's father shall be terminated on or before the Closing Date, and Seller's father shall have executed and delivered to Purchaser a general release of all claims against the Company or the Seller will indemnify the Purchaser and the Company with regard to all such matters.

Agreement and as of the Closing Date with the same effect as if made on and as of the Closing Date.

10.3 Approvals. 10.4 Deliveries. The Purchaser shall have delivered to the Seller, at or prior to the Closing, the following:

(a) payment of the Purchase Price as described in Section 2.4 hereof;

(b) a good standing certificate, dated not earlier than twenty (20) days prior to the Closing Date, of the Secretary of State of Delaware, as to the good standing of the Purchaser in Delaware, and a certificate of authorization, dated not earlier than twenty (20) days prior to the Closing Date, of the Secretary of State of Georgia, as to the Purchaser's authorization to transact business in Georgia;

(d) such certificates of the President or Vice President of the Purchaser to evidence compliance with the conditions set forth in Sections 10.1, 10.2, and 10.3 hereof and any other certificates to evidence compliance with the conditions set forth in this Article X as may be reasonably requested by the Seller or his counsel;

10.6 Absence of Litigation. There shall be no Action pending or threatened before any court or other Governmental Authority which seeks to (a) invalidate or set aside, in whole or in part, this Agreement, (b) restrain, prohibit, invalidate or set aside, in whole or in part, the consummation of the transactions contemplated hereby, or (c) obtain substantial Damages in connection therewith.

10.7 Petroleum Hauling Agreement with Mansfield Oil Company. Purchaser shall have entered into a petroleum hauling agreement with Mansfield Oil Company in the form of Exhibit C.

10.8 Citgo Contract. Purchaser shall have acknowledged and accepted the Company's contractual obligations and unamortized liabilities, up to \$2,500,000, to Citgo, in form and substance satisfactory to Citgo such that Seller and any of its Affiliates (other than Company) is removed and relieved of any liability of the Company for such contractual obligations and unamortized liabilities; provided, however, that Seller shall cause Mansfield Oil Company to assign to the Company all of its right, title and interest to CRINDS, fascia lighting, and other upgrades and improvements at the Stores provided by or through Citgo, as well as all rebates to be earned at the Stores from Citgo. Upon the Purchaser's request, Seller will also cause Mansfield Oil Company to terminate its Agreement with the Company dated April 1, 1997.

ARTICLE XI

CERTAIN POST-CLOSING COVENANTS

11.1 Confidentiality.

(a) From and after the Closing, the Purchaser shall, and shall cause its Representatives to, hold in strict confidence and, except as required by applicable Law, not disclose to others (except its Representatives) or use for any reason whatsoever without the prior written consent of the Seller, any information (unless previously known to the Purchaser or any of its Affiliates from sources other than the Seller or any of their Affiliates or ascertainable from public or published information or trade sources) received by the Purchaser or any of its Affiliates from the Seller concerning the Seller.

(b) From and after the Closing, the Seller shall, and shall cause its Representatives to, hold in strict confidence and, except as required by applicable Law, not disclose to others (except their Representatives) or use for any reason whatsoever without the prior written consent of the Purchaser, (i) any information (unless previously known to the Seller or any of its Affiliates from sources other than the Purchaser or any of its Affiliates or ascertainable from public or published information or trade sources)

received by the Seller or any of its Affiliates from the Purchaser or any of its Affiliates concerning the Purchaser or its Affiliates, or (ii) any information (unless ascertainable from public or published information or trade sources) concerning the Company (except as may relate solely to the Excluded Assets).

11.2 Noncompetition. For a period of five (5) years from and after the Closing, the Seller, Mansfield Oil Company of Gainesville, Inc., OMS Properties, LLC, Mansfield Systems, Inc., will not engage, directly or indirectly, including through General Outdoor Advertising, Inc., in the operation of, or own or have any interest of any kind, in any convenience store or retail gas station business in the Restricted Area, as defined below. "Restricted Area" shall mean:

(a) any county in which more than two of the Stores or more than one Depot convenience store is located; and

(b) the area within five (5) miles of any of the Stores as measured by the most direct public roadway.

Restricted Area shall not include any Store as to which there has occurred any post-closing default by the Company of any Lease, which default has not been cured and as a result of which, the Company no longer has a leasehold interest in the Leased Real Property on which such Store is located.

Notwithstanding anything herein to the contrary, the terms of this Section 11.2 shall not be construed to prohibit Seller or an Affiliate from continuing to own or operate their existing wholesale petroleum business, maintaining existing wholesale accounts, or supplying petroleum to new wholesale business accounts, or engaging in any of the other activities set forth on Schedule 11.2. Seller and his Affiliates shall be prohibited from providing, financing, or building retail outlets for wholesale customers, petroleum marketing equipment, convenience store facilities, or other retail gasoline facilities within the Restricted Area for the five (5) year period after Closing. Additional terms and conditions of the non-competition agreement shall be as mutually agreed between the parties and set forth on Schedule 11.2 hereto.

11.3 Responsibility for Environmental Matters.

(a) Any assessment or remediation required by Law and any third party claims as to any Tanks, tanks, or Store sites arising from or in any way relating to leaks, releases, spills or discharges of Petroleum Products which are identified on Schedule 11.3(a), as between the parties, shall be the responsibility of the Seller. This responsibility may be satisfied in part by paying the applicable deductible or co-pay to qualify for "first dollar" coverage through the Environmental Insurance Policies or the Trust Fund. The Environmental Escrow Agreement shall be funded initially with an amount mutually determined by the parties as is reasonably sufficient to fulfill this responsibility. The Seller also shall be responsible for registration and proper upgrading of all Tanks, paying or obtaining waivers of deductibles, and for taking all other necessary action to qualify all Tanks for maximum Environmental Insurance Policy or Trust Fund coverage. Schedule 11.3(a) may be revised by Purchaser up to the date of Closing.

(b) The Purchaser or the Company shall be solely responsible for maintaining registration of registered Tanks and Store sites, and for any spills or releases which occur, subsequent to Closing.

(c) The Seller will remove all aboveground storage tanks and any unregistered underground storage tanks (including pumps and lines) located at the Store sites before the Closing and complete any assessment or remediation required by Law or a Governmental Authority, and defend, indemnify and hold harmless Purchaser and the Company from any and all costs (including reasonable attorneys' fees), expenses, damages or third-party claims in connection therewith. The Purchaser and Seller shall cooperate with each other post-closing to facilitate any assessment or remediation for which Seller is responsible, and, at the request of Purchaser, shall enter into an access agreement, in form satisfactory to Purchaser's counsel, containing usual and customary terms and conditions, including Seller's indemnification of Purchaser for loss or damage caused by its performance hereunder.

(d) The provisions of Section 11.3 shall neither supersede nor obviate the representations and warranties of the Seller contained in Section 5.16, the obligations of the Seller set forth in Section 9.9(b), or the rights and claims of Purchaser relating thereto.

11.4 Specific Performance; Injunctive Relief. Each of the parties hereto acknowledges and understands that any breach or threatened breach by it of Section 11.1 hereof, or with respect to the Seller, Mansfield Oil Company of Gainesville, Inc., OMS Properties, LLC, and Mansfield Systems, Inc., Section 11.2 hereof, will cause irreparable injury to the non-breaching party and that money damages will not provide an adequate remedy therefor. Accordingly, in the event of any such breach or threatened breach, the non-breaching party shall have the right and remedy (in addition to any others available at law or in equity) to have the provisions of Sections 11.1 and 11.2 hereof specifically enforced by, and to seek injunctive relief and other equitable remedies in, any court having competent jurisdiction.

11.5 Mutual Cooperation. The parties agree that following the Closing:

(a) Seller shall allow the Company or Purchaser to use the office complex located at 1175 Airport Parkway, S.W., Gainesville, Georgia, for up to two (2) months following Closing provided such party pays its pro rata share of utilities (but no rent or taxes);

(b) Purchaser will grant a non-exclusive license for the use of the "Kangaroo" tradename to Seller for use in states other than Georgia, Florida, and South Carolina, and, in the event Purchaser abandons the use of the "Kangaroo" tradename on a permanent basis, Purchaser shall assign all of its rights to such tradename to Seller on terms and conditions mutually agreed upon by the parties.

(c) Subject to Purchaser's customary employment screening procedures, employment and hiring practices, Purchaser will, after the Closing, cause the Company to continue to employ current district store managers and other personnel employed at the Stores at their current compensation levels.

11.6 Tax Returns. Seller shall prepare and timely file (or cause to be prepared and timely filed), for all taxable periods ending before the Closing Date, and for the taxable period ending on the Closing Date, all federal, state, local and foreign income Tax Returns required to be filed after the Closing Date on a basis consistent with past practice with respect to which the Company or the assets of the Company are liable or otherwise in any way subject; and the Seller shall be responsible for (and shall pay) all Taxes shown to be due thereon.

11.7 Payable to Mansfield Oil Company. Purchaser will cause the Company to pay to Mansfield Oil Company the payable for petroleum inventory delivered to the Stores by Mansfield Oil Company, on current terms and conditions.

11.8 Title to Certain Equipment. Petroleum Equipment and Store Equipment at Store locations identified on Schedule 5.18(b) is owned by the landlord as indicated on such Schedule, and not by the Company. In the event Seller becomes the landlord, directly or indirectly, at any such Store location, he shall convey title to such Petroleum Equipment and Store Equipment (or cause such title to be conveyed) to Purchaser or the Company without further consideration.

11.9 Section 338 Election. The Purchaser and the Seller shall duly and timely make simultaneous joint elections under Section 338(h)(10) of the Code and Treasury regulation 1.338(h)(10) -1(d) and under any comparable provisions of any applicable state and local tax laws) with respect to the purchase of the Shares. The parties understand and agree that, as a result of such elections, the purchase of the Shares will be treated for U.S. federal income tax purposes as if the Company had sold all of its respective assets in a single transaction on the Closing Date, with the result that the tax consequences of such "deemed sale" of assets shall be required to be included in the final Federal S corporation income tax return of the Company. Allocation of the Purchase Price (and other amounts) among such assets shall be made at the Purchaser's discretion. In addition, all forms and other documents (and accompanying schedules thereto, including schedules reflecting the allocation of the purchase price to such

assets) required to be filed in order to make such elections shall be prepared by the Seller and approved by the Purchaser. The Purchaser shall file all such executed forms with the applicable tax authorities. The Purchaser and the Seller agree to act in accordance with such allocations for all purposes (including all Tax and financial accounting purposes).

Notwithstanding the provisions of Section 12.2.1, the Purchaser shall be responsible for the additional Taxes incurred by the Seller and/or the Company as a result of such elections on a "grossed up" basis, so that such elections will result in no net increase in Seller's Tax Liability arising from his sale of the Shares. The Purchaser shall also reimburse the Seller for reasonable professional fees on a grossed up basis, if applicable, incurred by Seller related to the 338 election. All such payments shall be made by Purchaser to Seller when requested by Seller upon completion of the work performed or when the Taxes become due to allow Seller to make payment when due.

The Purchaser will indemnify Seller for any Damages incurred by Seller if such elections are challenged.

ARTICLE XII

SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION

12.1 Survival of Representations and Warranties. Notwithstanding (a) the making of this Agreement, (b) any examination or investigation made by or on behalf of the parties hereto and (c) the Closing hereunder, (i) the representations and warranties of the parties hereto contained in this Agreement shall survive the execution and delivery of this Agreement and the Closing for a period of eighteen (18) months from and after the date hereof, except for the representations and warranties contained in Sections 5.1 (Ownership of the Shares), 5.15 (Employment Law Matters), 5.16 (Environmental Matters), 5.21 (Tax Matters) and 5.25 (Employee Benefit Plans), which shall survive until the expiration of the applicable statute of limitations for the underlying cause of Action, and (ii) the covenants and agreements of the parties hereto contained in this Agreement (including, without limitation, Seller's indemnification obligations as set forth in Section 9.13) shall survive until fully performed or fulfilled (unless non-compliance with such covenants or agreements is waived in writing by the party or parties hereto entitled to such performance). No claim for indemnification pursuant to Section 12.2 hereof may be brought with respect thereto after the applicable expiration date; provided, however, that if prior to such date a party hereto has notified the other party or parties hereto in writing of a claim for indemnification under this Article XII (whether or not formal legal Action shall have been commenced based upon such claim), such claim shall continue to be subject to indemnification in accordance with this Article XII.

12.2 Indemnification. Subject to Sections 12.1 and 12.4 hereof, from and after the Closing, each of the parties hereto and their respective successors and assigns (each being an "Indemnifying Party") shall indemnify and hold harmless the other party hereto, its Affiliates, successors and assigns, and the Representatives of each of them (each being an "Indemnified Party"), from and against any and all Damages incurred thereby or caused thereto arising out of or relating to (a) any breach or violation of, or failure to properly perform, any covenant or agreement made by such Indemnifying Party in this Agreement, unless waived in writing by the

Indemnified Party; (b) any breach of any of the representations or warranties made by such Indemnifying Party in this Agreement and not waived in writing by the Indemnified Party; (c) with respect to the Purchaser, its ownership and operation of the Company after the Closing Date; and (d) with respect to the Seller, (i) the ownership and operation of the Company and the Business prior to Closing and (ii) the ownership and operation of the Excluded Assets, whether before or after the Closing Date. Except as otherwise expressly provided in Section 11.2 hereof, no Indemnified Party shall have any recourse of any kind or nature whatsoever against any of the Representatives of any Indemnifying Party.

12.2.1 Tax Indemnity. Seller agrees to and shall indemnify the Purchaser, the Company and their respective Affiliates and hold each of them harmless from and against (i) any and all Taxes imposed on or incurred by the Company or the Seller (including, without limitation, any and all Taxes arising out of the consummation of the transactions contemplated hereby, including, without limitation, transfer of Excluded Assets, for all taxable years and periods ending on or prior to the Closing Date (including any short periods ending on or prior to the Closing Date) and (ii) all reasonable legal fees and expenses incurred by the Purchaser, the Company or any such Affiliate with respect to such Taxes, provided that the Purchaser shall provide notice to Seller and give him the opportunity to dispute, settle or otherwise resolve such tax issues at Seller's expense.

For purposes of paragraph (a) above, any interest, penalty or additional charge included in Taxes shall be deemed to be a Tax for the period in which the item on which the interest, penalty or additional charge is based occurs, and not a Tax for the periods during which the interest, penalty or additional charge accrues.

If, in connection with the audit of any federal, state, local or foreign Tax Return, any claim or demand is asserted in writing against the Purchaser or the Company that may result in a claim for indemnification under this Section 12.2.1, such party shall notify the Seller of such claim and demand within thirty (30) days of receipt thereof. The Seller shall have the right to control, at his own cost and expense, the defense of such claim or demand. The Purchaser and the Company shall (at the Seller's expense) cooperate fully in such defense as and to the extent reasonably requested by the Seller.

12.3 Notice and Payment of Claims.

(a) Promptly after receipt by any Indemnified Party of notice of the commencement of any Action, the assertion by any third party of any claim, or otherwise giving rise to indemnification as provided in this Article (collectively, a "Claim"), the Indemnified Party receiving such notice (the "Claim Notice") shall notify the Indemnifying Party in writing of the assertion of such Claim; *provided, however*, that failure to give such notice shall not affect the right to indemnification hereunder except to the extent of actual prejudice. The Indemnifying Party shall have the option, and shall notify the Indemnified Party in writing within ten (10) business days after the date of the Claim Notice of its election either (i) to participate (at its own expense) in the defense of such Claim (in which case the defense of such Claim shall be controlled by the Indemnified Party) or (ii) to take charge of and control the defense of such Claim. The Indemnifying Party's failure to respond shall not relieve the Indemnifying Party of its indemnification

obligations under this Section. Each Indemnified Party shall have the right to employ separate counsel and participate in the defense of such Claim, but the fees and expenses of such counsel shall be at the expense of the Indemnified Party unless: (1) the employment of such counsel shall have been specifically authorized in writing by the Indemnifying Party or (2) the named parties in such Claim (including any impleaded parties) include both the Indemnified Party and the Indemnifying Party and the Indemnified Party shall have been so advised by such counsel that there may be one or more legal defenses available to it that are different from or additional to those available to the Indemnifying Party (in which case the Indemnifying Party shall not have the right to assume the defense of such Claim on behalf of the Indemnified Party, it being understood, however, that the Indemnified Party shall not, in connection with such Claim, be liable for the fees and expenses of more than one separate firm of attorneys (in addition to any local counsel) and that all such fees and expenses shall be reimbursed as they are incurred).

(b) If the Indemnifying Party elects (or is deemed to have elected) not to assume the defense of a Claim in accordance with the preceding Section, then the Indemnified Party may settle such Claim without the written consent of, but shall provide notice to, the Indemnifying Party and the Indemnifying Party agrees to indemnify and hold the Indemnified Party harmless from and against any such Claim settled without his or its written consent. As to any claim settled with the Indemnifying Party's written consent (which consent shall not be unreasonably withheld or delayed), the Indemnifying Party agrees to indemnify and hold the Indemnified Party harmless from and against any such Claim by reason of such settlement, according to the obligations of the Indemnifying Party hereunder.

(c) The Indemnified Party shall provide to the Indemnifying Party, as soon as practicable after the date of the Claim Notice, all information and documentation necessary to support and verify any Damages that the Indemnified Party shall have determined have given or could give rise to a Claim hereunder, and the Indemnifying Party shall be given access to all books and records in the possession or under the control of the Indemnified Party which the Indemnifying Party reasonably determines to be related to such Action.

(d) All Claims under this Article shall be paid by the Indemnifying Party on demand in immediately available funds in U.S. dollars after the liability for Damages thereunder have been finally determined. The liability for Damages under any such Claim shall be deemed to be "finally determined" for purposes of this Article when the parties to an Action have so determined by mutual agreement or, if disputed, when a final non-appealable order of a court having competent jurisdiction has been entered.

The availability of escrowed funds to satisfy indemnification claims arising under this Agreement shall not be construed as, and shall not be, a limitation on any Indemnifying Party's indemnification obligations as set forth herein.

12.4 Limitation on Indemnity.

(a) Threshold. No Indemnified Party shall seek, or be entitled to, indemnification from any Indemnifying Party for Damages arising under Section 12.2(b) until the aggregate amount of such Damages incurred by such Indemnified Party (but for the operation of this Section 12.4(a)) exceeds \$50,000. If Damages incurred by any Indemnified Party in connection with Claims made pursuant to Section 12.2(b) exceed \$50,000, the Indemnified Party shall be entitled to payment from the Indemnifying Party of an amount equal to all of such Damages from the first dollar. This Section 12.4(a) shall not apply to the representations and warranties of Seller in Section 5.16, or Section 5.21.

(b) Characterization of Payment. Any indemnity payment made pursuant to this Article shall be treated by Purchaser and Seller as an adjustment to the Purchase Price.

ARTICLE XIII

MISCELLANEOUS

13.1 Fees and Expenses. Except as otherwise expressly provided in this Agreement, each of the parties hereto, and not the Company, shall bear and pay all fees, costs and expenses incurred by it in connection with the origin, preparation, negotiation, execution and delivery of this Agreement, the other transaction Documents and the transactions contemplated hereby or thereby (whether or not such transactions are consummated), including, without limitation, any fees, expenses or commissions of its attorneys, accountants and other representatives.

The parties hereto may from time to time change their respective addresses for the purpose of notices to that party by a similar notice specifying a new address, but no such change shall be deemed to have been given until it is actually received by the party sought to be charged with its contents.

13.3 Amendment; Waiver. Neither this Agreement, nor any of the terms or provisions hereof, may be amended, modified, supplemented or waived except by a written instrument signed by all of the parties hereto (or, in the case of a waiver, by the party or parties granting such waiver). No waiver of any of the provisions of this Agreement shall be deemed to be or shall constitute a waiver of any other provision hereof (whether or not similar), nor shall

such waiver constitute a continuing waiver. No failure of a party hereto to insist upon strict compliance by another party hereto with any obligation, covenant, agreement or condition contained in this Agreement shall operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Whenever this Agreement requires or permits consent by or on behalf of a party hereto, such consent shall be given in a manner consistent with the requirements for a waiver of compliance as set forth in this Section 13.3.

13.4 Assignment. This Agreement and all of the terms and provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, but neither this Agreement nor any of the rights, interests or obligations of the parties hereunder may be assigned by any of the parties hereto without the prior written consent of the other parties; provided, however, that the Purchaser may assign this Agreement and its rights and obligations hereunder to any of its Affiliates which has assumed such obligations without the prior written consent of the Seller, but notwithstanding such assignment Purchaser shall not be released from its obligations hereunder. Any assignment which contravenes this Section 13.4 shall be void *ab initio*.

13.5 Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Georgia, without giving effect to the conflicts of laws principles thereof, or of any other jurisdictions.

13.6 Severability. Each term and provision of this Agreement constitutes a separate and distinct undertaking, covenant, term and/or provision hereof. In the event that any term or provision hereof shall be determined to be unenforceable, invalid or illegal in any respect, such unenforceability, invalidity or illegality shall not affect any other term or provision hereof, but this Agreement shall be construed as if such unenforceable, invalid or illegal term or provision had never been contained herein. Moreover, if any term or provision hereof shall for any reason be held to be excessively broad as to time, duration, activity, scope or subject, it shall be construed, by limiting and reducing it, so as to be enforceable to the extent permitted under applicable Law as it shall then exist.

13.7 No Third Party Beneficiaries. Except as and to the extent provided in Article XII hereof, nothing in this Agreement is intended, nor shall anything herein be construed, to confer any rights, legal or equitable, in any person or entity other than the parties hereto and their respective successors and permitted assigns.

13.8 Public Announcements. Except as reasonably necessary to comply with applicable Law or judicial order, none of the parties hereto, nor any of their respective Affiliates, successors or assigns, shall issue any press release or make any public announcement or disclosure with respect to this Agreement or the transactions contemplated hereby without the prior consent of the other party or parties hereto.

13.9 Singular and Plural Forms. The use herein of the singular form shall also denote the plural form, and the use of the plural form shall denote the singular form, as in each case the context may require.

13.10 References. All references herein to Articles, Sections, Schedules and Exhibits shall be to Articles and Sections of and Schedules and Exhibits to this Agreement.

13.11 Headings. The headings contained in this Agreement are for convenience of reference only and shall not constitute a part hereof or define, limit or otherwise affect the meaning of any of the terms or provisions hereof.

13.12 Entire Agreement. This Agreement, together with the schedules and exhibits hereto, constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all prior understandings, agreements and arrangements, both oral and written, between the parties with respect to the subject matter hereof.

23. Assignability. Neither this Agreement nor any right or claim arising out of or in connection with this Agreement shall be assignable by Licensee or by operation of law without the prior written consent of Kangaroo. Kangaroo's rights and obligations hereunder may be assigned without the consent of Licensee.

If Licensee shall upon request fail or omit to make such changes or cause them to be made, then Kangaroo shall have the right to enter upon the Location without being deemed guilty of trespass or any other tort, and shall have the right to make such changes or cause them to be made at the expense of Licensee, which expense Licensee shall pay upon demand. Licensee shall also immediately upon request of Kangaroo, turn over and deliver to Kangaroo, its representatives, agents or assigns, all matters and things bearing the Kangaroo Marks, including but not limited to, all manuals, uniforms, and paper products.
