TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (as amended, supplemented, amended and restated or otherwise modified from time to time, this "Security Agreement"), dated as of June 18, 2000 is made by TELSOURCE CORPORATION, a New Jersey corporation (the "Grantor"), in favor of KEYBANK NATIONAL ASSOCIATION, as collateral agent (in such capacity, the "Collateral Agent") for the benefit of the Secured Parties (as defined in the Credit Agreement referred to below).

WITNESSETH:

WHEREAS, pursuant to a Credit Agreement, dated as of June 18, 2000 (as amended, supplemented, amended and restated or otherwise modified from time to time, (the "Credit Agreement"), among the Telsource Corporation, a New Jersey corporation (the "Borrower"), the various financial institutions as are, or may from time to time become, parties thereto (collectively, the "Lenders"), and KeyBank National Association, as administrative agent, the Lenders have extended Commitments to make Credit Extensions to the Borrower;

WHEREAS, in connection with the Credit Agreement, the Grantor has executed and delivered the Obligor Pledge and Security Agreement, dated as of June 18, 2000 (as amended, supplemented, amended and restated or otherwise modified from time to time, the "Obligor Pledge and Security Agreement");

WHEREAS, as a condition precedent to the making of the Credit Extensions (including the initial Credit Extension) under the Credit Agreement, the Grantor is required to execute and deliver this Security Agreement and to grant to the Collateral Agent and the other Secured Parties a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Secured Obligations; and

WHEREAS, the Grantor will obtain benefits from the incurrence of the Secured Obligations under the Credit Agreement and Lender Hedge Agreements and, accordingly, desires to execute this Security Agreement in order to satisfy the condition described in the preceding paragraph and to induce the Secured Parties to extend Credit Extensions and enter into Lender Hedge Agreements;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Credit Extensions (including the initial Credit Extension) to the Borrower pursuant to the Credit Agreement, the Grantor agrees, for the benefit of the Collateral Agent and each of the Secured Parties as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Security Agreement, including its preamble and recitals, have the meanings provided (or incorporated by reference) in the Obligor Pledge and Security Agreement.

SECTION 2. Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Secured Obligations, the Grantor does hereby mortgage, pledge and hypothecate to the Collateral Agent and the other Secured Parties, and grant to the Collateral Agent and the other Secured Parties a security interest in, for its benefit, all of the following property (the "Trademark Collateral"), whether now owned or hereafter acquired or existing by it:

(a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of a like nature (all of the foregoing items in this clause (a) being collectively called a "Trademark"), now existing anywhere in the world or hereafter adopted or acquired, whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America or any State thereof or any foreign country, including those referred to in Item A of Attachment 1 attached hereto;

(b) all Trademark licenses, including each Trademark license referred to in Item B of Attachment 1 attached hereto;

(c) all reissues, extensions or renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clauses (a) and (b); and

(e) all proceeds of, and rights associated with, the foregoing, including any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, including any Trademark, Trademark registration or Trademark license referred to in Item A and Item B of Attachment 1 attached hereto, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license.

SECTION 3. Security Agreement. This Security Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of the Collateral Agent and the other Secured Parties in the Trademark Collateral with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Collateral Agent and the other Secured Parties for its benefit under the Obligor Pledge and Security Agreement. The Obligor Pledge and Security Agreement (and all rights and remedies of the Collateral Agent and the other Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Security Interest. Upon the occurrence of the Termination Date, the Collateral Agent will, at the request and at the sole expense of the Grantor, execute and deliver to the Grantor such documents and instruments as the Grantor shall reasonably request to release the lien on and security interest in the Trademark Collateral that has been granted hereunder.

SECTION 5. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Obligor Pledge and Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document, etc. This Security Agreement is a Loan Document executed pursuant to the Credit Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions of the Credit Agreement.

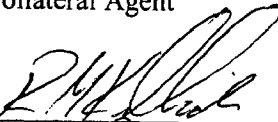

SECTION 7. Counterparts. This Security Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Trademark Security Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
