WHEREAS, pursuant to the U.S. Guarantee and Collateral Agreement, the Grantors have granted, pledged, assigned and hypothecated to the Administrative Agent, for the ratable benefit of the Lenders, a continuing security interest in all right, title and interest of the Grantors in and to, among other things, the Collateral.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

Section 1. Security Interest.

(a) Grant of Security Interest. As security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations, each of the Grantors hereby assigns, transfers and conveys as collateral security to the Administrative Agent, for the ratable benefit of the Lenders, and grants a continuing security interest in and mortgage to the Administrative Agent, for the ratable benefit of the Lenders, of all of such Grantor's

(b) Continuing Security Interest. Each Grantor agrees that this Trademark Security Agreement shall create a continuing security interest in the Trademark Collateral which shall remain in effect until terminated in accordance with the terms of the U.S. Guarantee and Collateral Agreement.

Section 2. Supplement to U.S. Guarantee and Collateral Agreement. This Trademark Security Agreement has been entered into in conjunction with the security interests granted to the Administrative Agent, for the ratable benefit of the Lenders, under the U.S. Guarantee and Collateral Agreement or other security documents referred to therein. The rights and remedies of Administrative Agent and the Lenders, with respect to the security interests granted herein are without prejudice to, and are in addition to those set forth in the U.S. Guarantee and Collateral Agreement or any other security documents referred to therein, all terms and provisions of which are incorporated herein by reference.

Section 3. Representations and Warranties. Each Grantor jointly and severally represents and warrants to the Administrative Agent and each of the other Lenders, that a true and correct list of all of the existing Trademark Collateral consisting of U.S. trademarks, Trademark registrations or applications owned by such Grantor, in whole or in part, is set forth in Schedule A.

Agreement, or for assuring, confirming or protecting the grant or perfection of the security interest granted or purported to be granted hereby, to ensure each Grantor's compliance with this Trademark Security Agreement or to enable the Administrative Agent to exercise and enforce its rights and remedies hereunder with respect to the Trademark Collateral, including any documents for filing with the United States Patent and Trademark Office ("PTO") or any applicable state office. The Administrative Agent, for the ratable benefit of the Lenders, may record this Trademark Security Agreement, an abstract thereof, or any other document describing the Administrative Agent's interest in the Trademark Collateral with the PTO, at the expense of each Grantor. In addition, each Grantor authorizes the Administrative Agent to file financing statements describing the Trademark Collateral in any Uniform Commercial Code filing office deemed appropriate by the Administrative Agent. If any Grantor shall at any time hold or acquire a commercial tort claim arising with respect to the Trademark Collateral, such Grantor shall immediately notify the Administrative Agent in a writing signed by such Grantor of the brief details thereof and grant to the Administrative Agent in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Trademark Security Agreement, with such writing to be in form and substance satisfactory to the Administrative Agent.

Such Grantor shall give prompt notice in writing to the Administrative Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting such Grantor's obligations under this Section 5, such Grantor authorizes the Administrative Agent unilaterally to modify this Trademark Security Agreement by amending Schedule A to include any such new patent or trademark rights. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule A shall in any way affect, invalidate or detract from the Administrative Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule A.

Section 6. Binding Effect. This Trademark Security Agreement shall be binding upon, inure to the benefit of and be enforceable by each Grantor, the Administrative Agent, the Lenders and their respective successors and assigns. This Trademark Security Agreement and the U.S. Guarantee and Collateral Agreement, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior drafts and communications relating to such subject matter. Neither this Trademark Security Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the U.S. Guarantee and Collateral Agreement. Notwithstanding the foregoing, the Administrative Agent unilaterally may re-execute this Trademark Security Agreement or modify, amend or supplement the Schedules hereto as provided in Section 5 hereof. To the extent that any provision of this Trademark Security Agreement conflicts with any provision of the U.S. Guarantee and Collateral Agreement, the provision giving the Administrative Agent greater rights or remedies shall govern, it

being understood that the purpose of this Trademark Security Agreement is to add to, and not detract from, the rights granted to the Administrative Agent under the U.S. Guarantee and Collateral Agreement.

Section 9. Counterparts. Delivery of an executed counterpart of this Trademark Security Agreement by facsimile shall be equally as effective as delivery of a manually executed counterpart. Any party hereto delivering a counterpart of this Trademark Security Agreement by facsimile shall also deliver a manually executed counterpart, but the failure to so deliver a manually executed counterpart shall not affect the validity, enforceability, or binding effect hereof.

Section 10. No Inconsistent Requirements. Each Grantor acknowledges that this Trademark Security Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and each Grantor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

Section 11. Severability. If one or more provisions contained in this Trademark Security Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Trademark Security Agreement.

Section 12. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the U.S. Guarantee and Collateral Agreement.

Section headings in this Trademark Security Agreement are included herein for convenience of reference only and are not to affect the construction of, or to be taken into consideration in interpreting, this Trademark Security Agreement. This Trademark Security Agreement shall not be construed against any party hereto as the drafters of this Trademark Security Agreement.
