3. Restrictions on Future Agreements. The Borrower agrees that until the Indebtedness has been paid in full and all Commitments have expired, the Borrower will not, without the Lender's prior written consent, enter into any agreement (including, without limitation, a license agreement) which is inconsistent with the Borrower's obligations under this Agreement, and the Borrower further agrees that it will not take any action, or permit any action to be taken by another subject to its control, including licensees subject to its control, or fail to take any action, which would materially adversely affect the validity or enforcement of the rights transferred to the Lender under this Agreement.

4. New Patents, Trademarks and Licenses. The Borrower represents and warrants that the Patents, Trademarks and Licenses listed on Schedules 1, 2 and 3, respectively, constitute all of the patents, trademarks, applications and licenses registered or filed in the United States and now owned by the Borrower. The Borrower hereby authorizes the Lender to modify this Agreement by amending Schedules 1, 2 and 3, as applicable, to include any future patents, patent applications, trademarks, trademark registrations, trademark applications, trade names and licenses which are Patents, Trademarks or Licenses, as applicable, under Section 1 above or under this Section 4.

5. Term. The rights granted herein shall extend until the Indebtedness has been paid in full and all Commitments have expired.

6. Right to Inspect and Quality Control. The Lender shall have the right, at any time and from time to time during normal business hours, to inspect the Borrower's premises and to examine the Borrower's books, records and operations, including, without limitation, the Borrower's quality control processes. The Borrower agrees that, after the occurrence of an Event of Default, the Lender or an agent or conservator appointed by the Lender, shall have the right to establish such additional product quality controls as the Lender, or said agent or conservator, in its sole judgment, may deem necessary to assure maintenance of the quality of products and services sold by the Borrower under the Trademarks. The Borrower agrees: (a) not to sell or assign its interest in, or grant any license under, any of the Intellectual Property without the prior written consent of the Lender; (b) to maintain the quality of any and all products and services in connection with which the Trademarks are used, consistent with the quality and services of said products and services as of the date hereof; and (c) not to change adversely the quality of said products and services without the Lender's express written consent.

7. Nontransferable License. Lender hereby grants to Borrower the exclusive, nontransferable right and license: (a) under the Intellectual Property to make, have made for it, use and sell the inventions claimed in the Patents to make, have made for it, use and sell the inventions disclosed and claimed in the Patents for Borrower's own benefit and account and for none other; and (b) to use the Intellectual Property on and in connection with the products sold by Borrower for Borrower's own benefit and account and none other; provided, however, that Borrower's right and license as provided above in this Section shall terminate upon the occurrence of an Event of Default. The grant by Lender to Borrower contained in this Section is made without any representation or warranty by, or recourse to, the Lender. Borrower agrees not to sell or assign its interest in, or grant any sublicense under the license granted to Borrower by Lender in this Section, without prior written consent of Lender.

8. Reassignment to the Borrower. This Agreement is made for Intellectual Property purposes only. Upon payment in full of the Indebtedness and the expiration of all Commitments, the Lender shall execute and deliver to the Borrower all deeds, releases, assignments and other instruments as maybe necessary or proper to reassign to the Borrower the full right, title and interest of Lender in and to the Intellectual Property, without any representation or warranty by, or recourse to, the Lender.

9. Duties of the Borrower. The Borrower shall have the duty: (a) to pay all taxes, all maintenance and all other fees, and all other amounts necessary to maintain in full force and effect all of the Intellectual Property; (b) to prosecute diligently any patent application of the Patents and any trademark application of the Trademarks pending as of the date hereof or at any time hereafter until the Indebtedness has been fully paid and all Commitments have expired; (c) to make application on unpatented but patentable inventions and on trademarks, as appropriate; (d) to preserve and maintain all rights in patent applications and patents of the Patents and in trademark applications, trademarks, and trademark registrations of the Trademarks; and (e) to take all reasonable steps to protect the confidentiality of the Proprietary Information. Any expenses incurred in connection with such applications shall be borne entirely by the Borrower, and the Lender shall have no obligation or liability to pay any taxes or fees or other amounts, nor shall the Lender have any duties in connection with applications or maintenance of rights in the Intellectual Property. The Borrower shall not abandon any right to file a patent application or

trademark application, or any pending patent application, trademark application, patent or trademark listed on Schedule 1, 2 or 3 of this Agreement without the consent of the Lender.

10. Lender's Right to Sue. At any time after and during the continuance of an Event of Default, the Lender shall have the right, but shall not have any obligation, to bring suit in its own name to enforce the Lender's interest in the Intellectual Property, and, if the Lender shall commence any such suit, the Borrower shall, at the request of the Lender, do at and all lawful acts and execute any and all proper documents required by the Lender in aid of such enforcement and the Borrower shall promptly, upon demand, reimburse and indemnify the Lender for all costs and expenses incurred by the Lender in the exercise of its rights under this Section 10 including reasonable attorneys fees incurred by it.

11. Undertakings. The Borrower agrees to execute any documents including, but not limited to, any financing statement or related document to be filed with any public office deemed necessary by the Lender, that the Lender reasonably requests, to protect the Lender's interests in the Intellectual Property. The Borrower agrees to make any modifications in this Agreement as may be reasonably necessary to permit this document to be recorded in the United States Patent and Trademark Office.

12. Cumulative Remedies: Power of Attorney: Effect on Security Agreement. All of the Lender's rights and remedies with respect to the Intellectual Property shall be cumulative and may be exercised singularly or concurrently. Upon the occurrence of an Event of Default, the Borrower's license under the Intellectual Property set forth in Section 7 shall immediately terminate, and the Lender shall be entitled to exercise in respect to the Intellectual Property all of the rights and remedies available to a secured party upon default under the Uniform Commercial Code (or the law of any jurisdiction to which any of the Intellectual Property is subject) at the time and, in addition thereto, the rights and remedies provided for herein and such other rights and remedies as may be provided for by law. The Borrower hereby irrevocably constitutes and appoints the Lender and any officer or agent of the Lender as its attorney-in-fact, with such power being coupled with an interest, with full power and substitution to do any of the following in the place and stead of Borrower and in the name of Borrower: (a) endorse the Borrower's name on all applications, documents, papers and instruments that may be necessary or desirable as determined by Lender, for the exercise of the Lender's rights under this Agreement including, but not limited to, permitting the Lender to become a "secured party in possession" for purposes of the Uniform Commercial Code; (b) take all necessary actions to sell and transfer title in and dispose of the Intellectual Property; (c) demand, collect, receive, receipt for, sue and recover all sums of money or other property which may now or hereafter become due, owing or payable from the Intellectual Property; (d) execute, sign and endorse any and all claims, instruments, receipts, checks, drafts or warrants issued in payment for the Intellectual Property; (e) to settle or compromise any and all claims arising under the Intellectual Property, and, in the place and stead of Borrower, to execute and deliver its release and settlement for the claim; and (f) to file any claim or claims or to take any action or institute or take part in any proceedings, either in its own name or in the name of Borrower, or otherwise which in the sole discretion of Lender may seem to be necessary or advisable. This power is given as security for the Indebtedness, and the authority hereby conferred is and shall be irrevocable and shall remain in full force and effect until renounced in writing signed by the Lender. The Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. In the event the Lender exercises its rights and sells the Intellectual Property to be applied against the outstanding Indebtedness in accordance with its rights hereunder, the Lender shall dispose of the Intellectual Property at a public or private sale, in accordance with applicable provisions under the Uniform Commercial Code (or the law of any jurisdiction to which any of the Intellectual Property is subject), and any notice required to be given shall be given at least ten (10) days before the proposed sale. The Borrower shall, in the event of such sale and upon Lender's request, duly execute and acknowledge all documents deemed necessary or advisable by Lender to record title to the Intellectual Property in the name of the purchaser, including valid, recordable assignments of any Patents, Trademarks or Licenses. All proceeds received by the Lender pursuant to the exercise of the Lender's right under this Section shall be applied as follows: first to reimburse all costs and attorneys' fees incurred by the Lender in collection of such proceeds, second to the Indebtedness in such order as the Lender shall determine, and third to the Borrower.

13. Amendments. This Agreement, together with any Related Documents, constitutes the entire understanding and agreement of the parties as to the matters set forth in this Agreement and supersedes all prior written and oral agreements and understandings, if any, regarding same. No alteration of or amendment to this

Agreement shall be effective unless given in writing and signed by the party or parties sought to be charged or bound by the alteration or amendment.

14. Applicable Law. This Agreement has been delivered to Lender and is performable in Milwaukee County, Wisconsin. Courts within the State of Wisconsin have jurisdiction over any dispute arising under or pertaining to this Agreement and venue for such dispute shall be in Milwaukee County, Wisconsin. THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF WISCONSIN AND APPLICABLE FEDERAL LAWS.

15. JURY WAIVER. THE UNDERSIGNED AND LENDER (BY ITS ACCEPTANCE HEREOF) HEREBY VOLUNTARILY, KNOWINGLY, IRREVOCABLY AND UNCONDITIONALLY WAIVE ANY RIGHT TO HAVE A JURY PARTICIPATE IN RESOLVING ANY DISPUTE (WHETHER BASED UPON CONTRACT, TORT OR OTHERWISE) BETWEEN OR AMONG THE UNDERSIGNED AND LENDER ARISING OUT OF OR IN ANY WAY RELATED TO THIS DOCUMENT OR ANY OTHER RELATED DOCUMENT. THIS PROVISION IS A MATERIAL INDUCEMENT TO LENDER TO PROVIDE THE FINANCING DESCRIBED HEREIN OR IN THE OTHER RELATED DOCUMENTS. ANY OF THE UNDERSIGNED OR LENDER MAY FILE AN ORIGINAL COUNTERPART OR COPY OF THIS DOCUMENT WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE UNDERSIGNED AND LENDER TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

16. Attorneys' Fees; Expenses. Borrower will upon demand pay to Lender the amount of any and all costs and expenses (including without limitation, reasonably attorneys' fees and expenses) which Lender may incur in connection with: (a) the perfection and preservation of the Intellectual Property assignment and security interests created under this Agreement; (b) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, the Intellectual Property; (c) the exercise or enforcement of any of the rights or Lender under the Agreement; or (d) the failure by Borrower to perform or observe any of the provisions hereof.

17. Termination. Upon (a) the satisfaction in full of the Indebtedness and all obligations hereunder, (b) the expiration of all Commitments, and (c) Lender's receipt of a written request from Borrower for the termination hereof, this Agreement and the security interests created hereby shall terminate. Upon termination of this Agreement and Borrower's written request, Lender will, at Borrower's sole cost and expense, return to Borrower such of the Intellectual Property as shall not have been sold or otherwise disposed of or applied pursuant to the terms hereof and execute and deliver to Borrower such documents as Borrower shall reasonably request to evidence such termination.

18. Indemnity. Borrower hereby agrees to indemnify, defend and hold harmless Lender, and its officers, directors, shareholders, employees, agents and representatives (each an "Indemnified Person") from and against any and all liabilities, obligations, claims, losses, damages, penalties, actions, judgments, suites, costs, expenses or disbursements of any kind or nature (collectively, the "Claims") which may be imposed on, incurred by or asserted against, any Indemnified Person (whether or not caused by an Indemnified Person's sole, concurrent or contributory negligence) arising in connection with the Related Documents, the Indebtedness or the Intellectual Property (including, without limitation, the enforcement of the Related Documents and the defense of any Indemnified Person's action or inactions in connection with the Related Documents), except to the limited extent that the Claims against the Indemnified Person are proximately caused by such Indemnified Person's gross negligence or willful misconduct. The Indemnification provided for in this Section shall survive the termination of this Agreement and shall extend and continue to benefit each individual or entity who is or has at any time been an Indemnified Person hereunder.

19. Caption Headings. Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

20. Notices. All notices required to be given under this Agreement shall be given in writing, and shall be effective when actually delivered or when deposited with a nationally recognized overnight courier or deposited in the United States mail, first class, postage prepaid, addressed to the party to whom the notice is to be given at the address shown above. Any party may change its address for notices under this Agreement by giving formal written

notice to the other parties, specifying that the purpose of the notice is to change the party's address. For notice purposes, Borrower will keep Lender informed at all times of Borrower's current address.

21. Severability. If a court of competent jurisdiction finds any provision of this Agreement to be invalid or unenforceable as to any person or circumstances, such finding shall not render that provisions invalid or unenforceable as to any other persons or circumstances. If feasible, any such offending provision shall be deemed to be modified to be within the limits of enforceability or validity; however, if the offending provision cannot be so modified, it shall be stricken and all other provisions of this Agreement in all other respects shall remain valid and enforceable.

22. Successor Interests. This Agreement shall be binding upon and inure to the benefit of the parties, their successors and assigns; provided, however, Borrower's rights and obligations hereunder may not be assigned or otherwise transferred without the prior written consent of Lender.

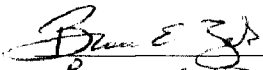

23. Waiver. Lender shall not be deemed to have waived any rights under this Agreement unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Agreement shall not prejudice or constitute a waiver of Lender's right to thereafter demand strict compliance with that provision or any other provision of this Agreement. No prior waiver by Lender, nor any course of dealing between Lender and Borrower, shall constitute a waiver of any of Lender's rights or of any of Borrower's obligations as to any future transactions. Whenever the consent of Lender is required under this Agreement, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.
