**TRADEMARK ASSIGNMENT AGREEMENT**

**TRADEMARK ASSIGNMENT AGREEMENT** dated October 26, 2001 (the "Agreement") by and between **THE DERBY CYCLE CORPORATION**, a Delaware corporation ("Assignor"), and **RALEIGH AMERICA INC.**, a Delaware corporation and wholly-owned subsidiary of Assignor ("Assignee").

**WHEREAS**, Assignor owns all right, title, and interest in and to the trademarks, tradenames and logos, and the registrations and applications therefor, listed on Schedule 1 annexed hereto, in the countries listed thereon, and the goodwill associated therewith (collectively, the "Marks");

**WHEREAS**, pursuant to Section J(4) of the Modification and Supplement Agreement (the "Modification Agreement"), to the Asset Purchase Agreement (as amended, the "Asset Purchase Agreement"), dated as of August 20, 2001, between Assignor and Cycle Bid Co., a Delaware corporation (the "Buyer"), dated October 26, 2001, by and among Assignor, the Buyer and the other parties named therein, Assignor has agreed, among other things, to sell to Assignee all right, title and interest of Assignor in and to the Marks.

**NOW, THEREFORE**, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

Assignor does hereby sell and assign to Assignee all of Assignor's right, title and interest in, to and under the following:

1. the Marks;
2. all proceeds of the Marks, including, without limitation, any claim by Assignor against third parties for past, present or future infringement of the Marks, and
3. the goodwill symbolized by and associated with the business conducted under the Marks.

Upon the request and at the expense of Assignee, Assignor hereby agrees promptly to execute all papers and to perform such other proper acts reasonably necessary to secure to Assignee, or to its successors and assigns, or reasonably requested by Assignee in connection with securing, the rights hereby transferred, including but not limited to Assignor's execution of assignments in recordable form within a reasonable amount of time after the date hereof in each jurisdiction where trademark or service mark registrations or applications may be issued or pending, Assignor's delivery of originals or copies of all files relating to the Marks and Assignor's provision to Assignee of a list of the name, address and phone number or other contact information for all trademark agents and attorneys used by Assignor to assist with the registration or maintenance of

Assignor's rights in and to the Marks outside of the United States. Further, upon Assignee's request and at Assignee's expense, Assignor agrees to cooperate fully with Assignee in obtaining assignments in recordable form from Assignor's predecessors-in-interest in all jurisdictions where such assignments may be necessary to complete the "chain of title" to Assignee or to its successors or assigns. To the extent that any trademarks, tradenames or logos, or registrations or applications therefor do not appear on Schedule 1 annexed hereto and are owned by Assignor or with respect to which Assignor otherwise has rights, the foregoing and the goodwill associated therewith shall be deemed to be included in the Marks.

This Agreement shall be binding upon and shall inure to the benefit of the parties hereto, their successors and permitted assigns.

This Agreement, together with the Trademark Assignment and Exchange Agreement, Modification Agreement, the Asset Purchase Agreement and the Note, contains the entire agreement among the parties with respect to the subject matter hereof and supersedes all prior agreements, written or oral, with respect thereto.

This Agreement may be amended, extended, superseded, canceled, or renewed, and the terms hereof may be waived, only by a written instrument signed by the parties, or, in the case of a waiver, by the party waiving compliance. No delay on the part of any party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any party of such right, power or privilege, nor any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other such right, power or privilege.

This Agreement is governed by the laws of the State of New York applicable to contracts made and performed wholly within such state, without reference to its conflicts of laws provisions.

This Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.
