Pursuant to Section 4.1.4 of the Security Agreement, the Grantor is required to deliver to the Collateral Agent all financing statements and other documents and take such other actions as may from time to time be requested by the Collateral Agent in order to maintain a first perfected security interest in and, if applicable, Control of, the Collateral; and

WHEREAS, pursuant to the Security Agreement, the Grantor has granted the Collateral Agent a security interest in all of its property, including its trademarks. The Grantor is executing this Subsidiary Trademark Security Agreement in accordance with the requirements of the Security Agreement to permit the Collateral Agent to protect its security interest in the Grantor's trademarks, all of which constitute "Collateral" under the Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. **DEFINED TERMS.** For the purposes of the Subsidiary Trademark Security Agreement, the following terms shall have the following meanings:

"Trademark License" means rights under any written agreement now owned or hereafter acquired by any Credit Party granting any right to use any Trademark.

"Trademarks" means all of the following now owned or hereafter adopted or acquired by any Credit Party: (a) all trademarks, trade names, corporate names, business names, trade styles, service marks, logos, internet domain names, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature (whether registered or unregistered), all registrations and recordings thereof, and all applications in connection therewith, including registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any state or territory thereof, or any other country or any political subdivision thereof; (b) all reissues, extensions or renewals thereof; and (c) all goodwill associated with or symbolized by any of the foregoing.

All other capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL.

Grantor hereby grants (and reaffirms its prior grant in the Security Agreement) to Collateral Agent, on behalf of itself and the Secured Parties, a continuing first priority security interest in all of Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of its Trademarks and Trademark Licenses to which it is a party including those referred to on Schedule I hereto;
- (b) all reissues, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and
- (d) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Subsidiary Trademark Security Agreement are granted in conjunction with the security interests granted to the Collateral Agent, on behalf of itself and the Secured Parties, pursuant to the Security Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
