Section 3. No Release. Nothing set forth in this Agreement shall relieve Pledgor from the performance of any term, covenant, condition or agreement on Pledgor's part to be performed or observed under or in respect of any of the Pledged Collateral or from any liability to any Person under or in respect of any of the Pledged Collateral or impose any obligation on the Secured Creditor to perform or observe any such term, covenant, condition or agreement on Pledgor's part to be so performed or observed or impose any liability on the Secured Creditor for any act or omission on the part of Pledgor relating thereto or for any breach of any representation or warranty on the part of Pledgor contained in this Agreement or any other Loan Document or under or in respect of the Pledged Collateral or made in connection herewith or therewith. The obligations of Pledgor contained in this Section 3 shall survive the termination of this Agreement and the discharge of Pledgor's other obligations hereunder and under the other Loan Documents.

Section 4. Supplements; Further Assurances. Pledgor (1) agrees that it will join with the Secured Creditor in executing and, at its own expense, will file and refile, or permit the Secured Creditor to file and refile, such financing statements, continuation statements and other documents (including, without limitation, this Agreement and exclusive licenses to use software and other property protected by copyright), in such offices (including, without limitation, the United States Patent and Trademark Office, appropriate state trademark offices and the United States Copyright Office), as the Secured Creditor may reasonably deem necessary or appropriate, wherever required or permitted by law in order to perfect and preserve the rights and interests granted to the Secured Creditor hereunder, and (2) hereby authorizes the Secured Creditor to file financing statements and amendments, relative to all or any part thereof, without the signature of Pledgor where permitted by law and agrees to do such further acts and things, and to execute and deliver to the Secured Creditor such additional assignments, agreements, powers and instruments, as the Secured Creditor may reasonably require to carry into effect the purposes of this Agreement or better to assure and confirm unto the Secured Creditor its respective rights, powers and remedies hereunder. Pledgor shall, upon the reasonable request of the Secured Creditor, and hereby authorizes the Secured Creditor to, take any and all such actions as may reasonably be deemed advisable by the Secured Creditor to perfect and preserve the rights and interests granted to the Secured Creditor with respect to the Pledged Collateral wherever located. All of the foregoing shall be at the sole cost and expense of Pledgor.

Section 5. Representations and Warranties of Pledgor. Pledgor hereby represents and warrants to the Secured Creditor as follows:

(a) Pledgor is, and, as to Pledged Collateral acquired by it from time to time after the date hereof, Pledgor will be, the sole and exclusive owner or, as applicable, licensee of all Pledged Collateral. The pledge and security interest created by this Agreement shall not at any time be subject to any prior lien, pledge, security interest, encumbrance, license, assignment, collateral assignment or charge of any kind, including, without limitation, any filing or agreement to file a financing statement as debtor under the UCC or any similar statute or any subordination arrangement in favor of any party other than Pledgor (collectively, "Liens"), except for those Liens set forth on Schedule D hereto (collectively, "Prior Liens") and except Permitted Liens. Pledgor further represents and warrants to the Secured Creditor that Schedules A, B and C hereto, respectively, are true, correct and complete lists as of the date hereof of all Patents, Trademarks and Copyrights owned by Pledgor and that Schedules D, E and F hereto are true and correct with respect to the matters set forth therein as of the date hereof.

(b) Pledgor has full corporate power or full power as a limited liability company, authority and legal right to pledge and grant a security interest in the Pledged Collateral in accordance with the terms of this Agreement and this Agreement constitutes the legal, valid and binding obligation of Pledgor, enforceable against Pledgor in accordance with its terms.

(c) Except as set forth on Schedule E hereto and except for filings with the Patent and Trademark Office, under the UCC and under applicable foreign law, no authorization, consent, approval, license, qualification or formal exemption from, nor any filing, declaration or registration with, any court (other than in connection with the exercise of judicial remedies), governmental agency or regulatory authority, or with any securities exchange or any other Person is required in connection with (1) the pledge by Pledgor of the Pledged Collateral pursuant to this Agreement, or the execution, delivery or performance by Pledgor of this Agreement, (2) the grant of a security interest (including the priority thereof when the appropriate filings have been made and accepted) in, the Pledged Collateral by Pledgor in the manner and for the purpose contemplated by this Agreement or (3) the exercise of the rights and remedies of the Secured Creditor created hereby.

(d) Pledgor has made and will continue to make all necessary filings and recordations from time to time and use appropriate statutory notice to protect its interests in the Pledged Collateral, including, without limitation, recordations of all its interests in the Patents and Trademarks in the United States Patent and Trademark Office and in corresponding offices throughout the world and its claims to Copyrights in the United States Copyright Office, in each case including exclusive licenses and as otherwise requested from time to time by Collateral Agent and in a manner consistent with prudent business practices.

(e) Pledgor owns or has rights to use all the Pledged Collateral and all rights with respect to any of the foregoing used in, necessary for or material to Pledgor's business as currently conducted and as contemplated to be conducted pursuant to the Loan Documents. To Pledgor's best knowledge the use of such Pledged Collateral and all rights with respect to the

foregoing by Pledgor does not infringe on the rights of any Person and, except as set forth on Schedule F attached hereto, no material claim has been made and remains outstanding that Pledgor's use of the Pledged Collateral does or may violate the rights of any third person.

(f) Upon filings and the acceptance thereof in the appropriate offices under the UCC and in the United States Patent and Trademark Office and the United States Copyright Office, this Agreement will create a valid and duly perfected first priority lien and security interest in the United States in the Pledged Collateral on such property and to the extent that a lien can be perfected by such filings, subject to no Liens other than Prior Liens. This Agreement has been duly and validly executed and delivered by Pledgor, constitutes the legal, valid and binding obligation of Pledgor and is enforceable against Pledgor in accordance with its terms.

Section 6. Covenants. (a) On a continuing basis, Pledgor will, at the expense of Pledgor, subject to any prior licenses, Liens and restrictions make, execute, acknowledge and deliver, and file and record in the proper filing and recording offices, all such instruments or documents, including, without limitation, appropriate financing and continuation statements, exclusive licenses and collateral agreements, and take all such action (limited, as aforesaid, if applicable) as may reasonably be deemed necessary or appropriate by the Secured Creditor (1) to carry out the intent and purposes of this Agreement, (2) to assure and confirm to the Secured Creditor the grant or perfection of a security interest in the Pledged Collateral for the benefit of the Secured Creditor, and (3) during the continuation of an Event of Default, to enable the Secured Creditor to exercise and enforce their rights and remedies hereunder with respect to any Pledged Collateral. Without limiting the generality of the foregoing, Pledgor:

(A) will not enter into any agreement that would impair or conflict with Pledgor's obligations hereunder;

(B) will, from time to time, upon the Secured Creditor's request, cause its books and records to be marked with such legends or segregated in such manner as the Secured Creditor may specify and take or cause to be taken such other action and adopt such procedures as the Secured Creditor may specify to give notice or to perfect the security interest in the Pledged Collateral intended to be conveyed hereby;

(C) will, promptly following its becoming aware thereof, notify the Secured Creditor of

(i) any materially adverse determination in any proceeding in the United States Patent and Trademark Office or United States Copyright Office with respect to any Patent, Trademark or Copyright material to Pledgor's business; or

(ii) the institution of any proceeding or any materially adverse determination in any federal, state, local or foreign court or administrative bodies regarding Pledgor's claim of ownership in or right to use any of the Pledged Collateral, its right to register the Pledged Collateral, or its right to keep and maintain such registration in full force and effect;

(D) will properly maintain and protect the Pledged Collateral to the extent necessary or appropriate for the conduct of Pledgor's business (as presently conducted and as contemplated by the Loan Documents) and consistent with Pledgor's current practice in accordance with applicable statutory requirements;

(E) will not grant or permit to exist any Lien upon or with respect to the Pledged Collateral or any portion thereof except Liens in favor of the Secured Creditor or as permitted under this Agreement and Liens permitted by Section 7 hereof, and will not execute any security agreement or financing statement covering any of the Pledged Collateral except in the name of the Secured Creditor or as permitted under this Agreement;

(F) except in accordance with prudent business practices, will not permit to lapse or become abandoned, settle or compromise any pending or future litigation or administrative proceeding with respect to the Pledged Collateral without the consent of the Secured Creditor, or contract for sale or otherwise dispose of the Pledged Collateral or any portion thereof except pursuant to Section 7 hereof;

(G) upon Pledgor obtaining knowledge thereof, will promptly notify the Secured Creditor in writing of any event which may reasonably be expected to materially affect the value or utility of the Pledged Collateral or any portion thereof, the ability of Pledgor or the Secured Creditor to dispose of the Pledged Collateral or any portion thereof or the rights and remedies of the Secured Creditor in relation thereto including, without limitation, a levy or threat of levy or any legal process against the Pledged Collateral or any portion thereof;

(H) until the Secured Creditor exercises its rights to make collection, will diligently keep adequate records respecting the Pledged Collateral;

(I) subject to the first sentence of this Section 6(a), hereby authorizes the Secured Creditor, in its sole discretion, to file one or more financing or continuation statements and amendments thereto, relative to all or any part of the Pledged Collateral without the signature of Pledgor where permitted by law;

(J) will furnish to the Secured Creditor from time to time statements and amended schedules further identifying and describing the Pledged Collateral and such other materials evidencing or reports pertaining to the Pledged Collateral as the Secured Creditor may from time to time reasonably request, all in reasonable detail;

(K) will pay when due any and all taxes, levies, maintenance fees, charges, assessments, licenses fees and similar taxes or impositions payable in respect of the Pledged Collateral, except as otherwise provided in the Credit Agreement;

(L) will comply in all material respects with all laws, rules and regulations applicable to the Pledged Collateral; and

(M) will deposit with the Secured Creditor as the Secured Creditor shall reasonably request, subject to appropriate confidentiality restrictions, copies of all source code of all software owned by Pledgor which is material to the operation of Pledgor's business and such source code copy shall be of the most current version of all software and shall include all modifications and enhancements thereto and shall be annotated so as to be easily understood by a software technician of reasonable proficiency.

(b) If, before the Secured Obligations shall have been paid and satisfied in full in cash or cash equivalents, Pledgor shall, (1) obtain any rights to any additional Pledged Collateral or (2) become entitled to the benefit of any additional Pledged Collateral or any renewal or extension thereof, including any reissue, division, continuation, or continuation-in-part of any Patent, or any improvement on any Patent, the provisions of this Agreement shall automatically apply thereto and any item enumerated in clause 6(b)(1) or clause 6(b)(2) with respect to Pledgor shall automatically constitute Pledged Collateral if such would have constituted Pledged Collateral at the time of execution of this Agreement, and be subject to the assignment, Lien and security interest created by this Agreement without further action by any party. Pledgor shall promptly provide to the Secured Creditor written notice of any of the foregoing. Pledgor shall, at least once in each calendar quarter, provide written notice to the Secured Creditor of all applications for Patents and all applications for registration of Trademarks or Copyrights made during the preceding calendar quarter. Pledgor agrees, promptly following the written request by the Secured Creditor, to confirm the attachment of the lien and security interest created by this Agreement to any rights described in clause 6(b)(1) or clause 6(b)(2) above if such would have constituted Pledged Collateral at the time of execution of this Agreement by execution of an instrument in form acceptable to the Secured Creditor.

(c) Pledgor authorizes the Secured Creditor to modify this Agreement by amending Schedules A, B and/or C annexed hereto to include any future Pledged Collateral of Pledgor, including, without limitations any of the items listed in Section 6(b).

(d) Pledgor shall file and prosecute diligently all applications for Patents, Trademarks or Copyrights now or hereafter pending that would be useful or beneficial to the businesses of Pledgor to which any such applications pertain, and to do all acts necessary to preserve and maintain all rights in the Pledged Collateral unless such Pledged Collateral has become obsolete to Pledgor's business, as reasonably determined by Pledgor consistent with prudent business practices. Any and all costs and expenses incurred in connection with any such actions shall be borne by Pledgor. Except in accordance with prudent business practices, Pledgor shall not abandon any right to file a Patent, Trademark or Copyright application or any pending Patent, Trademark or Copyright application or any Patent, Trademark or Copyright without the consent of the Secured Creditor.

Section 7. Transfers and Other Liens. Pledgor will not (a) sell, convey, assign or otherwise dispose of, or grant any option with respect to, any of the Pledged Collateral except for licensing in the ordinary course of business and such other transactions as may be permitted under the Credit Agreement or (b) create or permit to exist any Lien upon or with respect to any of the Pledged Collateral, except for Liens for taxes, assessments or government charges or claims the

payment of which is not at the time required and inchoate Liens imposed by law (each of which shall, except to the extent otherwise required by law, be subordinate to the lien created by this Agreement), the Permitted Liens and the lien granted to the Secured Creditor under this Agreement.

#### **Section 8. Remedies upon Default.**

(a) If any Event of Default shall have occurred and be continuing, the Secured Creditor may to the full extent permitted by law, (1) exercise any and all rights as beneficial and legal owner of the Pledged Collateral, including, without limitation, perfecting assignment of any and all consensual rights and powers with respect to the Pledged Collateral and (2) sell or assign or grant a license to use, or cause to be sold or assigned or a license granted to use any or all of the Pledged Collateral (in the case of Trademarks, along with the goodwill associated therewith) or any part thereof, in each case, free of all rights and claims of Pledgor therein and thereto. In accordance with such rights, the Secured Creditor shall have the (A) right to cause any or all of the Pledged Collateral to be transferred of record into the name of the Secured Creditor or its nominee and (B) the right to impose (i) such limitations and restrictions on the sale or assignment of the Pledged Collateral as the Secured Creditor may deem to be necessary or appropriate to comply with any law, rule or regulation (federal, state or local) having applicability to the sale or assignment, and (ii) any necessary or appropriate requirements for any required governmental approvals or consents.

(b) Except as provided in this Section 8 and other express notice provisions of the Loan Documents, Pledgor hereby expressly waives, to the fullest extent permitted by applicable law, any and all notices, advertisements, hearings or process of law in connection with the exercise by the Secured Creditor of any of their rights and remedies hereunder.

(c) Pledgor agrees that, to the extent notice of sale shall be required by law, ten (10) days' notice from the Secured Creditor of the time and place of any public sale or of the time after which a private sale or other intended disposition is to take place shall be commercially reasonable notification of such matters. In addition to the rights and remedies provided in this Agreement and in the other Loan Documents, the Secured Creditor shall have all the rights and remedies of a Secured Creditor under the UCC.

(d) Except as otherwise provided herein, Pledgor hereby waives, to the fullest extent permitted by applicable law, notice or judicial hearing in connection with the Secured Creditor's taking possession or the Secured Creditor's disposition of any of the Pledged Collateral, including, without limitation, any and all prior notice and hearing for any prejudgment remedy or remedies and any such right which Pledgor would otherwise have under law, and Pledgor hereby further waives to the extent permitted by applicable law: (1) all reasonable damages occasioned by such taking of possession; (2) all other requirements as to the time, place and terms of sale or other requirements with respect to the enforcement of the Secured Creditor' rights hereunder; and (3) all rights of redemption, appraisal, valuation, stay, extension or moratorium now or hereafter in force under any applicable law. Any sale of, or the grant of options to purchase, or any other realization upon, any Pledged Collateral shall operate to divest all right, title, interest, claim and

demand, either at law or in equity, of Pledgor therein and thereto, and shall be a perpetual bar both at law and in equity against Pledgor and against any and all Persons claiming or attempting to claim the Pledged Collateral so sold, optioned or realized upon, or any part thereof, from, through or under Pledgor.

Section 9. Application of Proceeds. The proceeds of any Pledged Collateral obtained pursuant to the exercise of any remedy set forth in Section 8 shall be applied as provided in the Credit Agreement.

Section 10. Expenses. Pledgor will pay on demand all reasonable expenses of the Secured Creditor and the Secured Creditor in connection with the preparation, waiver or amendment of this Agreement or other Loan Documents executed in connection therewith, or the administration, default or collection of the Revolving Credit Loans or administration, default, collection in connection with the Secured Creditor's exercise, preservation or enforcement of any of its rights, remedies or options thereunder, including, without limitation, reasonable fees and disbursements of outside legal counsel or accounting, consulting, brokerage or other similar professional fees or expenses, and any reasonable fees or expenses associated with any travel or other costs relating to any appraisals or examinations conducted in connection with the Secured Obligations or any Collateral therefor, and the amount of all such expenses shall, until paid, bear interest at the rate applicable to principal hereunder (including any default rate).

Section 11. No Waiver; Cumulative Remedies. (a) No failure on the part of the Secured Creditor to exercise, no course of dealing with respect to, and no delay on the part of the Secured Creditor in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein provided are cumulative and are not exclusive of any remedies provided by law.

(b) In the event the Secured Creditor shall have instituted any proceeding to enforce any right, power or remedy under this instrument by foreclosure, sale, entry or otherwise, and such proceeding shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Secured Creditor, then and in every such case, Pledgor and the Secured Creditor shall, to the extent permitted by applicable law, be restored to their respective former positions and rights hereunder with respect to the Pledged Collateral, and all rights, remedies and powers of the Secured Creditor shall continue as if no such proceeding had been instituted.

Section 12. The Secured Creditor May Perform; the Secured Creditor Appointed Attorney-in-Fact. If Pledgor shall fail to do any act or thing that it has covenanted to do hereunder or any warranty on the part of Pledgor contained herein shall be breached, the Secured Creditor may (but shall not be obligated to) do the same or cause it to be done or remedy any such breach, and may expend funds for such purpose. Any and all amounts so expended by the Secured Creditor shall be paid by Pledgor promptly upon demand therefor, with interest at the highest rate then in effect under the Credit Agreement during the period from and including the date on which such funds were so expended to the date of repayment. Pledgor's obligations under this Section

12 shall survive the termination of this Agreement and the discharge of Pledgor's other obligations hereunder. Pledgor hereby appoints the Secured Creditor its attorney-in-fact with an interest, with full authority in the place and stead of Pledgor and in the name of Pledgor, or otherwise, from time to time in the Secured Creditor's reasonable discretion to take any action and to execute any instruments consistent with the terms of this Agreement and the other Loan Documents which the Secured Creditor may reasonably deem necessary or advisable to accomplish the purposes of this Agreement. The foregoing grant of authority is a power of attorney coupled with an interest and such appointment shall be irrevocable for the term of this Agreement. Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof.

### Section 13. Indemnity.

(a) Indemnity. Pledgor agrees to indemnify, reimburse and hold the Secured Creditor and its successors, assigns, employees, agents and servants (collectively, "Indemnitees") harmless from and against any and all liabilities, obligations, damages, injuries, penalties, claims, demands, actions, suits, judgments and any and all reasonable costs and expenses (including, without limitation, reasonable attorneys' fees and expenses and the allocated costs of internal counsel) of whatsoever kind and nature imposed on, asserted against or incurred by any of the Indemnitees in any way relating to or arising out of this Agreement or the other Loan Documents or in any other way connected with the administration of the transactions contemplated hereby or the enforcement of any of the terms hereof, or the preservation of any rights hereunder, or in any way relating to or arising out of the manufacture, processing, ownership, ordering, purchase, delivery, control, acceptance, lease, financing, possession, operation, condition, sale, return or other disposition, or use of the Pledged Collateral (including, without limitation, latent or other defects, whether or not discoverable, any claim for patent, trademark, trade secret or copyright infringement), the violation of the laws of any country, state or other governmental body or unit, any tort (including, without limitation, claims arising or imposed under the doctrine of strict liability, or for or on account of injury to or the death of any Person (including any Indemnitee)), or property damage, or contract claim; provided that Pledgor shall have no obligation to an Indemnitee hereunder to the extent it is finally judicially determined that such indemnified liabilities arise solely from the gross negligence or willful misconduct of that Indemnitee.

(b) Misrepresentations. Without limiting the application of subsection 13(a), Pledgor agrees to pay, indemnify and hold each Indemnitee harmless from and against any loss, costs, damages and expenses which such Indemnitee may suffer, expend or incur in consequence of or growing out of any material misrepresentation by Pledgor in this Agreement or any of the other Loan Documents or in any statement or writing contemplated by or made or delivered pursuant to or in connection with this Agreement or any of the other Loan Documents.

(c) Survival. The obligations of Pledgor contained in this Section 13 shall survive the termination of this Agreement and the discharge of Pledgor's other obligations hereunder and under the other Loan Documents.

(d) Reimbursement. Any amounts paid by any Indemnitee as to which such Indemnitee has the right to reimbursement shall constitute Secured Obligations secured by the Pledged Collateral.

**Section 14. Litigation.** (a) Pledgor shall have the right to commence and prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such applications for protection of Pledged Collateral, suits, proceedings or other actions for infringement, counterfeiting, unfair competition, dilution or other damage as are in its reasonable business judgment necessary to protect the Pledged Collateral. Pledgor shall promptly notify the Secured Creditor in writing as to the commencement and prosecution of any such actions, or threat thereof relating to the Pledged Collateral and shall provide to the Secured Creditor such information with respect thereto as may be reasonably requested. The Secured Creditor shall provide all reasonable and necessary cooperation in connection with any such suit, proceeding or action, including, without limitation, joining as a necessary party.

United States	Polish Composition Forming Hydrophilic Layer and Spray-Away Polishing Process	5,330,787	7/19/1994		A multi-component polish composition and polishing process for a surface. The polish composition comprises a multi-component mixture which when applied to a surface, e.g., the painted surface of a vehicle, under effective drying conditions forms a substantially dry hydrophilic wax-containing film which may be substantially removed from the surface by water rinsing of the surface whereby a hydrophobic protective layer is provided to the surface.

United States	Method and Apparatus for Monitoring and Reporting Handwashing	2/11/2018			Method and apparatus for monitoring and reporting handwashing at a washstation employs a sensor for signaling the dispensation of a cleaning agent from a dispenser, and a reporting and monitoring module. The module in turn includes an input element, an output element, a processor and memory. The module operates in employee and administrator modes. In the employee mode, the module, responsive to the receipt of input data identifying an employee and of the signaling of the dispensation of the cleaning agent, stores a compliance data record in the memory for reporting to an administrator. Compliance data can include the employee identifying data, and the time and/or the date. Upon receipt of input data identifying an administrator, the module recognizes the code and enters the administrator mode, displaying compliance data on a display for review. The reporting and monitoring module can also include provision for transferring data records from the module to a data recorder. The apparatus of the invention is intended to install quickly and easily, at lower cost, in a wide variety of washing stations, and can be used with existing, preinstalled soap dispensers.

Each applicator has an applicator pad mounted to a mount bar and the mount bar is hinged to a frame which allows articulation of the applicator pad into and out of contact with the tires. The applicator pad is configured with a plurality of orifices, each of which orifices receives fluid sprayed from a complementary spray nozzle. Each orifice has an elongated capillary which assists dispersing fluid into the pad. The spray nozzles emit fluid into the pads for a predetermined amount of time, the spraying being initiated by movement of the vehicle into proximity with the tire dressing assembly.
