WHEREAS, as an accommodation to the Loan Parties (as defined in the Credit Agreement), the Secured Parties have agreed to release from the Amended Trademark Security Agreement WBLP as a Grantor, to amend and restate the terms of the Amended Trademark

Security Agreement, and to reaffirm the assignment, pledge and transfer of the security interest and Lien (other than the Lien covering WBLP's assets) granted in the Amended Trademark Security Agreement; and

WHEREAS, it is a condition precedent to (i) the release from the Security Agreement and Trademark Security Agreement by the Secured Parties of WBLP as a Grantor, and all Trademarks owned by WBLP, including the Trademarks listed on Schedule A to the Termination and Release of Security Interest in Trademarks, dated as of the date hereof (the "WBLP Trademarks"), (ii) the exclusion of the assets of WBLP from the Collateral, (iii) the release of WBLP as a Guarantor and as a Loan Party under the Credit Agreement, and (iv) the effectiveness of the Credit Agreement, that each of the parties hereto shall have executed and delivered this Trademark Security Agreement.

NOW, THEREFORE, the Amended Trademark Security Agreement is hereby amended and restated in its entirety to read as follows:

1. Defined Terms and Rule of Construction.

(a) As used herein, capitalized terms defined in the Security Agreement (including through incorporation by reference to the Credit Agreement) and not otherwise defined herein are used herein as so defined.

(b) The rules of interpretation specified in Sections 1.2 and 1.3 of the Credit Agreement shall be applicable to this Agreement.

2. Grant of Security Interest.

(a) As security for the prompt and complete payment and performance in full of all the Secured Obligations, each Granting Party hereby assigns, pledges and transfers to the Collateral Agent for the benefit of the Secured Parties and grants to the Collateral Agent for the benefit of the Secured Parties a first priority security interest in and continuing Lien on all of its right, title and interest in, to and under the Trademarks whether now owned or existing or hereafter acquired or arising, and wherever located.

(b) For purposes of this Agreement, "Trademarks" shall mean all of the right, title, and interest of each Granting Party in and to all United States trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos, other source of business identifiers, designs and general intangibles of a like nature; all federal and state registrations and applications for any of the foregoing including, but not limited to, the United States federal and state Trademark registrations and applications referred to in Schedule A hereto; all extensions or renewals of any of the foregoing; all of the goodwill of the business connected with the use of and symbolized by the foregoing; all rights and priorities afforded under any international treaty, convention, or the like; the right to sue for past infringement or dilution of any of the foregoing or for any injury to goodwill; and all proceeds of the foregoing, including, without limitation, license royalties, income, payments, claims, damages, and proceeds of suit.

(c) Schedule A hereto contains a true and accurate list of all of the United States federal and state Trademark registrations and applications of each of the Granting Parties.

(d) The security interest granted hereby is granted in conjunction with the security interest granted to the Collateral Agent under the Security Agreement. The rights and remedies of the Collateral Agent with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement and the other Loan Documents and those which are now or hereafter available to the Collateral Agent as a matter of law or equity. Each right, power, and remedy of the Collateral Agent provided for herein, in the Security Agreement, in the other Loan Documents or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power, or remedy provided for herein, and the exercise by the Collateral Agent of any one or more of the rights, powers or remedies provided for in this Agreement, in the Security Agreement, in the other Loan Documents or now or hereafter existing at law or in equity shall not preclude the simultaneous or later exercise by any Person, including the Collateral Agent, of any or all other rights, powers or remedies.

3. Modification of Agreement.

This Agreement or any provision hereof may not be changed, waived, or terminated except in accordance with the amendment provisions of the Security Agreement. Notwithstanding the foregoing, each Granting Party hereby authorizes the Collateral Agent, upon notice to WSELP, to modify this Agreement in the name of and on behalf of the Granting Parties without obtaining the signature of such Granting Parties for such modification, to the extent that such modification constitutes an amendment of Schedule A to add any right, title, or interest in any Trademark owned or subsequently acquired by any Granting Party and the Granting Parties additionally agree to execute any additional agreement or amendment hereto as may be required by the Collateral Agent from time to time to subject any such owned or subsequently acquired right, title or interest in any Trademark to the liens and perfection created or contemplated hereby or by the Security Agreement.

This Agreement shall continue to be effective or be reinstated, as the case may be, if at any time any amount received by the Collateral Agent or any Secured Party hereunder or pursuant hereto is rescinded or must otherwise be restored or returned by the Collateral Agent or such Secured Party, as the case may be, upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of any Granting Party or upon the appointment of any intervenor or conservator of, or trustee or similar official for, any Granting Party or any substantial part of their respective assets, or upon the entry of an order by a bankruptcy court avoiding the payment of such amount, or otherwise, all as though such payments had not been made.

9. Counterparts. This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all of which shall together constitute one and the same instrument.

10. Authority of Collateral Agent. The Granting Parties acknowledge that the rights and responsibilities of the Collateral Agent under this Agreement with respect to any action taken by the Collateral Agent or the exercise or non-exercise by the Collateral Agent of any option, right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Collateral Agent and the Secured Parties, be governed by the Collateral Agency Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Collateral Agent and the Granting Parties, the Collateral Agent shall be conclusively presumed to be acting as collateral agent for the Secured Parties with full and valid authority so to act or refrain from acting, and the Granting Parties shall not be under any obligation, or entitlement, to make any inquiry respecting such authority.

11. NBA Consent Letter. Each of the provisions of this Agreement shall be subject to the provisions of the NBA Consent Letter, which the Granting Parties, the Collateral Agent and the Secured Parties have accepted as reasonable and appropriate.
