THIS ASSIGNMENT is made between the Assignor and Assignee identified above.

WHEREAS, Assignor is the owner of the trademark(s), service mark(s), application(s) and registration(s) indicated in the above schedule (G) (herein referred to as "the stated Intellectual Property"); and Assignee is desirous of acquiring the same;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor does hereby sell, assign and transfer to Assignee all right, title and interest in and to the stated Intellectual Property, all common law rights thereof, and the right to recover damages for past infringement, together with the goodwill of the business connected with the use of and symbolized thereby.

Assignor further agrees to identify and communicate to Assignee, at Assignee's request, such documents and information concerning the stated Intellectual Property that are within the possession or control of Assignor, and to provide further assurances and testimony on behalf of Assignee that may lawfully be required of Assignee in respect to maintaining the rights in the stated Intellectual Property, all without further consideration.

As required by 15 U.S.C. §1060, with respect to each (if any) of the applications listed above which was filed under Section 1(b) of the Lanham Act, 15 U.S.C. §1051(b), and in which a verified Statement of Use has not been filed, Assignor and Assignee hereby represent that Assignee is a successor to the business of Assignor, or the portion thereof to which each mark pertains, if that business is ongoing and existing.

IN WITNESS WHEREOF, the Parties have caused this Assignment to be executed by their duly authorized representatives this 27th day of May 2003 :
