TRADEMARK

TRADEMARK AND NAME ASSIGNMENT

THIS TRADEMARK AND NAME ASSIGNMENT is made as of the 4th day of April, 2003, from Simpson Timber Company, a Washington corporation ("Assignor") to Olympic Panel Products LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor is the owner of (i) the common law trademarks, service marks, and tradenames and (ii) the trademark and/or service mark registrations and/or applications identified on Schedule A attached hereto (collectively, the "Marks");

WHEREAS, Assignee is desirous of acquiring the Marks;

WHEREAS, this Assignment is being entered into pursuant to the Asset Purchase Agreement, dated as of April 4, 2003, by and between the Assignor and Assignee (as it may be amended, supplemented or restated from time to time); and

WHEREAS, Assignor is acquiring from Assignee that portion of the business to which the Marks pertain;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby sell, transfer, convey and assign unto Assignee Assignor's entire right, title and interest in and to the Marks, together with the goodwill of the business appurtenant thereto and which is symbolized thereby, and the right to prosecute any applications to register such Marks and to renew any trademark registrations which shall issue from any such applications, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment and sale not been made, together with all claims for damages by reason of past infringement of said Marks with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to transfer all registrations or applications for the Marks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee all registrations which may issue with respect to any applications for a trademark or service mark included in the Marks, in accordance with this Trademark and Name Assignment.

Assignor will take, or cause to be taken, all such other and further action as may reasonably be required by Assignee in order to effect the assignment contemplated hereby.

Assignor further covenants and agrees that Assignor will at any time upon request of Assignee, and at its expense, communicate to Assignee any facts relating to the Marks known to Assignor, and that Assignor will testify upon the request of Assignee as to the same in any proceeding in the United States Patent and Trademark Office.

IN WITNESS WHEREOF, Assignor has caused this Trademark and Name Assignment to be executed by its proper officer thereunto duly authorized, as of this 4th day of April, 2003.
