ASSIGNMENT OF TRADEMARKS (the "Assignment") made as of December 16, 2002 by Southern Pride Catfish Company, Inc., an Alabama corporation having a principal place of business at 19518 Highway 69 N, Greensboro, AL 36744 ("Seller") to Southern Pride Catfish LLC, a Delaware limited liability company having a principal place of business at 19518 Highway 69 N, Greensboro, AL 36744 ("Buyer").

WHEREAS, the Seller, Mr. Joe T. Glover, Jr., the Buyer, Southern Pride Catfish Trucking Inc. and American Seafoods Group LLC ("Buyer's Parent") are parties to an Amended and Restated Asset Purchase Agreement, dated as of December 16, 2002 (the "Agreement") providing for the execution and delivery of instruments of assignment by the Seller to the Buyer (capitalized terms used in this Assignment without definition shall have the meanings set forth in the Agreement);

WHEREAS, the Seller has adopted, used and is using the marks set forth on Schedule I to this Assignment which are registered in, or for which application for registration has been filed in, the United States Patent and Trademark Office and other marks set forth on Schedule I (collectively, the "Assigned Marks"); and

WHEREAS, the Buyer desires to purchase or acquire all of the Seller's right, title and interest in and to the Assigned Marks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Seller and the Buyer agree as follows:

The Seller hereby sells, transfers, conveys, assigns and delivers to the Buyer all right, title and interest of the Seller in and to the Assigned Marks, the registrations and applications for registrations thereof, and the goodwill of the business connected with the use thereof and symbolized thereby, free and clear of all Liens, other than Permitted Liens; all rights of priority therein in any country as may now or hereafter be granted to it by law, treaty or other international convention; and all rights, interests, claims and demands, recoverable in law or equity, that the Seller has or may have in profits and damages for past, present and future infringements of the Assigned Marks (including, without limitation, the right to compromise, sue for and collect such profits and damages); the same to be held and enjoyed by the Buyer, its successors and assigns or their legal representatives as fully and entirely as the same would have been held and enjoyed by the Seller if this Assignment had not been made.

Following the Closing, the Seller shall, from time to time, execute and deliver such additional instruments, documents, conveyances or assurances and take such other actions as shall be necessary, or otherwise reasonably requested by the Buyer or Buyer's

Parent, to confirm and assure the rights and obligations provided for in this Assignment and render effective the consummation of the transactions contemplated by this Assignment.

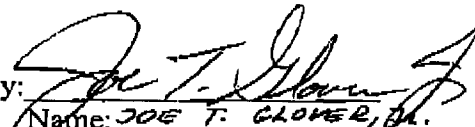

All warranties from the Seller to the Buyer in the Agreement with respect to the Assigned Marks and the other rights assigned above are incorporated in this Assignment by reference.

All claims for indemnification resulting from or arising out of this Assignment shall be subject to the provisions of ARTICLE VII of the Agreement.

This Assignment shall be governed by the laws of the United States, in respect to trademark issues, and in all other respects (including as to validity, interpretation and effect) by the internal laws of the State of Alabama, without giving effect to its conflict of laws rules to the extent that these are not mandatorily applicable by statute and would require or permit the application of another jurisdiction's laws.
