NOW, THEREFORE, for good and valuable consideration as more particularly set forth below, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. **Assignment.** CMCI hereby grants, bargains, sells, conveys, assigns, transfers and delivers all of the Intellectual Property to Recipient, including without limitation, the right to any registrations, continuations, continuations-in-part, divisionals, reissues or reexaminations thereof, the right to prosecute any applications thereof, the right to have any registrations, continuations, continuations-in-part, divisionals, reissues or reexaminations thereof issue in the name of the Recipient, the right to file for registration thereof in any country in the world with the full benefit of any priorities which may now or in the future be granted by law or by treaty, the right to apply for and obtain any renewal of any registrations thereof, the right to sue for past and future infringement and the right to the goodwill of the business symbolized thereby, and Recipient hereby accepts such Intellectual Property.

5. Further Assurances. From time to time after the date hereof, and without any further consideration, each party agrees to execute and deliver such instruments of conveyance, assignment, transfer and delivery, and take such other action, as the other may reasonably request in order more effectively to vest in Recipient beneficial and record title to the Intellectual Property and to put Recipient in actual possession and operating control of such Intellectual Property.
