

**TRADEMARK, SERVICE MARK AND DOMAIN NAME
ASSIGNMENT AGREEMENT**

This Trademark, Service Mark and Domain Name Assignment Agreement ("Trademark Assignment Agreement") is entered into as of November 14, 2003 by and between Paperloop, Inc., a Delaware corporation (the "Assignor"), and Technical Association of the Pulp and Paper Industry, Inc., a Georgia nonprofit corporation (the "Assignee").

WHEREAS, by an Asset Purchase Agreement dated November 14, 2003 (the "Agreement"), Assignor agrees to assign to Assignee all rights (i) in the trademarks, and service marks listed on **Schedule A** (attached hereto and made a part hereof) and all goodwill associated therewith, and all common law rights therein (collectively, the "Marks"), together with certain assets of the business conducted under the Marks as set forth in the Agreement and (ii) in the Internet domain name, **www.papersummit.net** (the "Domain Name").

NOW THEREFORE, in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged, Assignor and Assignee hereby agree as follows:

1. Assignor does hereby assign, sell and transfer to Assignee, its successors and assigns, all right, title and interest throughout the world to (i) the Marks, including all applications or registrations therefore and all goodwill pertaining thereto; (ii) all income, royalties, damages and payments now due or which hereafter become due or payable in respect thereto; (iii) all causes of action (in law or equity) and rights to sue, counterclaim and/or recover for past, present or future infringement thereof; and (iv) all rights corresponding to the foregoing.
2. Assignor does hereby transfer to Assignee, its successors, and assigns all of its right, title and interest in and to the Domain Name, and any and all registrations of the Domain Name. Assignor agrees that it will, as soon as reasonably possible upon execution of this Agreement, begin and diligently pursue the modification of the domain name system (DNS) records (through its Technical Contact, Internet Service Provider or however necessary) such that the Administrative, Technical and Billing contact for the Domain Name will be changed as designated by Assignee in writing. Assignor agrees that it will cooperate with Assignee to transfer the Domain Name electronically from Assignor's account to Assignee's account, as applicable, within ten (10) business days after the date of this Assignment.
3. Assignor hereby agrees to execute all papers and to perform all other proper acts requested by Assignee or its successors or assigns to secure to Assignee or its successors or assigns the rights hereby transferred.

IN WITNESS WHEREOF, the undersigned has executed this Trademark assignment Agreement as of the day and year first above written.
