SECTION 2. Each New Pledgor represents and warrants to the Administrative Agent and the other members of the Lender Group that this Supplement has been duly executed and delivered by such New Pledgor and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as enforceability thereof may be limited by bankruptcy, insolvency, reorganization, fraudulent transfer, moratorium or other similar laws affecting creditors' rights generally and general principles of equity (regardless of whether such enforceability is considered in a proceeding at law or in equity).

SECTION 3. This Supplement may be executed in multiple counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Delivery of a counterpart hereof by facsimile transmission shall be effective as delivery of a manually executed counterpart hereof.

SECTION 4. Except as expressly supplemented hereby, the IP Security Agreement shall remain in full force and effect.

SECTION 5. This Supplement shall be construed in accordance with and governed by the laws of the State of New York without regard to the conflict of laws principles thereof, except to the extent that under the Uniform Commercial Code as in effect in the State of New York, from time to time, the validity or perfection of the security interest hereunder or remedies hereunder, in respect of any particular Collateral, are governed by the laws of a jurisdiction other than the State of New York.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]
