(c) To the best of the Company's knowledge, no claim has been made that the use of any of the Trademarks does or may violate the rights of any third Person;

(d) The Company has the unqualified right to enter into this Agreement and perform its terms; and

(e) The Company is the sole and exclusive owner of the entire right, title and interest in and to all of the Trademark Collateral, free and clear of any liens, charges and encumbrances (other than Permitted Encumbrances), including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by the Company not to sue third Persons.

6. If, before the Obligations have been satisfied in full, the Company shall obtain rights to any new trademarks, or become entitled to the benefit of any trademark application or trademark or any renewal of any Trademark, the provisions of paragraph 2 hereof shall automatically apply thereto, and the Company shall give to Agent prompt notice thereof in writing.

7. The Company irrevocably authorizes and empowers Agent during the term of this Agreement to modify this Agreement; provided, however, that such authorization is limited to amending Exhibit A to include any future trademarks and trademark applications within the definition of Trademarks under paragraph 2 or paragraph 6 hereof.

8. Upon and at any time after the occurrence of an Event of Default, Agent shall have, in addition to all other rights and remedies given it by this Agreement, all rights and remedies under Applicable Law and all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, Agent may immediately, for its benefit and the pro rata benefit of Lenders, without demand of performance and without notice (except as described in the next sentence, if required by Applicable Law), or demand whatsoever to the Company, each of which the Company hereby expressly waives, collect directly any payments due the Company in respect of the Trademark Collateral, or sell at public or private sale or otherwise realize upon all or from time to time, any of the Trademark Collateral. The Company hereby agrees that ten (10) days written notice to the Company of any public or private sale or other disposition of any of the Trademark Collateral shall be reasonable notice; provided, however, that no notice shall be required hereunder if not otherwise required by Applicable Law. At any such sale or disposition, Agent may, to the extent permitted by law, purchase the whole or any part of the Trademark Collateral sold, free from any right of redemption on the part of the Company, which right the Company hereby waives and releases. Any remainder of the proceeds after payment in full of the Obligations shall be paid over to the Company. If any deficiency shall arise, the Company and each Guarantor of the Obligations shall remain jointly and severally liable to Agent and Lenders therefor.

9. The Company hereby makes, constitutes and appoints Agent and any officer or agent of Agent as Agent may select, as the Company's true and lawful attorney-in-fact, with full power to do any or all of the following if an Event of Default shall occur and be continuing: to endorse the Company's name on all applications, documents, papers and instruments necessary for Agent to continue the registration of or to use the Trademarks, or to grant or issue any exclusive or nonexclusive license under the Trademarks to any other Person, or to assign, pledge, convey or otherwise transfer title in or dispose of any Trademark Collateral to any other Person. The Company hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable until all of the Obligations shall have been satisfied in full and the Credit Agreement shall have been terminated.

10. At such time as all of the Obligations shall have been satisfied finally and in full and the Credit Agreement shall have been terminated, Agent shall execute and deliver to the Company, without representation, warranty or recourse and at the Company's expense, all releases or other instruments necessary to terminate Agent's security interest in the Trademark Collateral subject to any disposition thereof which may have been made by Agent pursuant to the terms of this Agreement or any of the Loan Documents.

11. Any and all fees, costs and expenses, of whatever kind or nature (including, without limitation, reasonable attorneys' fees and legal expenses) incurred by Agent or any Lender in connection with the preparation of this Agreement and any other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including, without limitation, all taxes in connection therewith) with the United States Patent and Trademark Office or in any other public offices, the payment or discharge of any taxes, reasonable attorneys' fees, maintenance fees, Liens or otherwise protecting, maintaining, or preserving the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademark Collateral, shall be borne and paid by the Company (it being the intent of the Company and Agent that the Company shall be responsible for the payment of all sums, fees, costs and expenses, including, without limitation, all renewal fees with respect to the Trademarks) or, if paid by Agent in its sole discretion, shall be reimbursed by the Company **on demand** by Agent and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the highest per annum rate in effect from time to time under the Credit Agreement.

12. The Company shall use commercially reasonable efforts to detect any infringers of the Trademarks and shall notify Agent in writing of infringements detected. The Company shall have the duty to prosecute diligently any trademark application for a Trademark pending as of the date of this Agreement or thereafter until the Obligations shall have been paid in full and the Credit Agreement terminated, to make federal application on registrable but unregistered Trademarks (subject to Company's reasonable discretion in the Ordinary Course of Business or, during the existence of an Event of Default or a Default, promptly upon Agent's request), to file and prosecute opposition and cancellation proceedings, to file and prosecute lawsuits to enforce the Trademarks and to do any and all acts which are deemed necessary or desirable by Agent to preserve and maintain all rights in the Trademarks. Any expenses incurred in connection with such applications or proceedings shall be borne by the Company.

13. Notwithstanding anything to the contrary contained in paragraph 12 hereof, Agent shall have the right, but shall in no way be obligated, to bring suit instead in its own name to enforce the Trademarks and any license hereunder, or to defend any suit or counterclaim in its own name to protect the Trademarks or any license hereunder, in either of which events the Company shall at the request of Agent do any and all lawful acts (including bringing suit) and execute any and all proper documents required by Agent to aid such enforcement, or defense, and the Company shall promptly, **upon demand**, reimburse and indemnify Agent for all costs and expenses incurred in the exercise of Agent's rights under this paragraph 13.

14. If the Company fails to comply with any of its obligations hereunder, to the extent permitted by Applicable Law, Agent may do so in the Company's name or in Agent's name, in Agent's sole discretion, but at the Company's expense, and the Company agrees to reimburse Agent in full for all expenses, including, without limitation, reasonable attorneys' fees, incurred by Agent in prosecuting, defending or maintaining the Trademarks or Agent's interest therein pursuant to this Agreement.

15. No course of dealing between the Company and Agent or any Lender, nor any failure to exercise, nor any delay in exercising, on the part of Agent or any Lender, any right, power or privilege hereunder or under any of the other Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or there under preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

16. All of Agent's rights and remedies with respect to the Trademark Collateral, whether established hereby or by any of the other Loan Documents, or by any other agreements or by Applicable Law shall be cumulative and may be exercised singularly or concurrently.

17. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

18. This Agreement, together with the other Loan Documents, constitutes and expresses the entire understanding of the parties hereto with respect to the subject matter hereof, and supercedes all prior agreements and understandings, inducements or conditions, whether expressed or implied, oral or written. This Agreement is subject to modification only by a writing signed by the parties, except as provided in paragraph 7 hereof.

19. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the successors and assigns of the Agent and of each Lender and upon the successors of the Company. The Company shall not assign its rights or delegate its duties hereunder without the prior written consent of Agent.

20. The Company hereby waives notice of Agent's acceptance hereof.

21. This Agreement shall be governed by and construed in accordance with the internal laws of the State of Georgia.

22. To the fullest extent permitted by Applicable Law, the Company and Agent each waives the right to trial by jury in any action, suit, proceeding or counterclaim of any kind arising out of or related to this Agreement or the Trademark Collateral.
