SECURITY AGREEMENT

This **SECURITY AGREEMENT** (this "**Agreement**") is dated as of September 2, 1998 and entered into by and among **DECRANE AIRCRAFT HOLDINGS, INC.**, a Delaware corporation ("**Company**"), each of **THE UNDERSIGNED DIRECT AND INDIRECT SUBSIDIARIES** of Company (each of such undersigned Subsidiaries being a "**Subsidiary Grantor**" and collectively "**Subsidiary Grantors**", and each of Company and Subsidiary Grantors being a "**Grantor**" and collectively "**Grantors**"; provided that after the Merger Date, "**Grantors**" shall include any Additional Grantors (as hereinafter defined)) and **THE FIRST NATIONAL BANK OF CHICAGO**, as Administrative Agent for and representative of (in such capacity herein called "**Secured Party**") the financial institutions ("**Lenders**") party to the Credit Agreement referred to below and any Interest Rate Exchangers (as hereinafter defined).

PRELIMINARY STATEMENTS

A. Pursuant to the Credit Agreement dated as of August 28, 1998, as amended, restated, supplemented or otherwise modified to the date hereof (said Credit Agreement, as amended, restated, supplemented or otherwise modified from time to time, being the "**Credit Agreement**"; the terms defined therein and not otherwise defined herein being used herein as therein defined), by and among Company, the financial institutions listed therein as Lenders, DLJ Capital Funding, Inc., as Syndication Agent, and The First National Bank of Chicago, as Administrative Agent (in such capacity, "**Administrative Agent**"), Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Company.

B. Company may from time to time enter, or may from time to time have entered, into one or more Interest Rate Agreements (collectively, the "**Lender Interest Rate Agreements**") with one or more Lenders or their Affiliates (in such capacity, collectively, "**Interest Rate Exchangers**") in accordance with the terms of the Credit Agreement, and it is desired that the obligations of Company under the Lender Interest Rate Agreements, including without limitation the obligation of Company to make payments thereunder in the event of early termination thereof (all such obligations being the "**Interest Rate Obligations**"), together with all obligations of Company under the Credit Agreement and the other Loan Documents, be secured hereunder.

C. Subsidiary Grantors have executed and delivered that certain Subsidiary Guaranty dated as of September 2, 1998 (said Subsidiary Guaranty, as it may hereafter be amended, restated, supplemented or otherwise modified from time to time, being the "**Subsidiary Guaranty**") in favor of Secured Party for the benefit of Lenders and any Interest Rate Exchangers, pursuant to which each Subsidiary Grantor has guaranteed the prompt payment and performance when due of all obligations of Company under the Credit Agreement and all

obligations of Company under the Lender Interest Rate Agreements, including without limitation the obligation of Company to make payments thereunder in the event of early termination thereof.

D. It is a condition precedent to the extensions of credit by Lenders under the Credit Agreement on the Merger Date that Grantors shall have granted the security interests and undertaken the obligations contemplated by this Agreement.

NOW, THEREFORE, in consideration of the premises and in order to induce Lenders to make Loans and other extensions of credit under the Credit Agreement and to induce Interest Rate Exchangers to enter into the Lender Interest Rate Agreements, and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, each Grantor hereby agrees with Secured Party as follows:

SECTION 1. Grant of Security.

Each Grantor hereby assigns to Secured Party, and hereby grants to Secured Party a security interest in, all of such Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the "**Collateral**");

For purposes of this Agreement, the term "proceeds" includes whatever is receivable or received when Collateral or proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Notwithstanding anything herein to the contrary, in no event shall the Collateral include, and no Grantor shall be deemed to have granted a security interest in, (i) any of such Grantor's rights or interests in any license, contract or agreement to which such Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which such Grantor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-318(4) of the Uniform Commercial Code of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity); provided, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Collateral shall include, and such Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect, (ii) any of such Grantor's motor vehicles, the ownership of which is represented by a certificate of title or (iii) real property leaseholds, unless Grantor has executed a leasehold mortgage pursuant to the Credit Agreement.

"Secured Obligations" means:

(a) with respect to Company, all obligations and liabilities of every nature of Company now or hereafter existing under or arising out of or in connection with the Credit Agreement and the other Loan Documents and any Lender Interest Rate Agreement, and

in each case together with all extensions or renewals thereof, whether for principal, interest (including without limitation interest that, but for the filing of a petition in bankruptcy with respect to Company or any Grantor, would accrue on such obligations, whether or not a claim is allowed against Company or such Grantor for such interest in the related bankruptcy proceeding), reimbursement of amounts drawn under Letters of Credit, payments for early termination of Lender Interest Rate Agreements, fees, expenses, indemnities or otherwise, whether voluntary or involuntary, direct or indirect, absolute or contingent, liquidated or unliquidated, whether or not jointly owed with others, and whether or not from time to time decreased or extinguished and later increased, created or incurred, and all or any portion of such obligations or liabilities that are paid, to the extent all or any part of such payment is avoided or recovered directly or indirectly from Secured Party or any Lender or Interest Rate Exchanger as a preference, fraudulent transfer or otherwise (all such obligations and liabilities being the "Underlying Debt"), and all obligations of every nature of Grantors now or hereafter existing under this Agreement.

SECTION 3. Grantors Remain Liable.

Anything contained herein to the contrary notwithstanding, (a) each Grantor shall remain liable under any contracts and agreements included in the Collateral, to the extent set forth therein, to perform all of its duties and obligations thereunder to the same extent as if this Agreement had not been executed, (b) the exercise by Secured Party of any of its rights hereunder shall not release any Grantor from any of its duties or obligations under the contracts and agreements included in the Collateral, and (c) Secured Party shall not have any obligation or liability under any contracts and agreements included in the Collateral by reason of this Agreement, nor shall Secured Party be obligated to perform any of the obligations or duties of any Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder.

SECTION 4. Representations and Warranties.

Each Grantor represents and warrants as follows:

(a) **Ownership of Collateral.** Except as expressly permitted by the Credit Agreement and for the security interest created by this Agreement, such Grantor owns the Collateral owned by such Grantor free and clear of any Lien. (g) **Intellectual Property Collateral.**

and other actions necessary or desirable to perfect and protect such security interest have been duly made or taken.

SECTION 5. Further Assurances.

(a) Each Grantor agrees that from time to time, at the expense of Grantors, such Grantor will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that Secured Party may request, in order to perfect and protect any security interest granted or purported to be granted hereby or to enable Secured Party to exercise and enforce its rights and remedies hereunder with respect to any Collateral. Without limiting the generality of the foregoing, each Grantor will: (i) at the request of Secured Party, mark conspicuously each item of chattel paper included in the Accounts, each Related Contract and, at the request of Secured Party, each of its records pertaining to the Collateral, with a legend, in form and substance satisfactory to Secured Party, indicating that such Collateral is subject to the security interest granted hereby, (ii) at the request of Secured Party, deliver and pledge to Secured Party hereunder all promissory notes and other instruments (including checks) and all original counterparts of chattel paper constituting Collateral, duly endorsed and accompanied by duly executed instruments of transfer or assignment, all in form and substance satisfactory to Secured Party, (iii) use commercially reasonable efforts to obtain any necessary consents of third parties to the assignment and perfection of a security interest to Secured Party with respect to any Collateral, (iv) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, as may be necessary or desirable, or as Secured Party may request, in order to perfect and preserve the security interests granted or purported to be granted hereby, (vii) at any reasonable time, upon request by Secured Party, exhibit the Collateral to and allow inspection of the Collateral by Secured Party, or persons designated by Secured Party, and (viii) at Secured Party's request, appear in and defend any action or proceeding that may affect such Grantor's title to or Secured Party's security interest in all or any part of the Collateral.

(b) Without limiting the generality of the foregoing clause (a), if any Grantor shall hereafter obtain rights to any new Intellectual Property Collateral or become entitled to the benefit of (i) any patent application or patent or any reissue, division, continuation, renewal, extension or continuation-in-part of any Patent or any improvement of any Patent; or (ii) any Copyright Registration, application for Registration or renewals or extension of any Copyright, then in any such case, the provisions of this Agreement shall automatically apply thereto. Each Grantor shall, upon delivery of each Officer's Certificate pursuant to Section 6.1(iii) of the Credit Agreement, notify Secured Party in writing of any of the foregoing rights acquired by such Grantor after the date hereof or since the date of delivery of the then most recent notification under this Section 5(b), whichever is later, and of (i) any Trademark Registrations issued or application for a Trademark Registration or application for a Patent made, and (ii) any Copyright Registrations issued or applications for Copyright Registration made, in any such case, after the date hereof. Promptly after the filing of an application for any (1) Trademark Registration; (2) Patent; and (3) Copyright Registration, each Grantor shall execute and deliver

to Secured Party and record in all places where this Agreement is recorded a Security Agreement Supplement, substantially in the form of Exhibit IV, pursuant to which such Grantor shall grant to Secured Party a security interest to the extent of its interest in such Intellectual Property Collateral; provided, if, in the reasonable judgment of such Grantor, after due inquiry, granting such interest would result in the grant of a Trademark Registration or Copyright Registration in the name of Secured Party, such Grantor shall give written notice to Secured Party as soon as reasonably practicable and the filing shall instead be undertaken as soon as practicable but in no case later than immediately following the grant of the applicable Trademark Registration or Copyright Registration, as the case may be; and provided further that no Grantor shall be required to grant to Secured Party a security interest in any of such Intellectual Property Collateral (or any proceeds, products, rents or profits thereof) to the extent, but only to the extent, that such a grant would, under the terms of the relevant license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which such Grantor is a party (other than to the extent that any such term would be rendered ineffective pursuant to Section 9-318(4) of the Uniform Commercial Code of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity); provided that immediately upon the ineffectiveness, lapse or termination of any such provision, Grantor shall be deemed to have immediately granted to Secured Party a security interest in the relevant Intellectual Property.

(c) Each Grantor hereby authorizes Secured Party to file one or more financing or continuation statements, and amendments thereto, relative to all or any part of the Collateral without the signature of any Grantor. Each Grantor agrees that a carbon, photographic or other reproduction of this Agreement or of a financing statement signed by such Grantor shall be sufficient as a financing statement and may be filed as a financing statement in any and all jurisdictions.

(d) Each Grantor hereby authorizes Secured Party to modify this Agreement without obtaining such Grantor's approval of or signature to such modification by amending Schedules 1(a), 1(b), and 1(c), as applicable, to include reference to any right, title or interest in any existing Intellectual Property Collateral or any Intellectual Property Collateral acquired or developed by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any Intellectual Property Collateral in which any Grantor no longer has or claims any right, title or interest.

Each Grantor shall:

(b) cause the Equipment owned by such Grantor to be maintained and preserved in the same condition, repair and working order as when new, ordinary wear and tear excepted, and in accordance with such Grantor's past practices, and shall forthwith make or cause to be made all repairs, replacements and other improvements in connection therewith that are necessary or desirable to such end, except to the extent that the failure to do so would not be reasonably be expected to have a Material Adverse Effect. Each Grantor shall promptly furnish to Secured Party a statement respecting any material loss or damage to any of the Equipment owned by such Grantor;

(c) if any Inventory is in possession or control of any of such Grantor's agents or processors, upon the occurrence of an Event of Default (as defined in the Credit Agreement) or the occurrence of an Early Termination Date (as defined in a Master Agreement or an Interest Rate Swap Agreement or Interest Rate and Currency Exchange Agreement in the form prepared by the International Swap and Derivatives Association Inc. or a similar event under any similar swap agreement) under any Lender Interest Rate Agreement (either such occurrence being an "Event of Default" for purposes of this Agreement), instruct such agent or processor to hold all such Inventory for the account of Secured Party and subject to the instructions of Secured Party; and

Each Grantor will hold and preserve such records and chattel paper and will permit representatives of Secured Party to inspect, copy and take extracts from such records and chattel

paper, and to discuss its affairs, finances and accounts with its officers and, after notice to Company and provision of an opportunity to participate in such discussions, with independent public accountants, all upon reasonable notice and at such reasonable times and intervals during normal business hours and as often as may reasonably be requested, but, unless an Event of Default under the Credit Agreement shall have occurred and be continuing, not more frequently than once in each Fiscal Year. The costs and expenses of each such visit, except if an Event of Default shall have occurred and be continuing, shall be borne by the Secured Party (to be reimbursed by the Lenders in accordance with the Credit Agreement; provided that if an Event of Default shall have occurred and be continuing, the costs and expenses of such inspections shall be borne by Grantor. (b) Each Grantor shall maintain (i) complete records of each Account of such Grantor, including records of all payments received, credits granted and merchandise returned, and (ii) all documentation relating thereto, in each case in accordance with its business practices.

(c) Except as otherwise provided in this subsection (b), each Grantor shall continue to collect, at its own expense, all amounts due or to become due to such Grantor under the Accounts and Related Contracts. In connection with such collections, each Grantor may take such action as such Grantor may deem necessary or advisable to enforce collection of amounts due or to become due under the Accounts; provided, however, that Secured Party shall have the right at any time, upon the occurrence and during the continuation of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the account debtors or obligors under any Accounts of the assignment of such Accounts to Secured Party and to direct such account debtors or obligors to make payment of all amounts due or to become due to such Grantor thereunder directly to Secured Party, to notify each Person maintaining a lockbox or similar arrangement to which account debtors or obligors under any Accounts have been directed to make payment to remit all amounts representing collections on checks and other payment items from time to time sent to or deposited in such lockbox or other arrangement directly to Secured Party and, upon such notification and at the expense of Grantors, to enforce collection of any such Accounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. After receipt by such Grantor of the notice from Secured Party referred to in the proviso to the preceding sentence and during the continuation of an Event of Default, (i) all amounts and proceeds (including checks and other instruments) received by such Grantor in respect of the Accounts and the Related Contracts shall be received in trust for the benefit of Secured Party hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to Secured Party in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 18, and (ii) such Grantor shall not adjust, settle or compromise the amount or payment of any Account, or release wholly or partly any account debtor or obligor thereof, or allow any credit or discount thereon, except in the ordinary course of business in accordance with past practice or with the consent of Secured Party.

SECTION 10. Deposit Accounts.

Upon the occurrence and during the continuation of an Event of Default, Secured Party may exercise dominion and control over, and refuse to permit further withdrawals (whether of money, securities, instruments or other property) from any deposit accounts maintained with Secured Party constituting part of the Collateral.

SECTION 11. Special Provisions With Respect to the Intellectual Property Collateral.

(a) Each Grantor shall:

(i) diligently keep reasonable records respecting the Intellectual Property Collateral and at all times keep at least one complete set of its records concerning such Collateral at its chief executive office or principal place of business;

(ii) hereafter use commercially reasonable efforts so as not to permit the inclusion in any contract to which it hereafter becomes a party of any provision that impairs or prevents the creation of a security interest in, or the assignment of, such Grantor's rights and interests in any property included within the definitions of any Intellectual Property Collateral acquired under such contracts;

(iii) take any and all commercially reasonable steps to protect the secrecy of all trade secrets relating to the products and services sold or delivered under or in connection with the Intellectual Property Collateral, including, without limitation, where appropriate entering into confidentiality agreements with employees and labeling and restricting access to secret information and documents;

(iv) use proper statutory notice in connection with its use of any of the Intellectual Property Collateral;

(v) use a commercially appropriate standard of quality (which may be consistent with such Grantor's past practices) in the manufacture, sale and delivery of products and services sold or delivered under or in connection with the Trademarks; and

(vi) furnish to Secured Party from time to time at Secured Party's reasonable request statements and schedules further identifying and describing any Intellectual Property Collateral and such other reports in connection with such Collateral, all in reasonable detail.

(b) Except as otherwise provided in this Section 11, each Grantor shall continue to collect, at its own expense, all amounts due or to become due to such Grantor in respect of the Intellectual Property Collateral or any portion thereof. In connection with such collections, each Grantor may take such action as such Grantor may deem reasonably

necessary or advisable to enforce collection of such amounts; provided, Secured Party shall have the right at any time, upon the occurrence and during the continuation of an Event of Default and upon written notice to such Grantor of its intention to do so, to notify the obligors with respect to any such amounts of the existence of the security interest created hereby and to direct such obligors to make payment of all such amounts directly to Secured Party, and, upon such notification and at the expense of such Grantor, to enforce collection of any such amounts and to adjust, settle or compromise the amount or payment thereof, in the same manner and to the same extent as such Grantor might have done. After receipt by any Grantor of the notice from Secured Party referred to in the proviso to the preceding sentence and during the continuation of any Event of Default, (i) all amounts and proceeds (including checks and other instruments) received by each Grantor in respect of amounts due to such Grantor in respect of the Intellectual Property Collateral or any portion thereof shall be received in trust for the benefit of Secured Party hereunder, shall be segregated from other funds of such Grantor and shall be forthwith paid over or delivered to Secured Party in the same form as so received (with any necessary endorsement) to be held as cash Collateral and applied as provided by Section 18, and (ii) such Grantor shall not adjust, settle or compromise the amount or payment of any such amount or release wholly or partly any obligor with respect thereto or allow any credit or discount thereon, except in the ordinary course of business in accordance with past practice or with the consent of Secured Party.

(c) Each Grantor shall have the duty diligently, through counsel reasonably acceptable to Secured Party, to prosecute, file and/or make, unless such Grantor has a valid business purpose to do otherwise or to do otherwise could not reasonably be expected to have a Material Adverse Effect, (i) any application relating to any of the Intellectual Property Collateral owned, held or used by such Grantor and identified on Schedules 1(a), 1(b) or 1(c), as applicable, that is pending as of the date of this Agreement, (ii) any Copyright Registration on any existing or future unregistered but copyrightable works (except for works of nominal commercial value or with respect to which such Grantor has determined in the exercise of its commercially reasonable judgment that it shall not seek registration), (iii) application on any future patentable but unpatented innovation or invention comprising Intellectual Property Collateral, and (iv) any Trademark opposition and cancellation proceedings, renew Trademark Registrations and Copyright Registrations and do any and all acts which are necessary or desirable to preserve and maintain all rights in all Intellectual Property Collateral. Any expenses incurred in connection therewith shall be borne solely by Grantors. Subject to the foregoing, each Grantor shall give Secured Party prior written notice of any abandonment of any Intellectual Property Collateral or any pending patent application or any Patent.

(d) Except as provided herein, each Grantor shall have the right to commence and prosecute in its own name, as real party in interest, for its own benefit and at its own expense, such suits, proceedings or other actions for infringement, unfair competition, dilution, misappropriation or other damage, or reexamination or reissue proceedings as are necessary to protect the Intellectual Property Collateral. Secured Party shall provide,

at such Grantor's expense, all reasonable and necessary cooperation in connection with any such suit, proceeding or action including, without limitation, joining as a necessary party. Each Grantor shall, upon delivery of each Officer's Certificate pursuant to Section 6.1(iii) of the Credit Agreement, notify Secured Party of the institution of, or of any adverse determination in, any proceeding (whether in the United States Patent and Trademark Office, the United States Copyright Office or any federal, state, local or foreign court) or regarding such Grantor's ownership, right to use, or interest in any Intellectual Property Collateral, which has occurred since the date hereof or the date of the then most notification under this Section 11(d), whichever is later. Each Grantor shall provide to Secured Party any information with respect thereto requested by Secured Party.

(e) In addition to, and not by way of limitation of, the granting of a security interest in the Collateral pursuant hereto, each Grantor, effective upon the occurrence and during the continuation of an Event of Default and upon written notice from Secured Party, shall grant, sell, convey, transfer, assign and set over to Secured Party, for its benefit and the ratable benefit of Lenders, all of such Grantor's right, title and interest in and to the Intellectual Property Collateral to the extent necessary to enable Secured Party to use, possess and realize on the Intellectual Property Collateral and to enable any successor or assign to enjoy the benefits of the Intellectual Property Collateral. This right shall inure to the benefit of all successors, assigns and transferees of Secured Party and its successors, assigns and transferees, whether by voluntary conveyance, operation of law, assignment, transfer, foreclosure, deed in lieu of foreclosure or otherwise. Such right and license shall be granted free of charge, without requirement that any monetary payment whatsoever be made to such Grantor. Each Grantor will permit representatives of Secured Party to visit such Grantor's and any of its Affiliates' or subcontractors' plants, facilities and other places of business that are utilized in connection with the manufacture, production, inspection, storage or sale of products and services sold or delivered under any of the Intellectual Property Collateral (or which were so utilized during the prior six month period), and to inspect the quality control and all other records relating thereto, all upon reasonable notice and at such reasonable times and intervals during normal business hours and as often as may reasonably be requested, but, unless an Event of Default under the Credit Agreement shall have occurred and be continuing, not more frequently than once in each Fiscal Year. The costs and expenses of each such visit, except if an Event of Default shall have occurred and be continuing, shall be borne by the Secured Party (to be reimbursed by the Lenders in accordance with the Credit Agreement); provided that if an Event of Default shall have occurred and be continuing, the costs and expenses of such inspections shall be borne by Grantor. If and to the extent that any Grantor is permitted to license the Intellectual Property Collateral, Secured Party shall promptly enter into a non-disturbance agreement or other similar arrangement, at such Grantor's request and expense, with such Grantor and any licensee of any Intellectual Property Collateral permitted hereunder in form and substance reasonably satisfactory to Secured Party pursuant to which (i) Secured Party shall agree not to disturb or interfere with such licensee's rights under its license agreement with

such Grantor so long as such licensee is not in default thereunder, and (ii) such licensee shall acknowledge and agree that the Intellectual Property Collateral licensed to it is subject to the security interest created in favor of Secured Party and the other terms of this Agreement.

SECTION 12. Transfers and Other Liens.

No Grantor shall:

(a) sell, assign (by operation of law or otherwise) or otherwise dispose of any of the Collateral, except as permitted by the Credit Agreement; or

(b) except for the security interest created by this Agreement and any Permitted Encumbrances (as defined in the Credit Agreement), create or suffer to exist any Lien upon or with respect to any of the Collateral to secure the indebtedness or other obligations of any Person.

SECTION 13. Secured Party Appointed Attorney-in-Fact.

Each Grantor hereby irrevocably appoints Secured Party as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor, Secured Party or otherwise, from time to time in Secured Party's discretion to take any action and to execute any instrument that Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including without limitation:

(a) upon the occurrence and during the continuance of an Event of Default, to obtain and adjust insurance required to be maintained by such Grantor or paid to Secured Party pursuant to Section 8;

(b) upon the occurrence and during the continuance of an Event of Default, to ask for, demand, collect, sue for, recover, compound, receive and give acquittance and receipts for moneys due and to become due under or in respect of any of the Collateral;

(c) upon the occurrence and during the continuance of an Event of Default, to receive, endorse and collect any drafts or other instruments, documents and chattel paper in connection with clauses (a) and (b) above;

(d) upon the occurrence and during the continuance of an Event of Default, to file any claims or take any action or institute any proceedings that Secured Party may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of Secured Party with respect to any of the Collateral;

(e) to pay or discharge taxes or Liens (other than (1) taxes being contested by Grantor as permitted under this Agreement and the Credit Agreement and (2) Liens permitted under this Agreement or the Credit Agreement) levied or placed upon or threatened against the Collateral, the legality or validity thereof and the amounts necessary to discharge the same to be determined by Secured Party in its sole discretion, any such payments made by Secured Party to become obligations of such Grantor to Secured Party, due and payable immediately without demand;

(f) upon the occurrence and during the continuance of an Event of Default, to sign and endorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications and notices in connection with Accounts and other documents relating to the Collateral; and

(g) upon the occurrence and during the continuance of an Event of Default, generally to sell, transfer, pledge, make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though Secured Party were the absolute owner thereof for all purposes, and to do, at Secured Party's option and Grantors' expense, at any time or from time to time, all acts and things that Secured Party deems necessary to protect, preserve or realize upon the Collateral and Secured Party's security interest therein in order to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

SECTION 14. Secured Party May Perform.

If any Grantor fails to perform any agreement contained herein, Secured Party may itself perform, or cause performance of, such agreement, and the expenses of Secured Party incurred in connection therewith shall be payable by such Grantor under Section 20(b).

SECTION 15. Standard of Care.

The powers conferred on Secured Party hereunder are solely to protect its interest in the Collateral and shall not impose any duty upon it to exercise any such powers. Except for the exercise of reasonable care in the custody of any Collateral in its possession and the accounting for moneys actually received by it hereunder, Secured Party shall have no duty as to any Collateral or as to the taking of any necessary steps to preserve rights against prior parties or any other rights pertaining to any Collateral. Secured Party shall be deemed to have exercised reasonable care in the custody and preservation of Collateral in its possession if such Collateral is accorded treatment substantially equal to that which Secured Party accords its own property.

SECTION 16. Remedies.

If any Event of Default shall have occurred and be continuing, Secured Party may exercise in respect of the Collateral, in addition to all other rights and remedies provided for herein or otherwise available to it, all the rights and remedies of a secured party on default under the Uniform Commercial Code as in effect in any relevant jurisdiction (the "Code") (whether or not the Code applies to the affected Collateral), and also may (a) require each Grantor to, and each Grantor hereby agrees that it will at its expense and upon request of Secured Party forthwith, assemble all or part of the Collateral as directed by Secured Party and make it available to Secured Party at a place to be designated by Secured Party that is reasonably convenient to both parties, (b) enter onto the property where any Collateral is located and take possession thereof with or without judicial process without breach of the peace, (c) prior to the disposition of the Collateral, store, process, repair or recondition the Collateral or otherwise prepare the Collateral for disposition in any manner to the extent Secured Party deems appropriate, (d) take possession of any Grantor's premises or place custodians in exclusive control thereof, remain on such premises and use the same and any of such Grantor's equipment for the purpose of completing any work in process, taking any actions described in the preceding clause (c) and collecting any Secured Obligation, and (e) without notice except as specified below, sell the Collateral or any part thereof in one or more parcels at public or private sale, at any of Secured Party's offices or elsewhere, for cash, on credit or for future delivery, at such time or times and at such price or prices and upon such other terms as are commercially reasonable. Secured Party or any Lender or Interest Rate Exchanger may be the purchaser of any or all of the Collateral at any such sale and Secured Party, as agent for and representative of Lenders and Interest Rate Exchangers (but not any Lender or Lenders or Interest Rate Exchanger or Interest Rate Exchangers in its or their respective individual capacities unless Requisite Obligees (as defined in Section 22(a)) shall otherwise agree in writing), shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any Collateral payable by Secured Party at such sale. Each purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by applicable law) all rights of redemption, stay and/or appraisal which it now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Each Grantor agrees that, to the extent notice of sale shall be required by law, at least ten days' prior written notice to such Grantor of the time and place of any public sale or the time after which any private sale is to be made shall constitute reasonable notification. Secured Party shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned. Each Grantor hereby waives any claims against Secured Party arising by reason of the fact that the price at which any Collateral may have been sold at such a private sale was less than the price which might have been obtained at a public sale, even if Secured Party accepts the first offer received and does not offer such Collateral to more than one offeree. If the proceeds of any sale or other

disposition of the Collateral are insufficient to pay all the Secured Obligations, Grantors shall be jointly and severally liable for the deficiency, including the fees of any attorneys employed by Secured Party to collect such deficiency.

SECTION 17. Additional Remedies for Intellectual Property Collateral.

(a) Anything contained herein to the contrary notwithstanding, upon the occurrence and during the continuation of an Event of Default, (i) Secured Party shall have the right (but not the obligation) to bring suit, in the name of any Grantor, Secured Party or otherwise, to enforce any Intellectual Property Collateral, in which event each Grantor shall, at the request of Secured Party, do any and all lawful acts and execute any and all documents required by Secured Party in aid of such enforcement and each Grantor shall promptly, upon demand, reimburse and indemnify Secured Party as provided in Sections 10.2 and 10.3 of the Credit Agreement and Section 20 hereof, as applicable, in connection with the exercise of its rights under this Section, and, to the extent that Secured Party shall elect not to bring suit to enforce any Intellectual Property Collateral as provided in this Section, each Grantor agrees to use all reasonable measures, whether by action, suit, proceeding or otherwise, to prevent the infringement of any of the Intellectual Property Collateral by others and for that purpose agrees to use its commercially reasonable judgement in maintaining any action, suit or proceeding against any Person so infringing reasonably necessary to prevent such infringement; (ii) upon written demand from Secured Party, each Grantor shall execute and deliver to Secured Party an assignment or assignments of the Intellectual Property Collateral and such other documents as are necessary or appropriate to carry out the intent and purposes of this Agreement; (iii) each Grantor agrees that such an assignment and/or recording shall be applied to reduce the Secured Obligations outstanding only to the extent that Secured Party (or any Lender) receives cash proceeds in respect of the sale of, or other realization upon, the Intellectual Property Collateral; and (iv) within five Business Days after written notice from Secured Party, each Grantor shall make available to Secured Party, to the extent within such Grantor's power and authority, such personnel in such Grantor's employ on the date of such Event of Default as Secured Party may reasonably designate, by name, title or job responsibility, to permit such Grantor to continue, directly or indirectly, to produce, advertise and sell the products and services sold or delivered by such Grantor under or in connection with the Trademarks, Trademark Registrations and Trademark Rights, such persons to be available to perform their prior functions on Secured Party's behalf and to be compensated by Secured Party at such Grantor's expense on a per diem, pro-rata basis consistent with the salary and benefit structure applicable to each as of the date of such Event of Default.

(b) If (i) an Event of Default shall have occurred and, by reason of cure, waiver, modification, amendment or otherwise, no longer be continuing, (ii) no other Event of Default shall have occurred and be continuing, (iii) an assignment to Secured Party of any rights, title and interests in and to the Intellectual Property Collateral shall have been previously made, and (iv) the Secured Obligations shall not have become immediately due and payable, upon the written request of any Grantor, Secured Party shall promptly execute and deliver to such Grantor such assignments as may be necessary to reassign to such Grantor any such rights, title and

interests as may have been assigned to Secured Party as aforesaid, subject to any disposition thereof that may have been made by Secured Party; provided, after giving effect to such reassignment, Secured Party's security interest granted pursuant hereto, as well as all other rights and remedies of Secured Party granted hereunder, shall continue to be in full force and effect; and provided further, the rights, title and interests so reassigned shall be free and clear of all Liens other than Liens (if any) encumbering such rights, title and interest at the time of their assignment to Secured Party and Permitted Encumbrances.

SECTION 18. Application of Proceeds.

Except as expressly provided elsewhere in this Agreement, all proceeds received by Secured Party in respect of any sale of, collection from, or other realization upon all or any part of the Collateral shall be applied as provided in subsection 2.4D of the Credit Agreement.

SECTION 19. Indemnity and Expenses.

(a) Grantors jointly and severally agree to indemnify Secured Party and each Lender from and against any and all claims, losses and liabilities in any way relating to, growing out of or resulting from this Agreement and the transactions contemplated hereby (including without limitation enforcement of this Agreement), except to the extent such claims, losses or liabilities result solely from Secured Party's or such Lender's gross negligence or willful misconduct as finally determined by a court of competent jurisdiction.

(b) Grantors jointly and severally agree to pay to Secured Party upon demand the amount of any and all costs and expenses, including the reasonable fees and expenses of its counsel and of any experts and agents, that Secured Party may incur in connection with (i) the administration of this Agreement, (ii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iii) the exercise or enforcement of any of the rights of Secured Party hereunder, or (iv) the failure by any Grantor to perform or observe any of the provisions hereof.

(c) The obligations of Grantors in this Section 20 shall survive the termination of this Agreement and the discharge of Grantors' other obligations under this Agreement, the Lender Interest Rate Agreements, the Credit Agreement and the other Loan Documents.

SECTION 20. Continuing Security Interest; Transfer of Loans.

This Agreement shall create a continuing security interest in the Collateral and shall (a) remain in full force and effect until the payment in full of the Secured Obligations, the cancellation or termination of the Commitments and the cancellation or expiration of all outstanding Letters of Credit, (b) be binding upon Grantors and their respective successors and assigns, and (c) inure, together with the rights and remedies of Secured Party hereunder, to the

benefit of Secured Party and its successors, transferees and assigns. Without limiting the generality of the foregoing clause (c), but subject to the provisions of subsection 10.1 of the Credit Agreement, any Lender may assign or otherwise transfer any Loans held by it to any other Person, and such other Person shall thereupon become vested with all the benefits in respect thereof granted to Lenders herein or otherwise. Upon the payment in full of all Secured Obligations (other than any contingent indemnity claims which at the time of such payment have yet to be claimed), the cancellation or termination of the Commitments and the cancellation or expiration of all outstanding Letters of Credit, the security interest granted hereby shall terminate and all rights to the Collateral shall revert to the applicable Grantors. In addition, upon the proposed sale, transfer or other disposition of any Collateral by any Grantor in accordance with the Credit Agreement, such Grantor shall deliver an Officer's Certificate, which shall be true and correct, (x) stating that the Collateral subject to such disposition is being sold, transferred or otherwise disposed of in compliance with the terms of the Credit Agreement and (y) specifying the Collateral being sold, transferred or otherwise disposed of in the proposed transaction; provided, however such Officer's Certificate need not be delivered for Collateral sold in the ordinary course of business (including but not limited to the sale of inventory and obsolete or worn out equipment so sold), in which case, notwithstanding anything to the contrary in this Section 20, the release of Secured Party's Liens on such Collateral shall be automatic upon such sale, transfer or other disposition. Upon the receipt of such Officer's Certificate, Secured Party shall, at Grantors' expense, so long as Secured Party has no reason to believe that the Officer's Certificate delivered by Grantor with respect to such sale is not true and correct, execute and deliver such releases of its Liens on such Collateral which is to be so sold, transferred or disposed of, as may be reasonably requested by such Grantor. Upon any such termination, Secured Party will, except as otherwise provided in this Section 20, at Grantors' expense, execute and deliver to Grantors such documents as Grantors shall reasonably request to evidence such termination.

SECTION 21. Secured Party as Agent.

(a) Secured Party has been appointed to act as Secured Party hereunder by Lenders and, by their acceptance of the benefits hereof, Interest Rate Exchangers. Secured Party shall be obligated, and shall have the right hereunder, to make demands, to give notices, to exercise or refrain from exercising any rights, and to take or refrain from taking any action (including without limitation the release or substitution of Collateral), solely in accordance with this Agreement and the Credit Agreement; provided that Secured Party shall exercise, or refrain from exercising, any remedies provided for in Section 16 in accordance with the instructions of (i) Requisite Lenders or (ii) after payment in full of all Obligations under the Credit Agreement and the other Loan Documents, the cancellation or expiration of all Letters of Credit and the termination of the Commitments, the holders of a majority of the aggregate notional amount (or, with respect to any Lender Interest Rate Agreement that has been terminated in accordance with its terms, the amount then due and payable (exclusive of expenses and similar payments but including any early termination payments then due) under such Lender Interest Rate Agreement) under all Lender Interest Rate Agreements (Requisite Lenders or, if applicable, such holders

being referred to herein as “**Requisite Obligees**”). In furtherance of the foregoing provisions of this Section 22(a), each Interest Rate Exchanger, by its acceptance of the benefits hereof, agrees that it shall have no right individually to realize upon any of the Collateral hereunder, it being understood and agreed by such Interest Rate Exchanger that all rights and remedies hereunder may be exercised solely by Secured Party for the benefit of Lenders and Interest Rate Exchangers in accordance with the terms of this Section 22(a).

(b) Secured Party shall at all times be the same Person that is Administrative Agent under the Credit Agreement. Written notice of resignation by Administrative Agent pursuant to subsection 9.5 of the Credit Agreement shall also constitute notice of resignation as Secured Party under this Agreement; removal of Administrative Agent pursuant to subsection 9.5 of the Credit Agreement shall also constitute removal as Secured Party under this Agreement; and appointment of a successor Administrative Agent pursuant to subsection 9.5 of the Credit Agreement shall also constitute appointment of a successor Secured Party under this Agreement. Upon the acceptance of any appointment as Administrative Agent under subsection 9.5 of the Credit Agreement by a successor Administrative Agent, that successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the retiring or removed Secured Party under this Agreement, and the retiring or removed Secured Party under this Agreement shall promptly (i) transfer to such successor Secured Party all sums, securities and other items of Collateral held hereunder, together with all records and other documents necessary or appropriate in connection with the performance of the duties of the successor Secured Party under this Agreement, and (ii) execute and deliver to such successor Secured Party such amendments to financing statements, and take such other actions, as may be necessary or appropriate in connection with the assignment to such successor Secured Party of the security interests created hereunder, whereupon such retiring or removed Secured Party shall be discharged from its duties and obligations under this Agreement. After any retiring or removed Administrative Agent’s resignation or removal hereunder as Secured Party, the provisions of this Agreement shall inure to its benefit as to any actions taken or omitted to be taken by it under this Agreement while it was Secured Party hereunder.

SECTION 22. Additional Grantors.

The initial Subsidiary Grantors hereunder shall be such of the Subsidiaries of Company as are signatories hereto on the date hereof. From time to time subsequent to the date hereof, additional Subsidiaries of Company may become parties hereto as additional Grantors (each an “**Additional Grantor**”), by executing an acknowledgement to this Agreement substantially in the form of Exhibit V annexed hereto. Upon delivery of any such acknowledgement to Administrative Agent and Secured Party, notice of which is hereby waived by Grantors, each such Additional Grantor shall be a Grantor and shall be as fully a party hereto as if such Additional Grantor were an original signatory hereto. Each Grantor expressly agrees that its obligations arising hereunder shall not be affected or diminished by the addition or release of any other Grantor hereunder, nor by any election of Administrative Agent not to cause any Subsidiary of Company to become an Additional Grantor hereunder. This Agreement shall be

fully effective as to any Grantor that is or becomes a party hereto regardless of whether any other Person becomes or fails to become or ceases to be a Grantor hereunder.

SECTION 23. Amendments; Etc.

No amendment, modification, termination or waiver of any provision of this Agreement, and no consent to any departure by any Grantor therefrom, shall in any event be effective unless the same shall be in writing and signed by Secured Party and, in the case of any such amendment or modification, by Grantors; provided that any amendment hereto consisting of the inclusion of an additional Grantor as a party hereto pursuant to Section 23 shall be effective upon execution by such Additional Grantor of the acknowledgement to this Agreement referred to in Section 23, and Grantors hereby waive any requirement of notice of or consent to any such amendment. Any such waiver or consent shall be effective only in the specific instance and for the specific purpose for which it was given.

SECTION 24. Notices.

Any notice or other communication herein required or permitted to be given shall be in writing and may be personally served, telexed or sent by telefacsimile or United States mail or courier service and shall be deemed to have been given when delivered in person or by courier service, upon receipt of telefacsimile, or three Business Days after depositing it in the United States mail with postage prepaid and properly addressed; provided that notices to Secured Party shall not be effective until received. For the purposes hereof, the address of each party hereto shall be as provided in subsection 10.8 of the Credit Agreement or as set forth under such party's name on the signature pages hereof or such other address as shall be designated by such party in a written notice delivered to the other parties hereto.

SECTION 25. Failure or Indulgence Not Waiver; Remedies Cumulative.

No failure or delay on the part of Secured Party in the exercise of any power, right or privilege hereunder shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude any other or further exercise thereof or of any other power, right or privilege. All rights and remedies existing under this Agreement are cumulative to, and not exclusive of, any rights or remedies otherwise available.

SECTION 26. Severability.

In case any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining

provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

SECTION 27. Headings.

Section and subsection headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement for any other purpose or be given any substantive effect.

SECTION 28. Governing Law; Terms; Rules of Construction.

THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF NEW YORK (INCLUDING WITHOUT LIMITATION SECTION 5-1401 OF THE GENERAL OBLIGATIONS LAW OF THE STATE OF NEW YORK), WITHOUT REGARD TO CONFLICTS OF LAWS PRINCIPLES, EXCEPT TO THE EXTENT THAT THE CODE PROVIDES THAT THE PERFECTION OF THE SECURITY INTEREST HEREUNDER, OR REMEDIES HEREUNDER, IN RESPECT OF ANY PARTICULAR COLLATERAL ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK. Unless otherwise defined herein or in the Credit Agreement, terms used in Articles 8 and 9 of the Uniform Commercial Code in the State of New York are used herein as therein defined. The rules of construction set forth in subsection 1.3 of the Credit Agreement shall be applicable to this Agreement *mutatis mutandis*.

SECTION 29. Consent to Jurisdiction and Service of Process.

ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST ANY GRANTOR ARISING OUT OF OR RELATING TO THIS AGREEMENT, OR ANY OBLIGATIONS HEREUNDER, MAY, TO THE EXTENT PERMITTED UNDER APPLICABLE LAW, BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION IN THE STATE, COUNTY AND CITY OF NEW YORK.
