## TRADEMARK COLLATERAL AGREEMENT

This 30th day of June, 2003, Langeveld International, Inc., a Delaware corporation ("*Debtor*") with its mailing address at 725 Vassar Avenue, Lakewood, New Jersey 08701, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to Harris Trust and Savings Bank, an Illinois banking corporation, with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, as agent for itself and certain other lenders under the Amended and Restated Security Agreement as hereinafter defined (acting in such capacity and any successor or successors acting in such capacity, the "*Secured Party*"), and grants to the Secured Party a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark application, in each case together with the right to sue for and collect said damages;

to secure performance of all Obligations of Debtor as set out in that certain Amended and Restated Security Agreement, bearing even date herewith between International Garden Products, Inc., certain other parties thereto under the heading "Debtors", and the Secured Party, acting as agent for the Secured Creditors therein identified (such Amended and Restated Security Agreement as amended, modified or restated from time to time hereinafter referred to as the "*Security Agreement*").

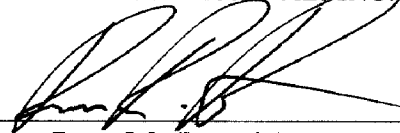

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Secured Party of any applications by Debtor for a Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Secured Party on such Intent-To-Use Application as collateral security for the Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the assignment, mortgage, pledge and security interest in the

trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
