NOW, THEREFORE, in consideration of the mutual covenants contained herein, the parties agree as follows:

- 1. Trademark Assignment.** Assignor hereby assigns and transfers to Assignee, its legal successors and assigns, all of Assignor's right, title and interest, whether statutory, registered or at common law, in and to the trademark "TECHTEXX" (the "Mark"), and any renewals or extensions thereof, as well as the goodwill of the business associated with such Mark, together with any and all registrations and pending applications therefor, any and all foreign rights, any and all files and records relating thereto, and the right to recover for past infringements of the mark.

In the event Assignee is rendered liable for any damages which result as a result of any act or omission by Assignee relating to Assignee's use of the Mark, then Assignee agrees to hold Assignor harmless from and against such liability, including all reasonable attorneys' fees incurred on any trial or appeal.

6. Miscellaneous. This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements, understandings and proposals (whether written or oral) in respect to the matters specified.
