DECLARATION

I, T. Kendall Hunt, am the Chairman and Chief Executive Officer of VASCO Data Security International, Inc., a Delaware corporation, the Chief Executive Officer of VASCO Data Security, Inc., a Delaware corporation, and the Director of Lintel Security, S. A., a Belgium corporation. I have worked for VASCO Data Security International, Inc. since 1997. I have worked for VASCO Data Security, Inc. since 1993. I have worked for Lintel Security, S.A. since 1996. The foregoing companies are related. I am familiar with the transactions involving the intellectual property, including the trademarks, of these companies.

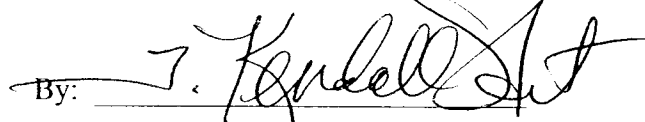

On October 16, 2000, I executed an assignment assigning the mark VACMAN, along with its Federal Registration No. 2,135,913 and goodwill, from VASCO Data Security, Inc. to VASCO Data Security International, Inc. The assignment was recorded with the Trademark Office on December 18, 2000 at Reel/Frame No. 2206/0177. This assignment was properly executed and recorded.

On September 27, 2001, Mario Houthoof, then President and CEO of VASCO Data Security International, Inc., erroneously signed a document purporting to transfer the mark VACMAN, Registration No. 2,135,913, from VASCO Data Security, Inc. to Lintel Security S.A. The document was erroneously recorded on November 2, 2001 at Reel/Frame No. 2394/0426. However, no transfer of the mark occurred between VASCO Data Security, Inc. and Lintel Security, S.A. because, at the time that the document was executed, pursuant to the prior assignment, VASCO Data Security International, Inc., not VASCO Data Security, Inc. was the owner of the mark. Consequently, the recordation of the document also was erroneous.

In sum, no rights were transferred by the document executed on September 27, 2001 and recorded at Reel/Frame No. 2394/0426. VASCO Data Security International, Inc. was the owner of the mark on that date, was the owner of the mark on April 29, 2003, the date it signed the Section 8 & 15 Declaration, and is the current owner of the mark.

Being hereby warned that willful false statements and the like are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of application or document or any registration resulting therefrom, I declare that I am properly authorized to execute this document on behalf of the VASCO Data Security International, Inc., VASCO Data Security, Inc. and Lintel Security S.A.; and all statements made of my own knowledge are true and all statements made on information and belief are believed to be true.
