This Trademark Security Agreement (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Trademark Security Agreement**"), dated February 29, 2004, is made by the Persons listed on the signature pages hereof (collectively, the "**Grantors**") in favor of Bank of America, N.A., as administrative agent (the "**Administrative Agent**") for the Secured Parties (as defined in the Credit Agreement referred to below).

WHEREAS, WMG Acquisition Corp., a Delaware corporation, has entered into a Credit Agreement dated as of February 29, 2004, (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Credit Agreement**"), with WMG Holdings Corp., a Delaware Corporation ("**Holdings**"), Bank of America, N.A., as the L/C Issuer, the Swing Line Lender and the Administrative Agent, the other Agents named therein and the Lenders party thereto.

WHEREAS, as a condition precedent to the making of the Loans and the issuance of Letters of Credit by the Lenders under the Credit Agreement and entry into Secured Hedge Agreements by the Hedge Banks from time to time, each Grantor has executed and delivered that certain Security Agreement dated February 29, 2004 made by the Grantors to the Administrative Agent (as amended, amended and restated, supplemented or otherwise modified from time to time, the "**Security Agreement**"). Terms defined in the Credit Agreement and not otherwise defined herein are used herein as defined in the Security Agreement.

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Administrative Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain Trademarks of the Grantors, and have agreed as a condition thereof to execute this Trademark Security Agreement for recording with the United States Patent and Trademark Office and any other appropriate governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. *Grant of Security.* Each Grantor hereby grants to the Administrative Agent for the ratable benefit of the Secured Parties a continuing security interest in all of such Grantor's right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "**Trademark Collateral**"), whether now owned or existing or hereafter acquired or arising:

(i) each Trademark owned by the Grantor, including, without limitation, each Trademark registration and application therefor, referred to in Schedule 1 hereto, and all of the goodwill of the business connected with the use of, or symbolized by, each Trademark;

(ii) each Trademark license to which the Grantor is a party, including, without limitation, each Trademark license referred to in Schedule 2 hereto, and all of the goodwill of the

business connected with the use of, or symbolized by, each Trademark licensed pursuant thereto;
and

(iii) any and all Proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and Supporting Obligations relating to, any and all of the foregoing, including, without limitation, all Proceeds of and revenues from any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right but not the obligation, to sue for and collect, or otherwise recover, such damages.

SECTION 2. *No Transfer of Grantor's Rights.* Except to the extent expressly permitted in the Credit Agreement, each Grantor agrees not to sell, license, exchange, assign, or otherwise transfer or dispose of, or grant any rights with respect to, or mortgage or otherwise encumber, any of the Trademark Collateral.

SECTION 3. *Security for Obligations.* The grant of continuing security interest in the Trademark Collateral by each Grantor under this Trademark Security Agreement secures the payment of all Obligations of such Grantor, now or hereafter existing under or in respect of the Finance Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise.

SECTION 4. *Recordation.* Each Grantor authorizes and requests that the Commissioner for Trademarks and any other applicable government officer record this Trademark Security Agreement.

SECTION 5. *Execution in Counterparts.* This Trademark Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 6. *Grants, Rights and Remedies.* This Trademark Security Agreement has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the U.S. Patent and Trademark Office. The security interest granted hereby has been granted to the Administrative Agent in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all, rights and remedies of the Administrative Agent thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 7. *Governing Law.* This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
