NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Borrower hereby covenants and agrees with the Agent as follows:

1. **Grant of Security Interest.** For value received, Borrower hereby collaterally assigns to the Agent for the ratable benefit of the Lender(s), and grants the Agent for the ratable benefit of the Lender(s) a security interest in and lien on, all of Borrower's right, title and interest in, to and under the following described property, whether now owned and existing or hereafter created, acquired or arising:

(d) the goodwill of Borrower's business connected with and symbolized by the Trademarks; and

(e) all proceeds, including, without limitation, proceeds which constitute property of the types described in (a), (b), (c) and (d) above and any rents and profits of any of the foregoing items, whether cash or noncash, immediate or remote, and insurance proceeds, and all products of (a), (b), (c) and (d) above, and any indemnities, warranties and guaranties payable by reason of loss or damage to or otherwise with respect to any of the foregoing items;

2. Representations, Warranties and Covenants of Borrower. Borrower hereby represents and warrants to the Agent, and covenants and agrees with the Agent, that:

(a) all of the Patents, Trademarks and Licenses are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and are not at this time the subject of any challenge to their validity or enforceability;

(b) to the best of Borrower's knowledge, each of the Patents, Trademarks and Licenses is valid and enforceable;

(c) (i) no claim has been made that the use of any of the Patents, Trademarks or Licenses does or may violate the rights of any third person, (ii) no claims for patent infringement have been commenced in connection with any of the Patents and (iii) no claims for trademark infringement have been commenced in connection with any of the Trademarks;

(d) Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Licenses, free and clear of any and all liens, charges and encumbrances, including, without limitation, any and all pledges, assignments, licenses, registered user agreements, shop rights and covenants by Borrower not to sue third persons, excluding only security interests granted to the Agent for the ratable benefit of the Lender(s);

(e) Borrower has the unqualified right to enter into this Agreement and perform its terms;

(f) Borrower has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Licenses;

(g) Borrower has the exclusive, royalty-free right and license to use the Patents, Trademarks and Licenses (excluding royalties due and payable to Subsidiaries of Borrower who are Guarantors of Borrower's Obligations under the Credit Agreement) and agrees not to transfer any rights or interest in any of the Patents, Trademarks or Licenses during the term of this Agreement; and

(h) Borrower has no notice of any suits or actions commenced or threatened with reference to any of the Patents, Trademarks or Licenses.

3. Inspection Rights: Product Quality. Borrower will permit, upon at least one (1) Business Day's prior oral or written notice from the Agent or any of the Lender(s) to Borrower (provided, however, that no such notice need be given by the Agent or any of the Lender(s) if any Default or Event of Default under the Credit Agreement or the First Foto Credit Agreement has occurred and is continuing), inspection of Borrower's facilities which manufacture, inspect or store products sold under any of the Patents, Trademarks or Licenses and inspection of the products and records relating thereto by the Agent and each of the Lender(s) during normal business hours and at other reasonable times. Borrower will reimburse the Agent and each of the Lender(s) upon demand for all costs and expenses incurred by Agent or any of the Lender(s) in connection with any such inspection conducted by Agent or any of the Lender(s) while any Default or Event of Default under the Credit Agreement or the First Foto Credit Agreement has occurred and is continuing. A representative of Borrower may be present during any such inspection, provided that a particular representative's availability or unavailability shall not inhibit or delay such inspection. Borrower agrees (i) to maintain the quality of any and all products in

connection with which the Trademarks are used, consistent with commercially reasonable practices, and (ii) to provide the Agent, upon the Agent's request from time to time, with a certificate of any officer of Borrower certifying Borrower's compliance with the forgoing.

4. Further Assurances. Borrower agrees that, until (i) all of the Secured Obligations shall have been paid in full, (ii) no Letters of Credit shall be outstanding and (iii) the Lender(s) have no further commitment or obligation to make any additional loans or advances or other extensions of credit to Borrower under the Credit Agreement or to First Foto under the First Foto Credit Agreement, it will not enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with Borrower's obligations under this Agreement, the Credit Agreement or its guaranty of Borrower's Obligations under the First Foto Credit Agreement, without the prior written consent of the Required Lender(s) and Borrower agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Agent under this Agreement. Borrower further agrees that at any time and from time to time, at the expense of Borrower, Borrower will promptly execute and deliver to the Agent any and all further instruments and documents and take any and all further action that may be necessary, or that the Agent may reasonably request, in order to perfect and protect the security interest granted hereby with respect to the Patents, Trademarks and Licenses or to enable the Agent to exercise its rights and remedies hereunder with respect to the same.

5. Additional Patents, Trademarks and Licenses. If Borrower shall (i) become aware of any existing Patents, Trademarks or Licenses of which Borrower has not previously informed the Agent, (ii) obtain rights to any new patentable inventions, Patents, Trademarks or Licenses or (iii) become entitled to the benefit of any Patents, Trademarks or Licenses which benefit is not in existence on the date hereof, the provisions of this Agreement shall automatically apply thereto and Borrower shall give the Agent prompt written notice thereof.

6. Modification by Agent. Borrower authorizes the Agent to modify this Agreement by amending Schedules A, B, C, D and E to include any future patents and patent applications, any future trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service applications, and any future licenses, covered by Paragraphs I and 5 hereof, without the signature of Borrower if permitted by applicable law.

7. Use of Patents, Trademarks and Licenses. So long as no Event of Default has occurred and is continuing, Borrower may use the Patents and Trademarks and exercise its rights under the Licenses in any lawful manner not inconsistent with this Agreement on and in connection with products sold by Borrower, for Borrower's own benefit and account and for none other.

8. Default. If any Event of Default shall have occurred and be continuing, the Agent shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Licenses may be located and, without limiting the generality of the foregoing, the Agent may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to Borrower, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents, Trademarks (together with the goodwill of Borrower associated therewith) or Licenses, or any interest which Borrower may have therein, and after deducting from the proceeds of sale or other disposition of the Patents, Trademarks or Licenses all expenses (including, without limitation, all expenses for brokers' fees and legal services), shall apply the residue of such

proceeds toward the payment of the Secured Obligations in the order and manner as is set forth in Section 8 of the Credit Agreement and in Section 8 of the First Foto Credit Agreement in such order as the Required Lenders shall determine. Notice of any sale or other disposition of any of the Patents, Trademarks or Licenses shall be given to Borrower at least five (5) Business Days before the time of any intended public or private sale or other disposition of such Patents, Trademarks and/or Licenses is to be made, which Borrower hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Agent or any holder of any of the Secured Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks or Licenses sold, free from any right of redemption on the part of Borrower, which right is hereby waived and released. Borrower agrees that upon the occurrence and continuance of any Event of Default, the use by the Agent and/or the Lender(s) of the Patents, Trademarks and Licenses shall be worldwide, and without any liability for royalties or other related charges from the Agent or any of the Lender(s) to Borrower. If an Event of Default shall occur and be continuing, the Agent shall have the right, but shall in no way be obligated, to bring suit in its own name (for the benefit of itself and the Lender(s), as applicable) to enforce any and all of the Patents, Trademarks and Licenses, and, if the Agent shall commence any such suit, Borrower shall, at the request of the Agent, do any and all lawful acts and execute any and all proper documents required by the Agent in aid of such enforcement and the Borrower shall promptly, upon demand, reimburse and indemnify the Agent for all costs and expenses incurred by the Agent in the exercise of its rights under this Agreement. All of Agent's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby, by the Security Agreement or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

9. Termination of Agreement. At such time as (i) Borrower shall pay all of the Secured Obligations in full, (ii) no Letters of Credit are outstanding, (iii) the Lender(s) shall have no further commitment or obligation to make any additional loans or advances or other extensions of credit to Borrower under the Credit Agreement or to First Foto under the First Foto Credit Agreement and (iv) both the Credit Agreement and the First Foto Credit Agreement shall be terminated, this Agreement shall terminate and the Agent shall execute and deliver to Borrower all instruments as may be necessary or proper to extinguish the Agent's security interest therein, subject to any disposition thereof which may have been made by the Agent pursuant hereto.

10. Expenses. Any and all fees, costs and expenses of whatever kind or nature, including, without limitation, the reasonable attorneys' fees and expenses incurred by the Agent in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents, Trademarks and/or Licenses, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents, Trademarks and/or Licenses, shall be borne and paid by Borrower on demand by the Agent and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at a rate per annum equal to the lesser of Two Percent (2%) over and above the Prime Rate (which interest rate shall fluctuate as and when the Prime Rate shall change) or the highest rate of interest allowed by law from the date incurred until reimbursed by Borrower.

11. Preservation of Patents, Trademarks and Licenses. Borrower shall have the duty (i) to file and prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter, (ii) to make application on unpatented but patentable inventions and on trademarks and service marks, as commercially reasonable and (iii) to preserve and maintain all rights in

the Patents, Trademarks and Licenses, as commercially reasonable. Any expenses incurred in connection with Borrower's obligations under this Section 11 shall be borne by Borrower.

12. Agent Appointed Attorney-In-Fact. If any Event of Default shall have occurred and be continuing, Borrower hereby authorizes and empowers the Agent to make, constitute and appoint any officer or agent of the Agent as the Agent may select, in its sole discretion, as Borrower's true and lawful attorney-in-fact, with the power to endorse Borrower's name on all applications, documents, papers and instruments necessary for the Agent to use the Patents, Trademarks and Licenses, or to grant or issue any exclusive or non-exclusive license under the Patents, Trademarks and Licenses to anyone else, or necessary for the Agent to assign, pledge, convey or otherwise transfer title to or dispose of the Patents, Trademarks and Licenses to anyone else. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

13. No Waiver. No course of dealing between Borrower and the Agent, nor any failure to exercise, nor any delay in exercising, on the part of the Agent, any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Amendments. This Agreement is subject to amendment or modification only by a writing signed by Borrower and the Agent and consented to by the Required Lender(s), except as provided in Paragraph 6 above.

16. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except that Borrower may not assign or delegate any of its rights or obligations under this Agreement.

17. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Missouri (without reference to conflict of law principles).

IN WITNESS WHEREOF, Borrower and the Agent have executed this Patent, Trademark and License Security Agreement this 25th day of September, 1998.
