4. Restrictions on Future Assignments. Assignor agrees that until the Secured Debt shall have been satisfied in full and the Credit Agreement shall have been terminated, Assignor will not, without Lender's prior written consent, enter into any agreement relating to the Patents, Trademarks or Licenses (for example, a license agreement) and Assignor further agrees that it will not take any action, or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Lender under this Assignment.

5. New Patents, Trademarks, and Licenses. Assignor represents and warrants that the Patents, Trademarks and Licenses listed on Schedules A, B and C, respectively, constitute all of the patents, service marks, trademarks, applications and licenses owned by Assignor on the Closing Date. and Assignor shall give to Lender prompt written notice thereof. Assignor hereby authorizes Lender as attorney in fact to modify this Assignment by amending Schedules A, B and/or C, as applicable, to include any patents, patent applications, service marks, service mark registrations, service mark applications, service names, trademarks, trademark registrations, trademark applications, trade names and licenses which are Patents, Trademarks or Licenses, as applicable, under Paragraphs 2 and 3 above or under this Paragraph 5, and to file or refile this Assignment with the United States Patent and Trademark Office.

6. Representations and Warranties. Assignor represents and warrants to and agrees with Lender that:

(i) The Patents and Trademarks are subsisting and have not been adjudged invalid or unenforceable, in whole or in part as of the Closing Date;

(ii) Each of the Patents and Trademarks is valid and enforceable as of the Closing Date;

(iii) Assignor is the owner of the Patents and Trademarks and has the power and authority to make, and will continue to have authority to perform, this Assignment according to its terms;

(iv) This Assignment does not violate and is not in contravention of any other agreement to which Assignor is a party or any judgment or decree by which Assignor is bound and does not require any consent under any other agreement to which Assignor is a party or by which Assignor is bound. Assignor hereby authorizes the Commissioner of Patents and Trademarks to issue any and all Patents on said inventions and any and all certificates of registration on all Trademarks to Lender as assignee of Assignor's entire interest;

(v) There has been no prior sale, pledge, encumbrance, assignment or other transfer or disposition of any of the Patents, Trademarks or Licenses or any part thereof and the same are free from all liens, charges and encumbrances of any kind, including but not limited to licenses, shop rights and covenants not to sue third persons, other than Liens permitted pursuant to Section 5.9 of the Credit Agreement; and

The term of the assignments granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Trademarks and Licenses assigned hereunder, or (ii) the Secured Debt has been paid in full and the Credit Agreement has been terminated.

8. Grant of License to Assignor. Unless and until an Event of Default shall have occurred and is continuing, Lender hereby grants to Assignor a nontransferable right and license

to use the Trademarks, to exercise Lender's rights under the Licenses, and to make, have made, use and sell the inventions disclosed and claimed in the Patents for Assignor's own benefit and account and for none other. Assignor agrees not to sell or assign its interest in, or grant any sublicense under, the license granted to Assignor in this Paragraph 8, without the prior written consent of Lender. From and after the occurrence of an Event of Default and during the continuance thereof, Assignor's license with respect to Patents, Trademarks and Licenses as set forth in this Paragraph 8 shall terminate forthwith, and Lender shall have, in addition to all other rights and remedies given it by this Assignment, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks or Licenses may be located, including, but not by way of limitation, the location of Lender's main office.

9. Reassignment to Assignor. Upon payment in full of the Secured Debt and termination of the Credit Agreement, Lender shall execute and deliver to Assignor all assignments and other instruments as may be necessary or proper to re-vest in Assignor full title to the Patents, Trademarks and Licenses, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to the Credit Agreement.

10. Duties of Assignor. Any expenses incurred in connection with such applications shall be borne by Assignor. Assignor shall not abandon any right to file a Patent application or Trademark application, or any pending Patent application, Trademark application, Patent, or Trademark without the consent of Lender.

11. Financing Statements; Documents. Assignor authorizes Lender to file one or more financing statements pursuant to the applicable version of the Uniform Commercial Code in form satisfactory to Lender and will pay the costs of filing and/or recording this Assignment and all financing, continuation and termination statements in all public offices where filing or recording is deemed necessary or desirable by Lender. Assignor will execute and deliver to Lender from time to time such supplemental assignments or other instruments, including, but not by way of limitation, additional assignments to be filed with the United States Patent and Trademark Office, as Lender may require for the purpose of confirming Lender's interest in the Patents, Trademarks and Licenses.

12. Lender's Right to Sue. Lender shall have the same rights, if any, as Assignor has, but shall in no way be obligated, to bring suit in its own name to enforce the Licenses and the Patents and Trademarks, and any licenses thereunder, and, if Lender shall commence any such suit, Assignor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents required by Lender in aid of such enforcement and Assignor shall promptly, upon demand and as a part of the Secured Debt, reimburse and indemnify Lender for all costs and expenses incurred by Lender in the exercise of its rights under this Paragraph 12.

13. Waivers. No course of dealing between Assignor and Lender nor any failure to exercise nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder or under the Credit Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Assignment are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Assignment in any jurisdiction.

15. Modification. This Assignment cannot be altered, amended or modified in any way, except as specifically provided in Paragraph 5 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Effect on Credit Agreement. All of Lender's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby or by the Credit Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Assignor acknowledges and agrees that this Assignment is not intended to limit or restrict in any way the rights and remedies of Lender under the Credit Agreement but rather is intended to facilitate the exercise of such rights and remedies.

17. Binding Effect; Benefits. This Assignment shall be binding upon the Assignor and its respective successors and assigns, and shall inure to the benefit of Lender, its successors and assigns.
