**AMENDED AND RESTATED ASSIGNMENT AND GRANT OF
SECURITY INTEREST IN PATENTS AND TRADEMARKS**

Dated effective as of October 31, 2003

WHEREAS, Nu-kote Imperial, Ltd., a Delaware corporation (together with its successors and assigns, the "Pledgor") is the owner of (i) the trademarks and service marks listed on Schedule A attached hereto, which marks are registered or have pending registrations in the United States Patent and Trademark Office or in a similar governmental agency in the foreign jurisdictions set forth on Schedule A attached hereto (all such trademarks, service marks, registrations and applications are referred to herein collectively as the "Trademarks") and (ii) the patents listed on Schedule A attached hereto, which patents are registered or have pending applications in the United States Patent and Trademark Office or in a similar governmental agency in the foreign jurisdictions set forth on Schedule A attached hereto (all such patents, registrations and applications are referred to herein collectively as the "Patents"); and

WHEREAS, it is a condition to the extensions of credit under that certain Amended and Restated Financing Agreement, dated as of October 31, 2003 (as amended, modified, supplemented, restated, extended, renewed, increased and/or replaced from time to time, the "Financing Agreement"), among The CIT Group/Business Credit, Inc., a New York corporation (together with its successors and assigns, "CIT"), with offices at Two Lincoln Centre, Suite 200, 5420 LBJ Freeway, Dallas, Texas, 75240, the Pledgor and the other parties thereto, that the Pledgor execute and deliver to CIT this Amended and Restated Assignment and Grant of Security Interest in Patents and Trademarks (as amended, modified, supplemented, restated, extended and/or replaced from time to time, this "Assignment") (capitalized terms used but not defined herein shall have the meanings assigned thereto in the Financing Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, as security for the payment and performance of the Obligations, the Pledgor does hereby assign, transfer, convey and grant to CIT a security interest in and mortgage to all of the following property now owned or at any time hereafter owned, acquired or developed by the Pledgor or in which the Pledgor now has or at any time in the future may own, acquire or develop any right, title or interest (collectively, the "Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations:

- (1) all of the Pledgor's present and hereafter acquired patents (including, without limitation, the Patents), patent applications, registrations, any reissues, divisions, continuations, extensions, continuations-in-part and renewals thereof, any licenses to make, use, sell, offer to sell or import any invention or product covered in whole or in part by any of the foregoing (whether oral or written, registered or unregistered) and all renewals and extensions thereof, any inventions and improvements claimed thereunder, all rights to sue at law or in equity for past, present or future infringement, dilution or other impairment thereof (including all proceeds and damages thereof), and all general intangible, intellectual property and patent and other rights pertaining to any of the foregoing;

Pledgor: Nu-kote Imperial, Ltd.
Secured Party: The CIT Group/Business Credit, Inc.

- (2) all of the Pledgor's present and hereafter acquired trademarks (including, without limitation, the Trademarks), trademark registrations, recordings, applications, tradenames, trade styles, service marks, prints and labels (on which any of the foregoing may appear), any licenses to make, use, sell, offer to sell or import any invention or product covered in whole or in part by any of the foregoing (whether oral or written, registered or unregistered) and all renewals and extensions thereof, any reissues, renewals, divisions, continuations, extensions and continuations-in-part thereof, all rights to sue at law or in equity for past, present or future infringement, dilution or other impairment thereof (including all proceeds and damages thereof), and any other general intangible, intellectual property and trademark and other rights pertaining to any of the foregoing;
- (3) all books and records pertaining to the Collateral; and
- (4) all Proceeds (as defined in the UCC), license royalties, income, rights to payment, accounts, proceeds and damages of infringement suits and products of, and all goodwill associated with, any and all of the foregoing and, to the extent not otherwise included, all payments under insurance (whether or not CIT is the loss payee thereof) or any indemnity, warranty or guaranty payable by reason of loss or damage to or otherwise with respect to any or all of the foregoing Collateral.

This Assignment has been given in conjunction with the assignment and security interest granted to CIT under the Financing Agreement, and the provisions of this Assignment are without prejudice to and in addition to the provisions of the Financing Agreement (including, without limitation, the rights and remedies of CIT with respect to the security interest in the Collateral made and granted hereby and pursuant to the Financing Agreement), all of which the Pledgor acknowledges and affirms and which are incorporated herein by reference as if fully set forth herein.

This Assignment is an amendment, restatement and renewal of that certain Assignment and Grant of Security Interest in Patents and Trademarks, dated as of February 16, 2001, made by the Pledgor in favor of CIT (the "Existing Assignment"), and is not (a) a novation or substitution of the security interest granted by the Pledgor to CIT pursuant to the Existing Assignment or the Existing Financing Agreement or (b) a satisfaction and discharge of the security interest granted by the Pledgor to CIT pursuant to the Existing Assignment or the Existing Financing Agreement replaced by a new assignment. All terms and provisions of this Assignment supersede, and amend and restate, in their entirety the Existing Assignment, except for the security interest granted by the Pledgor to CIT under the Existing Assignment, which shall survive and be renewed, amended and restated by the terms of this Assignment. All security interests in the trademarks and patents listed on Schedule A to the Existing Assignment shall continue and remain valid, binding and enforceable security interests in such trademarks and patents.
