Re: Declaration re Correction of Assignment Between Randall International and Imperial Bank Filed at Reel 2242, Frame 0054

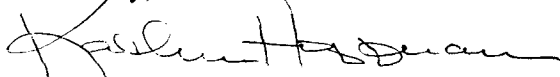

Dear Ms. Nadelman:

All of the security interests held by Imperial Bank in Randall International's intellectual property were terminated as of July 1, 2003. However, the following assignment, at reel and frame number 2242/0054, was erroneously filed not as a security interest but as an assignment of the entire interest in the following application and registration numbers: 2449243; 75759501; 2450200; 75846949; 75759502; 75759500; 7570465; 75704633; 2407254; 75688027; 75688026; 1949001.

Imperial Bank is not and never was the owner of the above applications and registrations, and only possessed a security interest which was subsequently terminated on July 1, 2003. Randall International is and always has been the owner of the above applications and registrations.

I hereby attest to the truth of the statements contained herein.

Sincerely,

Katherine M. Hoffman
