**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
TRADEMARK ASSIGNMENT**

ASSIGNOR: Belden Wire & Cable Company, a Delaware corporation

ASSIGNEE: Belden Technologies, Inc., a Delaware corporation

MARK, REGISTRATION NO. & DATE: See Attached Exhibit A

This Assignment is made as of the 28th day of August, 2003, by and between Belden Wire & Cable Company, a Delaware Corporation ("Assignor") and Belden Technologies, Inc., a Delaware corporation ("Assignee").

WHEREAS, Assignor is the sole owner of the entire right, title and interest in and to the Trademarks set forth on the attached Schedule A made a part hereof and incorporated by this reference (the "Trademarks"), which Trademarks have been registered in the United States Patent and Trademark Office;

WHEREAS, Assignor desires to sell, transfer and assign to Assignee all of Assignor's right, title and interest in and to the Trademarks and the registration thereof together with the goodwill of the business in connection with which the Trademarks is used and which is symbolized by the Trademarks, along with the right to sue and recover damages for past, present and future infringements thereof;

WHEREAS, Assignee desires to acquire from Assignor the Trademarks and the registration thereof together with the goodwill of the business in connection with which the Trademarks is used and which is symbolized by the trademark, along with the right to recover for damages and past infringements thereof.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, Assignor hereby sells, transfers and assigns to Assignee, its successors and assigns, Assignor's entire right, title and interest in and to the Trademarks and the registration thereof for the United States throughout the world, together with all of the goodwill of the business in connection with which the Trademarks are used and which are symbolized by said Trademarks, along with the right to recover for damages and profits from past infringements thereof.

Assignor covenants and agrees that it will, whenever so requested by Assignee, execute and deliver such further instruments and perform any other reasonable acts that Assignee may require as may be necessary or convenient for vesting in Assignee the full benefit of all of the rights and premises hereby assigned and/or provide evidence to support any of the foregoing in the event such evidence is in the possession or control of the Assignor.

Assignor hereby transfers, grants, conveys, and assigns to Assignee the sole and unencumbered right to file for and obtain worldwide registrations for any or all of the Marks, in any or all of their respective forms, in any and all trademark and service mark categories as are applicable.

The Commissioner of Patents and Trademarks is hereby respectfully requested to record this Assignment in the United States Patent and Trademark Office and index same against the files of registration herein described.

This Assignment may be executed by the parties hereto on any number of separate counterparts, and all such counterparts so executed constitute one agreement binding on all the parties notwithstanding that all the parties are not signatories to the same counterpart.

All provisions of this Assignment are binding upon, inure to the benefit of and are enforceable by or against the parties and their respective and successors and permitted assigns.

This Assignment and all of the terms and conditions herein are effective as of the Effective Date. The ongoing covenants of the parties as are set forth herein shall continue in effect until such time as this Assignment is terminated and/or amended by a written instrument signed by both parties hereto, or their respective permitted successors and assigns.

Nothing in this Assignment may be construed to effect any other trademark or service mark assignment or related agreement that may be entered into by and between the parties.

IN WITNESS WHEREOF, the parties have executed this Assignment as of the date first set forth above.
