CONFIRMATORY ASSIGNMENT

(U.S. and Foreign Patents, Trademarks and other Intellectual Property)

THIS ASSIGNMENT, made to be effective as of the 26th day of December, 2002, by and between HBWP, Inc. fka OmniQuip Textron Inc., a Delaware corporation, located at 1609 Roseport Road, Elwood, Kansas 66024 (the "Assignor"), and Trak International, Inc. a Delaware corporation, located at 369 West Western Avenue, Port Washington, Wisconsin 53074 (the "Assignee"), witnesseth:

WHEREAS, the said Assignor is the sole and rightful owner of ideas, concepts, patents and patent applications, inventions (whether or not patentable and whether or not reduced to practice), marks (including trade names, trademarks, service marks, certification marks, collective marks, collective membership marks, trade dress, or other designations of origin, whether in word, logo, design, or other form, and any goodwill associated therewith, all of the foregoing marks, registrations and applications, collectively referred to as "Marks") and registrations for and applications to register the foregoing, Internet domain name registrations, works of authorship, copyrights, and registrations for and applications for copyrights, technical or other proprietary information of Assignor relating to the development, design, manufacture, installation, assembly or testing of Assignor's and/or its subsidiaries products or services (including technical drawings and specifications, shop drawings, manuals, forms, working notes and memos, market studies, consultants' reports, technical and laboratory data, notebooks, samples and engineering prototypes), trade secrets, secret processes and procedures, know-how, proprietary or sui generis data bases and computer software, and licenses for any of the foregoing, and information relating to the conduct or details of the businesses of Assignor and its subsidiaries (whether constituting a trade secret or not) that is maintained or treated as confidential by Assignor and its subsidiaries, including business, marketing and financial information, methods of operation, customers and customer lists, supplier lists, sales data, details of contracts with customers, consultants, suppliers or employees, products, proposed products, former products, proposed, pending or completed acquisitions of any company, divisions, product line or other business unit, prices and pricing policies, fees, costs, plans, designs, technology, inventions, trade secrets, know-how, software, marketing methods, policies, plans, personnel, suppliers, competitors, markets or other specialized information or proprietary matters of Company or any of its Subsidiaries, including the patents and applications for patents and of the inventions therein disclosed and the Marks as set forth in the Schedule A attached hereto; but specifically excluding any and all tangible or intangible property related to the Snorkel product line, including but not limited to, the property listed on the Schedule B attached hereto (all of the foregoing, except such excluded property, collectively referred to as "Intellectual Property"); and

WHEREAS, Assignors desires to assign, and Assignee desires to acquire, said Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor confirms that it has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, *nunc pro tunc* effective as of December 26, 2002, the entire right, title and interest in and to said Intellectual Property and all

rights which the Assignor has enjoyed thereunder both in the United States of America and throughout all countries of the world, for the full terms thereof and all renewals and extensions thereof, including any and all rights of recovery based on past and future infringement of said Intellectual Property;

AND for the same consideration, the Assignor confirms that it has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, *nunc pro tunc* effective as of December 26, 2002, the entire right, title and interest in and to said Marks constituting Intellectual Property as set forth in the Schedule A attached hereto, together with the goodwill of the business symbolized by said Marks and the registrations and applications thereof, and all other rights which the Assignor has enjoyed thereunder both in the United States of America and throughout all countries of the world, including any and all rights of recovery based on past and future infringement of said Marks and/or registrations, and the right to seek renewal of such registrations, the same to be held and enjoyed by the Assignee, its successors and assigns, forever and to the full end of the terms for which any of the aforesaid Marks are registered and any renewals of the terms thereof;

AND for the same consideration, the Assignor confirms that it has sold, assigned, transferred and set over, and by these presents does sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, *nunc pro tunc* effective as of December 26, 2002, the entire right, title and interest in and to, to the extent the following constitute Intellectual Property, any and all applications for patents and any and all patents, as set forth in the Schedule A attached hereto, and in and to the inventions set forth in said applications and patents and any and all patents in the United States of America and all foreign countries which have been or may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said applications, or reissues, reexaminations, or extensions of said patents, and all rights under the International Convention for the Protection of Industrial Property, said rights to include any and all rights of recovery based on past infringement of any and all said inventions and said patents, the same to be held and enjoyed by the said Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, to the full end of the term or terms for which patents may be granted, and all extensions thereof, as fully and entirely as the same would have been held and enjoyed by each of the said Assignors, had this sale and assignment not been made;

AND for the same consideration, the Assignor hereby represents that, to its knowledge, such knowledge being based solely on the representations of Textron Inc., at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, the Assignor is the sole and lawful owner of the entire right, title and interest in and to said Intellectual Property, and that the same are unencumbered and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth;

AND for the same consideration, the Assignor hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, said Assignor will, whenever counsel of said Assignee, or the counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said Intellectual Property in any country, including interference and opposition proceedings, is lawful and desirable, or that any
