## ASSIGNMENT OF TRADEMARKS

This Assignment of Trademarks ("Assignment") is made and entered into as of December 17, 2003, by and among Handpiece Parts & Repair, Inc., a Delaware corporation ("Assignor"), and HSI Service Corp., a Delaware corporation ("Assignee"). Capitalized terms used but not defined herein shall have the meanings for such terms that are set forth in the Purchase Agreement (defined below).

WHEREAS, Assignor and Assignee are parties to an Asset Purchase Agreement of even date herewith (the "Purchase Agreement"), pursuant to which, subject to the terms and conditions set forth therein, Assignee is purchasing substantially all of the Assets of Assignor, including, but not limited to, the trademarks, trade names and domain names of Assignor ("Trademarks");

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to assign all of its Trademarks to Assignee, and Assignee has agreed to accept the transfer by Assignor of its right, title and interest in and to the Trademarks, including the entire business or portion thereof to which the Trademarks pertain, together with the goodwill of the business associated with the Trademarks;

NOW, THEREFORE, for and in consideration of the premises and mutual covenants contained herein, and for other good and valuable consideration, the receipt and legal sufficiency of which are hereby acknowledged, the parties do hereby agree as follows:

1. Effective as of the date hereof (the "Effective Time"), Assignor hereby assigns, sells, transfers, and sets over to Assignee all of Assignor's rights, title and interest in, to and under all of the Assignor's United States and foreign Trademarks, together with the goodwill of the Business associated therewith, including, without limitation, the Trademarks listed on Schedule A annexed hereto and incorporated herein by reference, the goodwill of the Business associated with the Trademarks and all rights to sue for infringement of any Trademarks, whether arising prior to or subsequent to the date of this Assignment, and any and all renewals and extensions thereof that may hereafter be secured under the laws now or hereafter in effect in the United States and in any other foreign jurisdiction, the same to be held and enjoyed by Assignee, its successors and assigns from and after the date hereof as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made.

2. Assignor covenants and agrees to (a) warrant and defend the Assignment hereby made against all persons, and (b) take all steps reasonably necessary to establish the record of Assignee's title to the Trademarks and, at the request and expense of Assignee, execute and deliver further instruments of transfer and assignment and take such other action as Assignee may reasonably request to more effectively transfer and assign to and vest in Assignee title to the Trademarks.

3. The terms of the Purchase Agreement, including but not limited to Assignor's and Assignee's representations, warranties, covenants, agreements and indemnities relating to the Trademarks are incorporated herein by reference. Each party acknowledges and agrees that

the representations, warranties, covenants, agreements and indemnities contained in the Purchase Agreement shall not be superseded hereby but shall remain in full force and effect to the full extent provided therein. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern.

[end of text]

IN WITNESS WHEREOF, the parties have executed and delivered this Assignment as of the date first set forth above.

HANDPIECE PARTS & REPAIR, INC.
