## TRADEMARK COLLATERAL AGREEMENT

This 18th day of September, 2003, Standard Car Truck Company, a Delaware corporation (the "*Borrower*"), and the other parties executing this Agreement under the heading "*Debtors*" (the Borrower and such other parties being hereinafter referred to collectively as the "*Debtors*" and individually as a "*Debtor*"), each with its principal place of business and mailing address at 865 Busse Highway, Park Ridge, Illinois 60068, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged to Harris Trust and Savings Bank, an Illinois banking corporation with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, and its successors and assigns ("*Secured Party*"), and grant to Secured Party a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) All proceeds of the foregoing, including without limitation any claim by a Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A hereto or by reason of injury to the goodwill associated with any such trademark or trademark registration, in each case together with the right to sue for and collect said damages;

to secure performance of all Obligations of the Debtors as set out in that certain Security Agreement bearing even date herewith between the Debtors, certain other subsidiaries of the Borrower and the Secured Party (such Security Agreement as the same may be amended, modified or restated from time to time hereinafter referred to as the "*Security Agreement*").

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Secured Party of any applications by a Debtor for a Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as such Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Secured Party on such Intent-To-Use Application as collateral security for the Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Each Debtor does hereby further acknowledge and affirm that the rights and remedies of Secured Party with respect to the security interest in the trademarks and trademark applications made and granted hereby are more fully set forth in the Security Agreement.
