TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment"), dated as of April 2, 2004 (the "Effective Date") is by and between KSL Recreation Corporation, a Delaware corporation ("Assignor"), and KSL Recreation Management Operations, LLC, a Delaware limited liability company ("Assignee").

WHEREAS, in connection with the transactions contemplated by the Stock Purchase Agreement, dated as of February 12, 2004, among Assignor, KKR Partners II, L.P., a Delaware limited partnership, KKR 1996 Fund, L.P., a Delaware limited partnership, Resort Associates, L.P., a Delaware limited partnership, and Golf Associates, L.P., a Delaware limited partnership, and CNL Resort Acquisition Corp., a Delaware corporation, Assignor wishes to assign to Assignee the trademarks listed on Schedule A annexed hereto.

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor hereby assigns, transfers and conveys to Assignee all of Assignor's right, title and interest in and to the Trademarks listed on Schedule A hereto, together with the goodwill of the business connected with the use thereof and symbolized thereby, the registrations and applications for registration thereof and rights of renewal and extension thereof, all common-law rights related thereto and all causes of action and rights of recovery for past, present and future infringements, dilutions or violations of the foregoing, and the right to bring any proceeding in the United States Patent and Trademark Office or any equivalent agency in any other country for cancellation, opposition or otherwise in connection with the Trademarks (the foregoing, collectively, the "Trademarks").

2. Assignor and Assignee agree that the purchase price for the Trademarks is [REDACTED]. Assignee agrees to make payment of the purchase price in accordance with instructions previously furnished by Assignor.

3. Each party warrants that (i) this Assignment is a legal, valid and binding obligation of the warranting party, and (ii) it has full power and authority to enter into and perform its obligations under this Assignment in accordance with its terms. The Trademarks are assigned solely on an "as is" basis.

4. The right, title and interest in and to each of the Trademarks is to be held and enjoyed by Assignee and Assignee's successors and assigns as fully and exclusively as it would have been held and enjoyed by Assignor had this assignment not been made.

5. Assignor will, without additional consideration, take such further actions and execute promptly such further documents as are necessary to effect and record the assignment herein, including any actions or documents that may be necessary to protect, secure and vest good, valid and marketable title to the Trademarks in Assignee.

6. Assignor hereby authorizes Assignee to request the relevant government entity or agency, in each applicable country or jurisdiction, to record Assignee as the assignee and owner of the Trademarks.

REDACTED

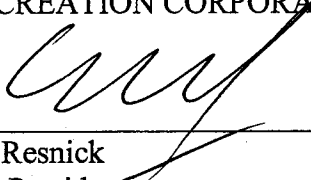

7. This Assignment may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the parties and delivered to the other party.

8. This Assignment shall be governed and construed in accordance with the laws of the State of New York.
