QUITCLAIM ASSIGNMENT

THIS QUITCLAIM ASSIGNMENT is effective prior to September 30, 2000, between Fleet National Bank, a national banking association, successor in interest to BayBank, N.A. ("Transferor") and The Titan Corporation, a Delaware corporation ("Transferee");

WHEREAS, on July 25, 1996, Transferee's predecessor, Infotec Development, Incorporated, a California Corporation ("Infotec"), entered into a Credit Agreement with BayBank, N.A., a national banking association ("BayBank"), and pursuant to the Credit Agreement Infotec agreed to assign the entire interest in the marks shown on Schedule A attached hereto (the "Marks") in the event that BayBank accelerated Infotec's obligations under the underlying Agreement. This assignment of the Marks to BayBank was recorded with the U.S. Patent and Trademark Office at Reel and Frame Number 1487/0115;

WHEREAS, Infotec and its successors in interest have satisfied all of its obligations under the Credit Agreement;

WHEREAS, Transferor has agreed to quitclaim and assign to Transferee any and all right, title and interest that Transferor may have in and to the Marks as the successor in interest to BayBank; and

NOW, THEREFORE, for and in consideration of the mutual covenants and undertakings of the parties, the receipt and sufficiency of which are hereby acknowledged, Transferor hereby quitclaims any interest in the Marks and irrevocably assigns, transfers and conveys to the Transferee all of Transferor's worldwide right, title and interest in and to the Marks (and all applications and registrations resulting therefrom and all renewals and extensions thereof), together with the goodwill of the business associated with or symbolized by the Marks, including all common law, statutory and other rights in the Marks, with the right to recover for damages and profits and all other remedies for past infringements thereof, to have and to hold for Transferee's own use and benefit and the benefit of Transferee's successors, assigns, or legal representatives.

Transferor hereby agrees to execute any documents and do any other acts as may be reasonably required to further effectuate the assignment of its interest in the Marks to Transferee.
