# ASSIGNMENT AGREEMENT

WHEREAS, **Air Products and Chemicals, Inc.** (hereinafter "APCI"), a Delaware corporation having its principal place of business at 7201 Hamilton Boulevard, Allentown, Pennsylvania 18195, is the owner of a certain service mark registration for the mark "OUTLOOK", associated with providing personnel and operations of systems for the management of the supply of industrial gases in International Class 35; and constructing and installing to the order of others systems for the delivery and use of industrial gases in International Class 37; and design engineering services for systems for the storage, delivery and use of industrial gases in International Class 42; and

WHEREAS, **Airgas, Inc.** (hereinafter "AIRGAS"), a Delaware corporation having its principal place of business at Radnor Court, Suite 390, 259 North Radnor-Chester Road, Radnor, Pennsylvania 19087, desires to acquire the entire right, title and interest in the said mark, including such registration.

NOW, THEREFORE, for good and valuable consideration APCI does by these presents assign, convey, transfer and delivery to AIRGAS, its successors and assigns, the entire right, title and interest, worldwide, in and to the aforesaid mark, including such registration, and in particular, the following:

U.S. Service mark Registration No. 2,117,777 "OUTLOOK"  
Principal Register

together with the goodwill of the business associated with said mark, effective as of the date set forth herein.

APCI agrees with AIRGAS to assign, sell, execute and deliver, or cause to be assigned, sold, executed and delivered, and to do or make or cause to be done or made, upon reasonable request by AIRGAS and AIRGAS' expense, any and all instruments, papers, deeds, acts or things, supplemental, confirmatory or otherwise, as may be reasonably required by

AIRGAS for the purpose of or in connection with more effectively vesting in AIRGAS or evidencing the vesting in AIRGAS of the aforesaid registrations for the mark "OUTLOOK" associated with providing personnel and operations of systems for the management of the supply of industrial gases in International Class 35; and constructing and installing to the order of others systems for the delivery and use of industrial gases in International Class 37; and design engineering services for systems for the storage, delivery and use of industrial gases in International Class 42.

APCI agrees not to reinstitute the use of the mark "OUTLOOK" on such services unless said mark is reassigned to them.

This Assignment will be executed in multiple counterparts, each of which shall be deemed to be an original and which shall together constitute one and the same instrument.

IN WITNESS WHEREOF, APCI and AIRGAS have caused this Assignment Agreement to be executed this 7<sup>th</sup> day of September 2003 by their duly authorized officers.
