(v) It shall remain liable for the failure to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Collateral owned or held by it or on its behalf, all in accordance with the terms and conditions thereof, and it agrees, jointly with the other Grantors and severally, to indemnify and hold harmless the Administrative Agent and the other Secured Parties from and against any and all liability for such performance.

(vi) It shall not make, or permit to be made, an assignment, pledge or hypothecation of the Collateral owned or held by it or on its behalf, or grant any other Lien in respect of such Collateral, except as expressly permitted by the Loan Documents. In the event that such Grantor at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Administrative Agent may, without waiving or releasing any obligation or liability of the Grantors hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Administrative Agent deems advisable. All sums disbursed by the Administrative Agent in connection with this paragraph, including reasonable attorneys' fees and expenses, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Grantors to the Administrative Agent and shall be additional Obligations secured hereby.

If the Administrative Agent notifies such Grantor that it has elected to collect any such Receivable, Supporting Obligation or Collateral Support in accordance with the preceding sentence, any payments thereof received by such Grantor shall not be commingled with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Administrative Agent hereunder and shall be forthwith delivered to the Administrative Agent in the same form as so received (with any necessary indorsement), and such Grantor shall not grant any extension of the time of payment thereof, compromise, compound or settle the same for less than the full amount thereof, release the same, wholly or partly, or allow any credit or discount whatsoever thereon.

(B) The Administrative Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as such Grantor may reasonably request for the

Section 6.1 Remedies Generally

(a) General Rights. Upon the occurrence and during the continuance of an Event of Default, each Grantor agrees to deliver each item of Collateral owned or held by it or on its behalf to the Administrative Agent on demand, and it is agreed that the Administrative Agent shall have the right to take any of or all the following actions at the same or different times: (i) with respect to any Collateral consisting of Intellectual Property or Commercial Tort Claims, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any such Collateral by the applicable Grantors to the Administrative Agent, or, in the case of Intellectual Property, to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Administrative Agent shall determine, unless any of the Grantor's obligations set forth in this clause (a) would violate any then-existing licensing arrangements to the extent that waivers cannot be obtained, (ii) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral owned or held by it or on its behalf and without liability for trespass to enter any premises where such Collateral may be located for the purpose of taking possession of or removing such Collateral and, generally, to exercise any and all rights afforded to a secured party under the UCC or other applicable law, and (iii) appoint a receiver for all or any portion of the Collateral. Without limiting the generality of the foregoing, each Grantor agrees that the Administrative Agent shall have the right, upon the occurrence and during the continuance of an Event of Default, subject to the mandatory requirements of applicable law, to sell or otherwise dispose of any of the Collateral owned or held by or on behalf of such Grantor, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Administrative Agent shall deem appropriate. The Administrative Agent shall be irrevocably authorized at any such sale of such Collateral constituting securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing such Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale, the Administrative Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely, free from any claim or right on the part of the applicable Grantor, and such Grantor hereby waives (to the extent permitted by law) all rights of redemption, stay, valuation and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

(b) Sale of Collateral. The Administrative Agent shall give each Grantor ten days' written notice (which such Grantor agrees is reasonable notice within the meaning of Section 9611 of the UCC as in effect in the State of New York or its equivalent in other jurisdictions (or any successor provisions)) of the Administrative Agent's intention to make any sale of any of the Collateral owned or held by or on behalf of such Grantor. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which such Collateral will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Administrative Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral to be sold may be sold in one lot as an entirety or in

separate parcels, as the Administrative Agent may (in its sole and absolute discretion) determine. The Administrative Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Administrative Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of any of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Administrative Agent until the sale price is paid by the purchaser or purchasers thereof, but the Administrative Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by applicable law, private) sale made pursuant to this Section, any Secured Party may bid for or purchase, free (to the extent permitted by applicable law) from any right of redemption, stay, valuation or appraisal on the part of such Grantor (all said rights being also hereby waived and released to the extent permitted by law), any of the Collateral offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from such Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to such Grantor therefor. For purposes hereof, (i) a written agreement to purchase any of the Collateral shall be treated as a sale thereof, (ii) the Administrative Agent shall be free to carry out such sale pursuant to such agreement, and (iii) no Grantor shall be entitled to the return of any of the Collateral subject thereto, notwithstanding the fact that after the Administrative Agent shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Administrative Agent may proceed by a suit or suits at law or in equity to foreclose upon any of the Collateral and to sell any of the Collateral pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Article shall be deemed to conform to the commercially reasonable standards as provided in Part 6 of Article 9 of the UCC as in effect in the State of New York or its equivalent in other jurisdictions (or any successor provisions). Without limiting the generality of the foregoing, each Grantor agrees as follows: (A) if the proceeds of any sale of the Collateral owned or held by it or on its behalf pursuant to this Article are insufficient to pay all the Obligations, it shall be liable for the resulting deficiency and the fees, charges and disbursements of any counsel employed by the Administrative Agent or any other Secured Party to collect such deficiency, (B) it hereby waives any claims against the Administrative Agent arising by reason of the fact that the price at which any such Collateral may have been sold at any private sale pursuant to this Article was less than the price that might have been obtained at a public sale, even if the Administrative Agent accepts the first offer received and does not offer such Collateral to more than one offeree, (C) there is no adequate remedy at law for failure by it to comply with the provisions of this Section and that such failure would not be adequately compensable in damages, and therefore agrees that its agreements in this Section may be specifically enforced, (D) the Administrative Agent may sell any such Collateral without giving any warranties as to such Collateral, and the Administrative Agent may specifically disclaim any warranties of title or the like, and (E) the Administrative Agent shall have no obligation to marshal any such Collateral.

(c) Authorizations. Notwithstanding anything to the contrary contained in any Loan Document or in any other agreement, instrument or document executed by any Grantor and delivered to the Administrative Agent, the Administrative Agent will not take any action pursuant to any Loan Document or any other document referred to above which would constitute or result in any assignment of any Authorization issued by the FCC or constitute or result in any

change of control (whether de jure or de facto) of such Grantor or any of its subsidiaries if such assignment of any such Authorization or change of control would require, under then existing law, the prior approval of the FCC without first obtaining such prior approval of the FCC. Upon the occurrence of an Event of Default or at any time thereafter during the continuance thereof, such Grantor agrees to take any action which the Administrative Agent may reasonably request in order to obtain from the FCC or any other Governmental Authority such approval as may be necessary to enable the Administrative Agent to exercise and enjoy the full rights and benefits granted to the Administrative Agent by this Security Agreement and the other documents referred to above, including specifically, at the cost and expense of such Grantor, the use of best efforts to assist in obtaining approval of the FCC or such other Governmental Authority for any action or transaction contemplated by this Security Agreement for which such approval is or shall be required by law, and specifically, without limitation, upon request, to prepare, sign and file with the FCC or such other Governmental Authority the assignor's or transferor's portion of any application or applications for consent to the assignment of Authorization or transfer of control necessary or appropriate under the FCC's or such other Governmental Authority's rules and regulations for approval of (i) any sale or other disposition of the Pledged Equity Interests or other Collateral by or on behalf of the Administrative Agent, or (ii) any assumption by the Administrative Agent of voting rights in the Pledged Equity Interests effected in accordance with the terms of this Security Agreement. It is understood and agreed that all foreclosure and related actions will be made in accordance with the Communications Act and applicable regulations and published policies and decisions of the FCC (including any requirement that, after an Event of Default has occurred and is continuing, (A) each applicable Grantor shall maintain the voting rights such Grantor is entitled to exercise pursuant to Section 3.4(c)(i)(A) in respect of such Pledged Equity Interests and (B) with respect to any foreclosure on the Pledged Equity Interests in any Subsidiary that directly or indirectly holds an FCC License, (1) the Administrative Agent shall conduct a public (i.e., auction) or private arm's length sale of such Pledged Equity Interests and (2) prior to the exercise of any rights over such Pledged Equity Interests purchased at a public or private sale, the purchaser shall obtain prior FCC approval pursuant to 47 U.S.C. §310(d)) and the statutes, regulations and published policies and decisions enforced by such other Governmental Authorities pertaining to such foreclosure and related actions.

Section 6.2 Application of Proceeds of Sale

The Administrative Agent shall apply the proceeds of any collection or sale of the Collateral, as well as any Collateral consisting of cash (except as otherwise provided in Section 6.11 of the Credit Agreement), as follows:

FIRST, to the payment of all reasonable costs and expenses incurred by the Administrative Agent (in its capacity as such hereunder or under any other Loan Document) in connection with such collection or sale or otherwise in connection with this Security Agreement, any other Loan Document or any of the Obligations, including all out of pocket court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all advances made by the Administrative Agent hereunder or under any other Loan Document on behalf of any Grantor and any other reasonable out-of-pocket costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Loan Document;

SECOND, to the payment in full of the Obligations (the amounts so applied to be distributed among the Secured Parties pro rata in accordance with

the amounts of the Obligations owed to them on the date of any such distribution); and

THIRD, to the applicable Grantor, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Administrative Agent shall have sole and absolute discretion as to the time of application of any such proceeds, monies or balances in accordance with this Security Agreement. Upon any sale of the Collateral by the Administrative Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Administrative Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Administrative Agent or such officer or be answerable in any way for the misapplication thereof.

Section 6.3 Investment-Related Property

In view of the position of each Grantor in relation to the Investment-Related Property, or because of other current or future circumstances, a question may arise under the Securities Act of 1933, as now or hereafter in effect, or any similar statute hereafter enacted analogous in purpose or effect (such Act and any such similar statute as from time to time in effect being called the "Federal Securities Laws") with respect to any disposition of the Investment-Related Property permitted hereunder. Each Grantor understands that compliance with the Federal Securities Laws might very strictly limit the course of conduct of the Administrative Agent if the Administrative Agent were to attempt to dispose of all or any part of the Investment-Related Property, and might also limit the extent to which or the manner in which any subsequent transferee of any Investment-Related Property could dispose of the same. Similarly, there may be other legal restrictions or limitations affecting the Administrative Agent in any attempt to dispose of all or part of the Investment-Related Property under applicable Blue Sky or other state securities laws or similar laws analogous in purpose or effect. Each Grantor recognizes that in light of such restrictions and limitations the Administrative Agent may, with respect to any sale of the Investment-Related Property, limit the purchasers to those who will agree, among other things, to acquire such Investment-Related Property for their own account, for investment, and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that in light of such restrictions and limitations, the Administrative Agent, in its sole and absolute discretion, (i) may proceed to make such a sale whether or not a registration statement for the purpose of registering such Investment-Related Property, or any part thereof, shall have been filed under the Federal Securities Laws and (ii) may approach and negotiate with a single potential purchaser to effect such sale. Each Grantor acknowledges and agrees that any such sale might result in prices and other terms less favorable to the seller than if such sale were a public sale without such restrictions. In the event of any such sale, the Administrative Agent shall incur no responsibility or liability for selling all or any part of the Investment-Related Property at a price that the Administrative Agent, in its sole and absolute discretion, may in good faith deem reasonable under the circumstances, notwithstanding the possibility that a substantially higher price might have been realized if the sale were deferred until after registration as aforesaid or if more than a single purchaser were approached. The provisions of this Section will apply notwithstanding the existence of a public or private market upon which the quotations or sales prices may exceed substantially the price at which the Administrative Agent sells any such Investment-Related Property.

Section 6.4 Grant of License to Use Intellectual Property

For the purpose of enabling the Administrative Agent to exercise rights and remedies under this Article, at such time as the Administrative Agent shall be lawfully entitled to exercise such rights and remedies, each Grantor hereby grants, to the extent it has the right to grant, to the Administrative Agent an irrevocable, nonexclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any of the Collateral consisting of Intellectual Property now owned or held or hereafter acquired or held by or on behalf of such Grantor, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Administrative Agent shall be exercised, at the option of the Administrative Agent, upon the occurrence and during the continuation of an Event of Default; provided that any license, sublicense or other transaction entered into by the Administrative Agent in accordance herewith shall be binding upon such Grantor notwithstanding any subsequent cure of an Event of Default. Any royalties and other payments received by the Administrative Agent shall be applied in accordance with Section 6.2.

Section 6.5 Registration, etc.

Each Grantor agrees that, upon the occurrence and during the continuance of an Event of Default, if for any reason the Administrative Agent desires to sell any of the Pledged Collateral owned or held by or on behalf of such Grantor at a public sale, it will, at any time and from time to time, upon the written request of the Administrative Agent, use its best efforts to take or to cause, where applicable, the issuer of such Pledged Collateral to take such action and prepare, distribute and/or file such documents, as are required or advisable in the reasonable opinion of counsel for the Administrative Agent to permit the public sale of such Pledged Collateral. Each Grantor further agrees to indemnify, defend and hold harmless the Administrative Agent, each other Secured Party, any underwriter and their respective officers, directors, affiliates and controlling Persons from and against all loss, liability, expenses, costs of counsel (including reasonable fees and expenses of legal counsel), and claims (including the costs of investigation) that they may incur, insofar as such loss, liability, expense or claim, as applicable, relates to such Grantor or any of its property, and arises out of or is based upon any alleged untrue statement of a material fact contained in any prospectus (or any amendment or supplement thereto) or in any notification or offering circular, or arises out of or is based upon any alleged omission to state a material fact required to be stated therein or necessary to make the statements in any thereof not misleading, except insofar as the same may have been caused by any untrue statement or omission based upon information furnished in writing to such Grantor or the issuer of such Pledged Collateral, as applicable, by the Administrative Agent or any other Secured Party expressly for use therein. Each Grantor further agrees, upon such written request referred to above, to use its best efforts to qualify, file or register, or cause, where applicable, the issuer of such Pledged Collateral to qualify, file or register, any of the Pledged Collateral owned or held by or on behalf of such Grantor under the Blue Sky or other securities laws of such states as may be requested by the Administrative Agent and keep effective, or cause to be kept effective, all such qualifications, filings or registrations. Each Grantor will bear all costs and expenses of carrying out its obligations under this Section. Each Grantor acknowledges that there is no adequate remedy at law for failure by it to comply with the provisions of this Section and that such failure would not be adequately compensable in damages, and therefore agrees that its agreements contained in this Section may be specifically enforced.

ARTICLE 7.

REIMBURSEMENT OF ADMINISTRATIVE AGENT

Each Grantor agrees, jointly with the other Grantors and severally, to pay to the Administrative Agent the amount of any and all reasonable out-of-pocket expenses, including the reasonable fees, other charges and disbursements of counsel and of any experts or agents, that the Administrative Agent may incur in connection with (i) the administration of this Security Agreement relating to such Grantor or any of its property, (ii) the custody or preservation of, or the sale of, collection from, or other realization upon, any of the Collateral owned or held by or on behalf of such Grantor, (iii) the exercise, enforcement or protection of any of the rights of the Administrative Agent hereunder relating to such Grantor or any of its property, or (iv) the failure by such Grantor to perform or observe any of the provisions hereof. Without limitation of its indemnification obligations under the other Loan Documents, each of the Grantors agrees, jointly with the other Grantors and severally, to indemnify the Administrative Agent and the other Indemnitees against, and hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related out-of-pocket expenses, including reasonable counsel fees, other charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (a) the execution or delivery by such Grantor of this Security Agreement or any other Loan Document or any agreement or instrument contemplated hereby or thereby, or the performance by such Grantor of its obligations under the Loan Documents and the other transactions contemplated thereby or (b) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. Any amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Security Documents. The provisions of this Section shall remain operative and in full force and effect regardless of the termination of this Security Agreement or any other Loan Document, the consummation of the transactions contemplated hereby or thereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Security Agreement or any other Loan Document or any investigation made by or on behalf of the Administrative Agent or any other Secured Party. All amounts due under this Section shall be payable within ten days of written demand therefor and shall bear interest at the rate specified in Section 3.1 of the Credit Agreement.

ARTICLE 8.

WAIVERS; AMENDMENTS

No failure or delay of the Administrative Agent in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent and the other Secured Parties hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Security Agreement or any other Loan Document or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by this Section, and then such waiver or consent shall

be effective only in the specific instance and for the purpose for which given. No notice or demand on any Grantor in any case shall entitle such Grantor to any other or further notice or demand in similar or other circumstances. Neither this Security Agreement nor any provision hereof may be waived, amended, supplemented or otherwise modified, or any departure therefrom consented to, except pursuant to an agreement or agreements in writing entered into by, between or among the Administrative Agent and the Grantor or Grantors with respect to which such waiver, amendment, other modification or consent is to apply, subject to any consent required in accordance with Section 10.2 of the Credit Agreement.

ARTICLE 9.

SECURITY INTEREST ABSOLUTE

All rights of the Administrative Agent hereunder, the Security Interest and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (i) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Obligations, or any other agreement or instrument relating to any of the foregoing, (ii) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other waiver, amendment, supplement or other modification of, or any consent to any departure from, the Credit Agreement, any other Loan Document or any other agreement or instrument relating to any of the foregoing, (iii) except as otherwise expressly permitted under the Loan Documents or effected pursuant thereto, any exchange, release or non-perfection of any Lien on any other collateral, or any release or waiver, amendment, supplement or other modification of, or consent under, or departure from, any guaranty, securing or guaranteeing all or any of the Obligations, or (iv) any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Grantor in respect of the Obligations or in respect of this Security Agreement or any other Loan Document.

ARTICLE 10.

TERMINATION; RELEASE

This Security Agreement and the Security Interest shall terminate when all Commitments have expired or otherwise terminated and all Obligations have been finally and indefeasibly paid in full and all Letters of Credit have expired and all LC Disbursements have been reimbursed. Upon the effectiveness of any release of the Security Interest in any Collateral pursuant to Section 10.2 of the Credit Agreement, the Security Interest in such Collateral shall be automatically released. Upon any Transfer of Collateral permitted by the Loan Documents to a Person (other than a Loan Party), the Security Interest in such Collateral shall be automatically released (other than to the extent any such Transfer of such Collateral would, immediately after giving effect thereto, result in the receipt by such Grantor of any other property (whether in the form of Proceeds or otherwise) that would, but for the release of the Security Interest therein pursuant to this clause, constitute Collateral, in which event the Lien created hereunder shall continue in such other property received). In addition, if (i) any of the Pledged Equity Interests in any Subsidiary are Transferred pursuant to a transaction permitted by the Loan Documents to a Person (other than a Loan Party) and, immediately after giving effect thereto, such Subsidiary would no longer be a Subsidiary or (ii) if any Subsidiary is designated as an Unrestricted Subsidiary pursuant to

Section 10.14 of the Credit Agreement, then the obligations of such Subsidiary under this Security Agreement and the Security Interest in the Collateral owned or rights in Collateral held by or on behalf of such Subsidiary shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to the applicable Grantor, at such Grantor's own cost and expense, all Uniform Commercial Code termination statements and similar documents that such Grantor may reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Article shall be without recourse to or warranty by the Administrative Agent or any other Secured Party.

ARTICLE 11.

ADDITIONAL GRANTORS

Upon execution and delivery after the date hereof by the Administrative Agent and a Restricted Subsidiary of a Supplement, such Restricted Subsidiary shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein (each an "Additional Grantor"). The execution and delivery of any Supplement shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder and each other Loan Party and other party (other than a Credit Party) under the Loan Documents shall remain in full force and effect notwithstanding the addition of any Additional Grantor as a party to this Security Agreement.

ARTICLE 12.

NOTICES

All communications and notices hereunder shall be in writing and given as provided in Section 10.1 of the Credit Agreement. All communications and notices hereunder to the Administrative Agent or the Borrower shall be given to it at its address for notices set forth in such Section, and all communications and notices hereunder to any other Grantor shall be given to it c/o the Borrower at such address.

ARTICLE 13.

BINDING EFFECT; SEVERAL AGREEMENT; ASSIGNMENTS

Whenever in this Security Agreement any of the parties hereto is referred to, such reference shall be deemed to include the successors and assigns of such party, and all covenants, promises and agreements by or on behalf of any Grantor that are contained in this Security Agreement shall bind and inure to the benefit of each party hereto and its successors and assigns. This Security Agreement shall become effective as to any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Administrative Agent and a counterpart hereof shall have been executed on behalf of the Administrative Agent, and thereafter shall be binding upon such Grantor and the Administrative Agent and their respective successors and assigns, and shall inure to the benefit of such Grantor, the Administrative Agent and the other Secured Parties, and their respective successors and assigns, except that no Grantor shall have the right to assign its rights or obligations hereunder or any interest herein or in any of the Collateral

(and any such attempted assignment shall be void), except as expressly contemplated by this Security Agreement or the other Loan Documents. This Security Agreement shall be construed as a separate agreement with respect to each of the Grantors and may be amended, supplemented, waived or otherwise modified or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

ARTICLE 14.

SURVIVAL OF AGREEMENT; SEVERABILITY

All covenants, agreements, representations and warranties made by the Grantors herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Security Agreement or any other Loan Document shall be considered to have been relied upon by the Administrative Agent and the other Secured Parties and shall survive the execution and delivery of any Loan Document and the making of any Loan or issuance of any Letter of Credit, regardless of any investigation made by the Secured Parties or on their behalf, and shall continue in full force and effect until this Security Agreement shall terminate. In the event any one or more of the provisions contained in this Security Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein or therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of such invalid, illegal or unenforceable provisions.

ARTICLE 15.

GOVERNING LAW

THIS SECURITY AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

ARTICLE 16.

COUNTERPARTS

This Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which, when taken together, shall constitute but one contract (subject to Article 13), and shall become effective as provided in Article 13. Delivery of an executed counterpart of this Security Agreement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Security Agreement.

ARTICLE 17.

HEADINGS

Article and Section headings used herein are for convenience of reference only, are not part of this Security Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Security Agreement.

ARTICLE 18.

JURISDICTION; VENUE; CONSENT TO SERVICE OF PROCESS

Each Grantor hereby irrevocably and unconditionally submits, for itself and its property, to the nonexclusive jurisdiction of any New York State court or Federal court of the United States of America sitting in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Security Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that, to the extent permitted by applicable law, all claims in respect of any such action or proceeding may be heard and determined in such New York State court or, to the extent permitted by applicable law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Security Agreement shall affect any right that the Administrative Agent or any other Secured Party may otherwise have to bring any action or proceeding relating to this Security Agreement or the other Loan Documents against such Grantor or any of its property in the courts of any jurisdiction. Each Grantor hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Security Agreement or the other Loan Documents in any foregoing court referred to in this Article. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court. Each party hereto irrevocably consents to service of process in the manner provided for notices in Article 12. Nothing in this Security Agreement will affect the right of any party hereto to serve process in any other manner permitted by law.

ARTICLE 19.

SAVINGS CLAUSE

This Security Agreement is an amendment and restatement of the terms and conditions of the Existing Parent Security Agreement, the Existing Borrower Security Agreement and the security provisions of the Existing Subsidiary Guaranty and is not intended and should not be construed as in any way extinguishing or terminating the Obligations or the security interest granted under any of the Existing Parent Security Agreement, the Existing Borrower Security Agreement or the Existing Subsidiary Guaranty.

ARTICLE 20.

WAIVER OF JURY TRIAL

EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS SECURITY AGREEMENT. EACH PARTY HERETO (I) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HERETO HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (II) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS SECURITY AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS ARTICLE.

EXHIBIT A
to Amended and Restated Security Agreement
Dated as of September 25, 2003

Form of Supplement

SUPPLEMENT NO. ___, dated as of _____, 20___, to the AMENDED AND RESTATED SECURITY AGREEMENT, dated as of September 25, 2003, among SALEM COMMUNICATIONS CORPORATION, a Delaware corporation (the "Parent"), SALEM COMMUNICATIONS HOLDING CORPORATION, a Delaware corporation (the "Borrower"), each of the Restricted Subsidiaries party thereto and THE BANK OF NEW YORK, as administrative agent under the Credit Agreement referred to in the next paragraph (as amended, supplemented or otherwise modified from time to time, the "Guarantee Agreement").

Reference is made to the Credit Agreement, dated as of September 25, 2003, among the Parent, the Borrower, the lenders party thereto, General Electric Capital Corporation and SunTrust Bank, as Syndication Agents, Fleet National Bank and ING (U.S.) Capital LLC, as Documentation Agents, and The Bank of New York, as Administrative Agent (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement") Capitalized terms used herein and not defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement.

The Grantors have entered into the Security Agreement in order to induce the Credit Parties to enter into the Credit Agreement. Article 11 of the Security Agreement provides that additional Subsidiaries may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Subsidiary (the "New Grantor") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Security Agreement in order to induce the Lenders to make additional Loans and as consideration for Loans previously made.

Accordingly, the Administrative Agent and the New Grantor hereby agree as follows:

1. In accordance with Article 11 of the Security Agreement, the New Grantor by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor, and the New Grantor hereby agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor thereunder. In furtherance of the foregoing, the New Grantor, as security for the payment and performance in full of the Obligations, does hereby create and grant, subject to the terms and conditions of the Security Agreement, to the Administrative Agent (and its successors and assigns), for the benefit of the Secured Parties (and their successors and assigns), a security interest in and lien on all of the New Grantor's right, title and interest in and to the Collateral (as defined in the Security Agreement) owned or held by or on behalf of the New Grantor. Each reference to a "Grantor" in the Security Agreement shall be deemed to include the New Grantor. The Security Agreement is hereby incorporated herein by reference.

2. The New Grantor represents and warrants to the Administrative Agent and the other Secured Parties that (i) this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting creditors' rights generally, (ii) set forth on the Schedules attached hereto are true and complete schedules of all of the information that would have been required to have been delivered by or on behalf of the New

Grantor pursuant to the Security Agreement and the Schedules thereto if the New Grantor had been originally named in the Security Agreement, and (iii) the representations and warranties made by it as a Grantor under the Security Agreement are true and correct on and as of the date hereof based upon the applicable information referred to in clause (ii) of this Section.

3. This Supplement may be executed in counterparts (and by each party hereto on a different counterpart), each of which shall constitute an original, but both of which, when taken together, shall constitute but one contract. This Supplement shall become effective when the Administrative Agent shall have received counterparts of this Supplement that, when taken together, bear the signatures of the New Grantor and the Administrative Agent. Delivery of an executed counterpart of this Supplement by facsimile transmission shall be as effective as delivery of a manually executed counterpart of this Supplement.

4. Except as expressly supplemented hereby, the Security Agreement shall remain in full force and effect.

5. THIS SUPPLEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

6. In the event any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

7. All communications and notices hereunder shall be in writing and given as provided in Article 12 of the Security Agreement.

8. The New Grantor agrees to reimburse the Administrative Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, disbursements and other charges of counsel for the Administrative Agent.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]
